Speed Walker Private Eye:

Speed Walker, Private Eye Cris Hammond, 1984 **Speed Walker, Private Eye** Cris Hammond, 1984 **Booze and the Private Eye** Rita Elizabeth Rippetoe, 2015-01-24 The hard bitten PI with a bottle of bourbon in his desk drawer it's an image as old as the genre of hard boiled detective fiction itself Alcohol has long been an important element of detective fiction but it is no mere prop Rather the treatment of alcohol within the works informs and illustrates the detective's moral code and casts light upon the society's attitudes towards drink This examination of the role of alcohol in hard boiled detective fiction begins with the genre's birth in an era strongly influenced and affected by prohibition and follows both the genre's development and its relation to our changing understanding of and attitudes towards alcohol and alcoholism It discusses the works of Dashiell Hammett Raymond Chandler Mickey Spillane Robert B Parker Lawrence Sanders Marcia Muller Karen Kijewski and Sue Grafton There are bibliographies of both the primary and critical texts and an index of authors and works

Paris born Frederique Bonnaire has escaped New York City for Santa Monica California where she faces an unknown future but one she is certain will be an improvement over what she left behind a recent divorce and dwindling jobs as a high end model The one person she knows in the sunny state is Joseph Buckley Lemoyne now a successful private investigator Freddy met her Cajun friend when as a moonlighting Manhattan cop Buck provided security at her fashion show gigs and they'd bonded over the fact that they were both former New Orleans residents Freddy embraces the Left Coast lifestyle becoming a devout Laker basketball fan and just when she thinks the only problems marring her new beginning are romantic complications involving Buck her favorite bartender and a certain Native American police detective plus a still struggling modeling career she learns a dear girlfriend she'd known in New York has also migrated to Southern California only to be the victim of an attempted murder As she enlists Buck and a cast of diverse characters to solve the mystery of the shooting Freddy discovers an even more frightening fact the killer is also after her *Trapped in Yosemite* Dana Mentink, 2024-02-27

Prepare to be captivated by the heart racing page turning reunion story by the heart racing page turning reunion story Lynette Eason USA TODAY bestselling author When a massive earthquake levels the region secrets and unknown dangers are exposed The ground in still icy Yosemite National Park isn't stable and K-9 handler Von Sharpe fears the worst But his worries are pushed aside when he sees an SUV viciously forced off the road with his ex-fiancee at the wheel It's only when Stella Rivers steps out of the vehicle that the very ground under their feet cracks and breaks with the onslaught of a terrifying earthquake When her meeting with a mysterious client is ambushed Stella witnesses the man being gunned down

by a sniper and becomes a target herself With the threat of aftershocks triggering landslides and floods the new mom has no choice but to run to save her baby girl even if it means teaming up with the man who has no idea he fathered her child Trapped in a dangerously unstable wilderness with a killer closing in Von and Stella are running out of time to get to safety And every fissure reveals a new secret that will shake them to their foundation *Report - US Army Medical Research Laboratory* Army Medical Research Laboratory,1968 **Formula 1 75 Years** Stuart Codling,James Roberts,James Mann,2025-05-13 Formula 1 75 Years celebrates the sport s full history with a stunningly illustrated ride through its greatest teams drivers and events London Match Len Deighton,2023-06-27 Bernard Samson suspects there is a traitor within his department of MI6 A jaded but highly skilled British intelligence agent nearing the end of his career Samson already got KGB major Eric Stinnes to defect But when a British KGB agent makes a sweeping confession with a suspicious undertone the finger points straight back to London where Stinnes is locked up refusing to talk The spy who s in the clear doesn t exist In the spectacular third novel in Len Deighton s Game Set Match trilogy will Samson make the winning move **Marvel Avengers The Ultimate Character Guide New Edition** DK,2021-08-03 Meet the world s mightiest Super Hero team The Avengers This comprehensive e guide to the characters of Earth s mightiest Super Hero team features in depth profiles on every Avenger their powers their allies their key storylines and their foes Featuring fan favorites Iron Man Spider Man Hulk Black Widow Captain America Thor Black Panther Captain Marvel and the supervillain Thanos These are Marvel s mighty Avengers 2021 MARVEL *Counterrevolution* Melinda Cooper,2024-03-26 A thorough investigation of the current combination of austerity and extravagance that characterizes government spending and central bank monetary policy At the close of the 1970s government treasuries and central banks took a vow of perpetual self restraint To this day fiscal authorities fret over soaring public debt burdens while central bankers wring their hands at the slightest sign of rising wages As the brief reprieve of coronavirus spending made clear no departure from government austerity will be tolerated without a corresponding act of penance Yet we misunderstand the scope of neoliberal public finance if we assume austerity to be its sole setting Beyond the zero sum game of direct claims on state budgets lies a realm of indirect government spending that escapes the naked eye Capital gains are multiply subsidized by a tax system that reserves its greatest rewards for financial asset holders And for all its airs of haughty asceticism the Federal Reserve has become adept at facilitating the inflation of asset values while ruthlessly suppressing wages Neoliberalism is as extravagant as it is austere and this paradox needs to be grasped if we are to challenge its core modus operandi Melinda Cooper examines the major schools of thought that have shaped neoliberal common sense around public finance Focusing in particular on Virginia school public choice theory and supply side economics she shows how these currents produced distinct but ultimately complementary responses to the capitalist crisis of the 1970s With its intellectual roots in the conservative Southern Democratic tradition Virginia school public choice theory espoused an austere doctrine of budget balance The supply side movement by contrast advocated tax

cuts without spending restraint and debt issuance without guilt in an apparent repudiation of austerity Yet for all their differences the two schools converged around the need to rein in the redistributive uses of public spending Together they drove a counterrevolution in public finance that deepened the divide between rich and poor and revived the fortunes of dynastic wealth Far reaching as the neoliberal counterrevolution has been Cooper still identifies a counterfactual history of unrealized possibilities in the capitalist crisis of the 1970s She concludes by inviting us to rethink the concept of revolution and raises the question Is another politics of extravagance possible
