

speed - kentucky ham

A methedrine-inspired odyssey, a painfully candid exploration of the horizons of the speed freak's world, from the drug-hazed fantasy of New York's infamous East Village to the terrifying reality of a Federal narcotics hospital, Burroughs Jr.'s two novels present a vision of alienated youth at its most raw and uncensored. *Speed* follows Billy as he hustles for dope and money, crashing in garbage-strewn apartments and guiding a paranoid friend through the perilous city streets. With tough, gritty detachment, he describes the stages of his own drug addiction and physical and emotional deterioration. *Kentucky Ham* takes him from the squalor of the East Village crash pads to his father's literary hideaway in Tangier, and finally to incarceration at the Federal Narcotics Hospital in Lexington, Kentucky. Through both these autobiographical novels, William S. Burroughs, Jr., tells a story of generational isolation that is as relevant today as when it was first written.

"Superb . . . A compelling narrative that balances the methedrine horrors with the outcast's romantic search for identity."
— *Rolling Stone*

"*Speed* and *Kentucky Ham* should be seen as seminal texts of the '60s drug culture . . . An autobiography with some lasting interest and value."

— John Strausbaugh, *Baltimore City Paper*

William S. Burroughs, Jr. died in 1981 at the age of thirty-four from liver failure. He was the son of the writer William S. Burroughs.
