Learning Disabilities
Barry E. McNamara, 1998-08-13 This book addresses issues in teacher preparation and parental roles in the education of children with learning disabilities It provides a variety of instructional approaches that recognize the cultural and linguistic diversity found in students classified as learning disabled There is a critical need to incorporate a sensitivity to issues of diversity into educational assessment curriculum planning teacher training and interactions with parents especially in large urban areas which are characterized by cultural and linguistic diversity Significant changes in traditional special education assessment and instruction are needed to effectively deal with the overrepresentation of minority students classified as learning disabled and resolve the inherent problems with the definition and diagnosis of learning disabilities

The Resource Room Barry Edwards McNamara, 1989-07-01 There are few comprehensive textbooks available to special educators responsible for developing implementing and monitoring resource room programs McNamara s book fills this void by providing teachers and administrators with helpful practical information and by exploring the role of the resource room teacher as it relates to three major functions assessment instruction and consultation The information provided should also assist administrators and supervisors to evaluate their own existing resource room programs
