Spectres Of Exile And Other Poems:

Spectres of Exile and Other Poems Hasan 'Abd Allāh Qurashī, 1991 *Spectres of Exile* is a bilingual edition of poems by one of the Arab Gulf region's most prominent poets Hasan Abdallah al Qurashi comes from the Hijaz the birthplace of Arabic poetry and fellow poets have linked him to the great Hijazi poets of the pre Islamic period and the seventh and eighth centuries AD Al Qurashi writes love poems in which the pain and difficulty of love are invariably portrayed through imagery relating to the natural hazards of the desert and the nomadic way of life in keeping with the conventions of his literary forebears He also writes about the fate of a poet who is the spokesman for his people and an indivisible part of them but at the same time an outcast an exile and a marginal figure He evokes the beauty of the country to whose past and future he feels bound but condemns the perversion of its supposedly cherished values and aspirations **The exile's return, and**

other poems, by E.H.B. Edward Henry Blakeney, 1890 *This Ghostly Poetry* Daniel Aguirre-Oteza, 2020-04-02 The Spanish Civil War was idealized as a poet's war The thousands of poems written about the conflict are memorable evidence of poetry's high cultural and political value in those historical conditions After Franco's victory and the repression that followed numerous Republican exiles relied on the symbolic agency of poetry to uphold a sense of national identity Exilic poems are often read as claim making narratives that fit national literary history This Ghostly Poetry critiques this conventional understanding of literary history by arguing that exilic poems invite readers to seek continuity with a traumatic past just as they prevent their narrative articulation The book uses the figure of the ghost to address temporal challenges to historical continuity brought about by memory tracing the discordant disruptive ways in which memory is interwoven with history in poems written in exile Taking a novel approach to cultural memory This Ghostly Poetry engages with literature history and politics while exploring issues of voice time representation and disciplinarity [Whitaker's Book List](#), 1991

The Spectre of Defeat in Post-War British and US Literature David Owen, Cristina Pividori, 2021-01-22 It is a commonplace belief that history is written by the victorious However less recognised but equally common is the idea that the defeated also write history even if their particular account is rather different This collection looks at these matters from a novel and distinct perspective It essentially presents the idea that victors often perceive themselves as defeated by examining the ways in which the idea of defeat comes to dominate the victors own sense of superiority and achievement thereby undermining the certainties that victory is conventionally thought to create The contributions here discuss fiction mostly UK and US published since the First World War Through the frameworks of experience memory and post memory they examine this subliminal defeat basically as seen in conflict itself in the societies that it affects and in the individual lives of those who it destroys The result is an innovative literary account of the victorious yet somehow defeated **The Exile; a Poem** Robert Haldane Rattray, 1826 *An Epic of Women, and Other Poems* Arthur William Edgar O'Shaughnessy, 2022-06-03 As written in the title this collection of poems is inspired by the author's experience knowledge and perspective of women real or

imagined living or dead Selected poems from this work include Cleopatra The Fair Maid and the Sun and A Whisper from the Grave *Legends of the Dunbars, and Other Poems* Phoebe Ann Masson, 1854 *Spectres of Reparation in South Africa* Jaco Barnard-Naude, 2023-08-25 This book argues that South Africa is haunted by the spectre of reparation The failure of the South African Truth and Reconciliation Commission to secure adequate reparation for the victims of colonisation and apartheid continues to drastically undermine the commission's processes and legacy Investigating the TRC's key processes of amnesty archiving and forgiveness in turn the book demonstrates that each process is fundamentally thwarted by the terminal lack of reparation These multiple forms of the spectre of reparation haunt post apartheid society in deeply traumatogenic ways The book proposes a new ethic of reparative citizenship as a means of encountering the spectres of reparation in a productive and transformative manner generating hope even in the face of the irreparable This book will be an important read for South Africans interested in overcoming the impasses and injustices that haunt the country but it will also be of interest to post conflict transitional justice and politics researchers more broadly *Arab Book World*, 1991

The Mother's Dream, and Other Poems Hannah Flagg Gould, 2021-05-19 In *The Mother's Dream and Other Poems* Hannah Flagg Gould presents a poignant collection that intertwines maternal themes with rich romanticism and meticulous attention to nature Gould's lyrical style combines vivid imagery with an emotional depth that captures the essence of motherhood loss and the beauty of the natural world Published in the 19th century these poems echo the transcendentalist influences of her time reflecting a deep reverence for both the sacred and the mundane aspects of life while showcasing her unique voice that echoes the inner thoughts and aspirations of women of her era Hannah Flagg Gould a prominent New England poet was born into a world that valued domesticity and moral character which strongly influenced her literary output Having experienced personal loss and the struggles of contemporary womanhood her work embodies both personal reflection and communal experience Gould's writing is a product of her time but transcends these boundaries presenting universal themes that continue to resonate Her contributions to American poetry were significant yet often overshadowed positioning her as a vital figure in the literary canon This collection is a must read for anyone interested in early American literature women's writing or the exploration of intimate themes in poetry Gould's refined verses offer not only a glimpse into the contemplations of a mother's heart but also invite readers to reflect on their own inner dreams and connections with nature Her work remains timeless making this collection a worthy addition to the library of any serious student of literature

Childe Alarique. A Poet's Reverie. With Other Poems. [The Author's Preface Signed: R.P.G., I.e. Robert Pierce Gillies. 2nd Ed., Corr. and Enl R. P. G., 1814 **The Poems of Oscar Wilde** Oscar Wilde, 1916 *Canadian Gothic* Cynthia Sugars, 2014-01-15 This book explores the Gothic tradition in Canadian literature by tracing a distinctive reworking of the British Gothic in Canada It traces the ways the Gothic genre was reinvented for a specifically Canadian context On the one hand Canadian writers expressed anxiety about the applicability of the British Gothic tradition to the colonies on the other

they turned to the Gothic for its vitalising rather than unsettling potential After charting this history of Gothic infusion Canadian Gothic turns its attention to the body of Aboriginal and diasporic writings that respond to this discourse of national self invention from a post colonial perspective These counter narratives unsettle the naturalising force of this invented history rendering the sense of Gothic comfort newly strange The Canadian Gothic tradition has thus been a conflicted one which reimagines the Gothic as a form of cultural sustenance This volume offers an important reconsideration of the Gothic legacy in Canada The Spectre of Comparisons Benedict Anderson,1998-09-17 The Spectre of Comparisons contains important theoretical and historical considerations about the nature of nationalism the prospects for the Left in the so called New World Disorder **Spectre of the Stranger** Manu Bazzano,2012 Retraces the origins of collective forms of malaise such as fanatical patriotism and xenophobia both legacies of monotheism the cult of an exclusivist deity This title looks at the notions of covenant territory kinship and nation and formulates the view of nation state as expansion of the ego Buber and as imagined community *Love and Poetry in the Middle East* Atef Alshaer,2021-12-30 Love has been an important trope in the literature of the region we now call the Middle East from ancient times to modern This book analyses love poetry in various ancient and contemporary languages of the Middle East including Akkadian ancient Egyptian Classical and Modern Standard Arabic Persian Hebrew Turkish and Kurdish including literary materials that have been discovered and highlighted for the first time Together the chapters reflect and explore the discursive evolution of the theme of love and the sensibilities styles and techniques used to convey it They chart the way in which poems in ancient poetry give way to complex and varied reflections of human sentiments in the medieval languages and on to the modern period which in turn reflects the complexities and nuances of present times Offering a snapshot of the diverse literary languages and their relationship to the theme of love the book will be of interest to scholars of Near and Middle Eastern Literature and Culture *The Spectre of the Camera; Or, The Professor's Sister* Julian Hawthorne,1888 *The Hamlet Zone* Ruth J. Owen,2013-01-03 Detached from Shakespeare's English Hamlet has been rewritten numerous times in European languages the various translations into any one language jostling with each other for dominance and spawning new Hamlets that depart decisively from Shakespeare as a source This book focuses on the rich tradition of drawing from Hamlet in European cultures to produce new independent works which include Hamlet theatre Hamlet ballet Hamlet poetry Hamlet fiction Hamlet essays and Hamlet films It examines how the myth of Hamlet has crossed back and forth over Europe's linguistic borders for four hundred years repeatedly reinvigorated by being bent to specific geo political and cultural locations The enquiries in this book show how in the process of translation adaptation and reinventing Hamlet has become the common cultural currency of Europe The Quarterly Index Islamicus ,1991
