

Good day ladies and gentleman. I am very much honored to be here in front of you to discuss about the present issue that's our society is facing now. I need all of your attention and can I ask all of you a favor to lend some time for me to listen to the important words that I'm going to say. When you we're at your younger age have you ever played a doll and imagine that you we're the mother of it? Have you have this experience, thinking that you we're a woman having a child of their own but never really thought what are the consequences of it in reality? This examples are the cases that are experienced through our younger age but never really thought the reality of it in real world. (Teen Pregnancy Informative Speech, 2016). These are the case scenarios that some of us never thought how serious it is, how about you? You as a youth, what is your idea about this issue? Do you sometimes ask yourself if you have the power and the will to change, and be a good role model to every youths out there? What is your perspective in life? Do you really hold your own future in your hands?

This case have been faced for the past years by young teens and the number of population are increasing vastly in the present time. According to University British Columbia, teenage pregnancy refers to female adolescents becoming pregnant between the ages of 13-19. These young females have not yet reached adulthood and the causes of teenage pregnancy vary greatly. Teenage pregnancy may be linked to things such as lack of education and information about reproduction, peer pressure and early engagement of sexual activity . A teen who is often lead to bad situations, such as lack of education as stated, can give huge problems to the teenagers and make them do bad decisions in life not even knowing what the effects will be. Peer pressure also plays a role in teenage pregnancy. During teenage years, some teens may force themselves to find new friends to socialize, which somehow can influence them to be in such relationships that involves sexual activity which can lead them to the wrong path of their life. Teenagers nowadays, must know what are the consequences that they will face from the actions that they are doing. Lastly, early engagement to sexual activity. Teenagers nowadays, are
