*A Bibliography of Articles Relating to Holidays* Robert Morrill McCurdy,1907 *Beyond Zion* Laura Almagor,2022-05-01 Finalist for National Jewish Book Award for Writing Based on Archival Material 2022 Jewish political and cultural behaviour during the first half of the twentieth century comes to the fore in this portrayal of a forgotten movement with contemporary relevance Commencing with the Zionist rejection of the Uganda proposal in 1905 the Jewish Territorialist Movement searched for areas outside Palestine in which to create settlements of Jews This study analyses the Territorialists ideology and activities in the Jewish context of the time but their thought and discourse also reflect geopolitical concerns that still have resonance today in debates about colonialist attitudes to peoplehood territory and space As the colonial world order rapidly changed after 1945 the Territorialists did not abandon their aspirations in overseas lands Instead in their attempts to find settlement solutions for Europe s surplus Jews they moved from negotiating predominantly with the European colonizers to negotiating also with the ever more powerful non Western leaders of decolonizing nations This book reconstructs the rich history of the activities and changing ideologies of Jewish Territorialism represented by Israel Zangwill s Jewish Territorial Organisation the ITO and later by the Freeland League for Jewish Colonization under the leadership of Isaac Steinberg Via Uganda Angola Madagascar Australia and Suriname this story eventually leads us to questions about yidishkeyt and to forgotten early twentieth century ideas of how to be Jewish [A Jew in the Public Arena](#) Meri-Jane Rochelson,2010-02-19 After winning an international audience with his novel *Children of the Ghetto* Israel Zangwill went on to write numerous

short stories four additional novels and several plays including *The Melting Pot* Author Meri Jane Rochelson a noted expert on Zangwill's work examines his career from its beginnings in the 1890s to the performance of his last play *We Moderns* in 1924 to trace how Zangwill became the best known Jewish writer in Britain and America and a leading spokesperson on Jewish affairs throughout the world In *A Jew in the Public Arena* Rochelson examines Zangwill's published writings alongside a wealth of primary materials including letters diaries manuscripts press cuttings and other items in the vast Zangwill files of the Central Zionist Archives to demonstrate why an understanding of Israel Zangwill's career is essential to understanding the era that so significantly shaped the modern Jewish experience Once he achieved fame as an author and playwright Israel Zangwill became a prominent public activist for the leading social causes of the twentieth century including women's suffrage peace Zionism and the Jewish territorialist movement and rescue efforts Rochelson shows how Zangwill's activism and much of his literary output were grounded in a universalist vision of Judaism and a commitment to educate the world about Jews as a way of combating antisemitism Still Zangwill's position in favor of creating a homeland for the Jews wherever one could be found in contrast to mainstream Zionism's focus on Palestine and his apparent advocacy of assimilation in his play *The Melting Pot* made him an increasingly controversial figure By the middle of the twentieth century his reputation had fallen into decline and his work is unknown to many modern readers *A Jew in the Public Arena* looks at Zangwill's literary and political activities in the context of their time to make clear why he held such a place of importance in turn of the century literary and political culture and why his life and work are significant today Jewish studies scholars as well as students and teachers of late Victorian to Modernist British literature and culture will appreciate this insightful look at Israel Zangwill

**In the Shadow of Zion** Adam L. Rovner, 2014-12-12 From the late nineteenth century through the post Holocaust era the world was divided between countries that tried to expel their Jewish populations and those that refused to let them in The plight of these traumatized refugees inspired numerous proposals for Jewish states Jews and Christians authors and adventurers politicians and playwrights and rabbis and revolutionaries all worked to carve out autonomous Jewish territories in remote and often hostile locations across the globe The would be founding fathers of these imaginary Zions dispatched scientific expeditions to far flung regions and filed reports on the dream states they planned to create But only Israel emerged from dream to reality Israel's successful foundation has long obscured the fact that eminent Jewish figures including Zionism's prophet Theodor Herzl seriously considered establishing enclaves beyond the Middle East In *The Shadow of Zion* brings to life the amazing true stories of six exotic visions of a Jewish national home outside of the biblical land of Israel It is the only book to detail the connections between these schemes which in turn explain the trajectory of modern Zionism A gripping narrative drawn from archives the world over In *The Shadow of Zion* recovers the mostly forgotten history of the Jewish territorialist movement and the stories of the fascinating but now obscure figures who championed it Provocative thoroughly researched and written to appeal to a broad audience In *The Shadow of Zion* offers a timely
