

# For a Special Friend

Lord, bless my friend  
for all the things  
she takes the time to do,  
The thoughtfulness she puts  
behind each act of kindness, too.  
Bless her for the loving way  
she brightens many days  
With caring  
and encouragement,  
with compliments  
and praise.  
Bless her  
for her faith in me,  
her words  
that help me grow —  
For being  
just the dearest friend  
I think I'll ever know.

Simply Speaking with God J. Michael, 2010-12-16 Poet J Michael suddenly found himself all alone in a difficult situation As a spiritual person he asked God to touch him in some special way that would bring purpose back to his life He has found that purpose in writing poetry As he wrote poem after poem he began to realize that he was telling a story of his life in poems The prayer poems are similar to his own prayers and there are poems that reflect his life experiences The devotional poems focus on topics that he studied or taught in the past His verses recall military service work travel service to God and other mundane and extraordinary experiences throughout his life Simply Speaking with God is his testimony to his almighty God Each poem tells a story and illustrates just how easy it is to talk to our heavenly Father My True and Living God Father I know that You come to us daily In all the things we see For all things You created We are forever grateful to Thee To watch the sun rise That gloriously adorns the day It is so beautiful to see Every inch of the way

*The Complete Old English Poems*, 2017-01-31 From the riddling song of a bawdy onion that moves between kitchen and bedroom to the thrilling account of Beowulf's battle with a treasure hoarding dragon from the heart-rending lament of a lone castaway to the embodied speech of the cross upon which Christ was crucified from the anxiety of Eve who carries a sumptuous secret in her hands And a tempting truth hidden in her heart to the trust of Noah who builds a sea floater a wave walking Ocean home with rooms for all creatures the world of the Anglo Saxon poets is a place of harshness beauty and wonder Now for the first time the entire Old English poetic corpus including poems and fragments discovered only within the past fifty years is rendered into modern strong stress alliterative verse in a masterful translation by Craig Williamson Accompanied by an introduction by noted medievalist Tom Shippey on the literary scope and vision of these timeless poems and Williamson's own introductions to the individual works and his essay on translating Old English poetry the texts transport us back to the medieval scriptorium or ancient mead hall to share a herdsman's recounting of the story of the world's creation or a people's sorrow at the death of a beloved king to be present at the clash of battle or to puzzle over the sacred and profane answers to riddles posed over a thousand years ago This is poetry as stunning in its vitality as it is true to its sources Were Williamson's idiom not so modern we might think that the Anglo Saxon poets had taken up the lyre again and begun to sing once more
