A Harold Kind of Love Faye O. Eddy, 2010-02 This book is the life story of my son Harold who was born with disabilities Because he could not talk he was always frustrated and frustrating to me his mother Although I loved him dearly he caused me heartache guilt shame fear and anger For years I cried out to the Lord for relief If it had not been for Harold and my desire for relief from such pain I would not have had the intense desire to see others set free This is an unbelievable story showing that a seemingly negative situation can be turned around to become a truly enjoyable journey The journey is a blessing not only to Harold and me but to our entire family who has experienced restoration through the journey It was in the dark times of my life that I finally began to learn many wonderful truths which I hope will inspire people to believe that God can do anything when they apply the principles by which I have learned to live Faye Eddy is 87 years old and is the caregiver for her 93 year old sister She has three living children whose ages are 57 60 and 63 Faye was active in Women s Aglow and served on the Kent and Green River Area boards She was also liaison for various chapters helped with retreats and served wherever needed Faye worked at Renton First Baptist Church and helped many people through her prayers and counsel She is now retired and her health limits her present activities Her doctor says it is a miracle that she is still alive This is Faye s first book She wrote it because she felt that God wanted her to share her experiences and miracles with others so that they too through Jesus can experience miracles

The Form of Love James Kuzner, 2021-08-03 Can poetry articulate something about love that philosophy cannot The Form of Love argues that it can In close readings of seven metaphysical poems the book shows how poets of the early modern period and beyond use poetic form to turn philosophy to other ends in order not to represent the truth about love but to create a virtual experience of love in all its guises The Form of Love shows how verse creates love that can t exist without poetry s specific affordances and how poems can in their

impossibility prompt love's radical reimagining. Like the philosophies on which they draw, metaphysical poems imagine love as an intense form of non-sovereignty of giving up control. They even imagine love as a liberating bondage to a friend, a beloved, a saint, a God, or a garden. Yet these poems create strange, striking versions of such love made in rather than through the devices, structures, and forces where love appears. Tracing how poems think, Kuzner argues, requires an intimate form of reading, close even too close attention to and thinking with the text. Showing how poetry thinks of love otherwise than other fields, the book reveals how poetry and philosophy can nevertheless enter into a relation that is itself like love. A Part of Me, You & Us Renzie, 2021-05-09 After many years of researching, studying, and learning about simple everyday life situations we go through and listening to others, I finally made it to the point where I'm able to share a more personal look inside of my life and the lives of everyday normal people. As you read *A Part of Me*, you'll find a part I've kept hidden or at least I thought it was hidden, a part of Me that now wants to speak on its own terms. I realized my blessing isn't just for Me; it's also for those who God has brought and will bring into my life to assist Me in their own unique way and share their own stories. You're going to read about some of the events that have helped Us get to this point in our lives. This is a look inside the minds of a few people who are willing to share their stories with the intent of helping others who may be on similar journeys. These are stories about Me, You, and things we did together. That's how Me and You became Us, and how our stories came into existence. So here's the next step to finding out who we really are and the journeys that got Us here. I hope when You read my book, it enlightens your journey. Enjoy. 1 and 2 Peter Robert Leighton, Griffith Thomas, 1999-04-01 Original works by godly writers tailored for the understanding of today's reader. For hundreds of years, Christendom has been blessed with Bible commentaries written by great men of God who were highly respected for their godly walk and their insight into spiritual truth. The Crossway Classic Commentary Series carefully adapted for maximum understanding and usefulness presents the very best work on individual Bible books for today's believers. Addressed to persecuted believers, Peter's first letter encourages them with the knowledge that it is possible to live victoriously in the midst of hostility, just as Christ who suffered unjustly did. He exhorts them to live a holy life that they might be a witness and evangelize the world through their faithfulness. In his second epistle, Peter warns against the more subtle dangers from within the church: false teachers and errant doctrine. He also emphasizes the importance of scriptural knowledge, for only in understanding true doctrine will heresies be known and immoral behavior be exposed. Robert Leighton and Griffith Thomas's exploration of 1 and 2 Peter's key passages offers resounding wisdom that will both instruct and encourage all Christians.

Phillips Crute, 2022-05-04 Even if you think you don t need any help with your life I am sure there is someone in your orbit that you love that does By understanding the principles and information in this book you can help them And I believe almost everyone has someone they wish to help It is frustrating when you want to help but don t know how That might not be enough reason for you to want to buy this book So let s go into what you learn from it We all are governed by the rules of the spirit world I call these rules AVP the Alternate Viewpoint System You will not only learn how the spirit world operates but what to expect when you get there I think that piece of information would be valuable since fear of death is really fear of the unknown This book was my task from before my previous life as Elizabeth Reilly Yes my veil was lifted in 1989 I had a need to know you see So that brings us to the most important obstacle to using AVP The entire system is predicated on the FACT that we have all lived before That s why I couldn t proceed until Sharon Holt did her job Yes that was a planned event When you accept the fact that you have lived before you can also accept that you are in the proper place to learn lessons the real reason we are here That means you don t need to be jealous envious covetous or do anything harmful against anyone If you read this book you will know how to fight temptation and desire You will learn to purge you past of negative traits Then of course you will learn how to purge the negative out of your heart and replace it with love kindness humility and forgiveness vital for a pure heart and required to get into heaven
