Experiencing Citizenship Richard M. Battistoni, William E. Hudson, 2023-07-03 This practical guide is intended for faculty and service learning directors combining

the how to information and rigorous intellectual framework that teachers seek What distinguishes this volume is that the contributors are writing for their peers They discuss how service learning can be implemented within political science and what this discipline contributes to the pedagogy of service learning The book offers both theoretical background and practical pedagogical chapters which describe the design implementation and outcomes of political science service learning programs as well as annotated bibliographies program descriptions and course syllabi

Courts, Justice, and Efficiency

Hector Fix-Fierro, 2004-01-06 This study explores the socio legal context of economic rationality in the legal and judicial systems It examines the meaning and relevance of the concept of efficiency for the operation of courts and court systems seeking to answer questions such as in what sense can we say that the adjudicative process works efficiently What are the relevant criteria for the measurement and assessment of court efficiency Should the courts try to operate efficiently and to what extent is this viable What is the proper relationship between efficiency and justice considerations in a judicial proceeding To answer these questions a conceptual framework is developed on the basis of empirical studies and surveys carried out mainly in the United States Western Europe and Latin America Two basic ideas emerge from it First economic rationality has penetrated the legal and judicial systems at all levels and dimensions from the level of society as a whole to the day to day operation of the courts from the institutional dimension of adjudication to the organizational context of judicial decisions Far from being an alien value in the judicial process efficiency has become an inseparable part of the structure of expectations we place on the legal system Second economic rationality is not the prevalent value in legal decision making as it is subject to all kinds of constraints local conditions and concrete negotiations with other values and interests

Betrayal of Due Process Hedieh Nasheri, 1998 *Betrayal of Due Process* is a landmark study of the criminal justice systems of two common law nations the United States and Canada By focusing on plea bargaining which is one of the most dominant practices in the criminal justice system of both countries Nasheri makes a historical comparison of guilty plea practices and ideologies She draws on historical criminological sociological and political perspectives to construct her argument Because plea bargaining is a crucial part of the criminal justice system yet has received little scholarly attention this much needed book fills a wide gap in legal scholarship

Cleaning Up the Mess Thomas W. Church, Robert T. Nakamura, 2001-05-16

The federal Superfund program for cleaning up America's inactive toxic waste sites is noteworthy not only for its enormous cost 15.2 billion has been authorized thus far but also for its unique design The legislation that created Superfund provided the Environmental Protection Agency with a diverse set of policy tools Preeminent among them is a civil liability scheme that imposes responsibility for multimillion dollar cleanups on businesses and government units linked even tangentially to hazardous waste sites Armed with this potent policy implement the agency can order the parties who are legally responsible for the toxic substances at a site to clean it up with large fines and damages for failure to comply EPA can also offer conciliatory measures to bring about voluntary privately financed cleanup or it can launch a cleanup initially paid for by

Superfund and later force the responsible parties to reimburse the government In this book Thomas W Church and Robert T Nakamura provide the first in depth study of Superfund operations at hazardous waste sites They examine six Superfund cleanups including three regions and both hard and easy sites to ask what works Based on detailed case studies the book describes various strategies that have been applied by government regulators and lawyers and the responses to those different strategies by businesses and local government officials The authors characterize the implementation strategies used by the EPA as prosecution accommodation and public works They point out that the choice of strategy involves setting priorities among Superfund s competing objectives They conclude that the best implementation strategy is one that considers the context of each site and the particular priorities in each case Looking toward the reauthorization of Superfund they also offer recommendations for improvements in the organization of the program and discuss proposals for change in its

Taming Regulation Robert T. Nakamura, Thomas W. Church, 2003-10-27 Despite three decades of vigorous efforts at deregulation across the government regulation remains ubiquitous It also continues to be unpopular because it forces individuals and businesses to do things frequently costly and unpleasant things that they don t want to do If regulatory programs are to survive and remain effective the challenge posed by their endemic unpopularity and political vulnerability must be met Unlike much of the existing literature on regulation Taming Regulation begins with the assumption that the government s capacity to utilize regulation as a policy tool is vital The book examines the questions of how to make the inherently coercive aspects of regulation more politically acceptable in the present antiregulatory environment and how the legal and administrative challenges of reform in ongoing regulatory programs might best be approached The authors explore these issues through a case study of administrative reform in the Superfund program Chartered with an ambitious mission to clean up the nation s hazardous waste sites Superfund was from its inception a uniquely aggressive and unpopular program Yet despite the election in 1994 of a Republican Congress committed to fundamental changes in environmental regulation the Superfund program weathered the storm and remains intact today The authors credit this political and programmatic success to a series of artfully designed and orchestrated internal reforms that softened Superfund s implementation thus increasing its political support while retaining its potent coercive tools Taming Regulation provides a cautionary discussion of both the necessity and the difficulty of regulatory reform It is essential reading for students of regulation and environmental policy for practitioners contemplating reform of ongoing regulatory programs and for those interested in the checkered history of Superfund

The Legal Studies Forum ,1995 **Fundamentals of American Law** New York University School of Law,1996 The American legal system today is the most significant in the world yet until the publication of Fundamentals of American Law there has been no book that provides both the basic rules on the theoretical understanding necessary to comprehend This book is not simply the work of a single author but a collection of especially written essays each by an expert in the field all of whom are on the faculty of New York University School of Law which is recognized as one

of the elite law schools in America and which offers this book as an element of its unique Global Law School Programme The book is written specifically for foreign lawyers and law students who have a need to deal with American Law generally but are not seeking to become specialists in any one area For them it is vital to understand the basic principles of a wide range of American legal fields so they can act as informed intermediaries between their public or private clients and their American counterparts The book not only provides the reader with a solid foundation in American law but will also serve as a basic reference book for the fundamentals even as some of the details change over the years Although initially conceived to fill a void for foreign lawyers the book is also ideally suited for others who have a significant need to understand the basic principles of American Law and to interact with American lawyers For this reason it will be an ideal course text for students of business accountancy political science or public administration where the enquiring student will constantly find intersections with the law The book is more than a compendium of legal principles Each chapter explains not only what the law is but why it is that way It sets forth the policy considerations in institutional factors that produce a particular law so the reader can make an independent judgement about its wisdom and perhaps its adaptability to other cultures

The Law & Society Reader Richard L. Abel, 1995-05 This book seeks to provide answers to everything you ever wanted to know about the law except what the rules are or ought to be This book seeks to provide answers to everything you ever wanted to know about the law except what the rules are or ought to be For centuries the law has been considered a neutral objective arena that sets societal standards and in which conflicting forces resolve disputes More recently however the interaction between law and society has been recognized as a two way street society clearly exerts a considerable influence on the practice and evolution of law Further the discrepancy between what the law mandates and what the social reality is has served as evidence of the chasm between theory and practice between the abstraction of law and its actual societal effects Examining such issues as the limits of legal change and the capacity of law to act as a revolutionary agent the essays in this book offer a well rounded introduction to the relationship between law and society By focusing on flashpoint issues in legal studies equality consciousness and ideology social control and making ample use of engaging case studies The Law and Society Review provides an invaluable resource for scholars and students alike

Harvard Law Review: Volume 127, Number 3 - January 2014 Harvard Law Review, 2014-01-15 The January 2014 issue Volume 127 Number 3 includes the following articles and student contributions Article For Profit Public Enforcement by Margaret H Lemos and Max Minzner Book Review Technological Determinism and Its Discontents by Christopher S Yoo Note More than a Formality The Case for Meaningful Substantive Reasonableness Review Note Appointing State Attorneys General Evaluating the Unbundled State Executive Note The Devil Wears Trademark How the Fashion Industry Has Expanded Trademark Doctrine to Its Detriment In addition student case notes explore recent cases on misleading law school employment data the First Amendment religious rights of for profit corporations regulation of nuclear energy forensic search of laptops at the border search of cellphone data incident

to arrest obscene or lewd student speech and access to polling places for news gathering purposes Finally the issue includes several summaries of Recent Publications The issue is offered in a quality digital edition featuring active Contents linked notes active URLs in notes and proper ebook formatting The contents of Number 3 include scholarly essays by leading academic figures as well as substantial student research The Review is a student run organization whose primary purpose is to publish a journal of legal scholarship The organization is formally independent of the Harvard Law School student editors make all editorial and organizational decisions Law Books Published ,1992 **Journal of Policy Analysis and Management** ,1994 Encompasses issues and practices in policy analysis and public management Listed among the contributors are economists public managers and operations researchers Featured regularly are book reviews and a department devoted to discussing ideas and issues of importance to practitioners researchers and academics Law Books in Print: Subject index Nicholas Triffin,1994 **Current Law Index** ,1999 **Selected Acquisitions of the Library** Indiana University, Bloomington. Law Library,1992 **Bowker's Law Books and Serials in Print** ,1995 Encyclopedia of Legal Information Sources Brian L. Baker,Patrick J. Petit,1993 Over 19 000 live print and electronic information sources for 460 legal topics are quickly accessible in this guide to the US legal system The work is arranged alphabetically by subject from actions and defences to noteworthy trials and users can see at a glance what printed materials are available what organizations are active in that subject and whether any databases or other electronic information sources are available

Speedy Disposition Monetary Incentives And Policy Reform In Criminal Courts: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Speedy Disposition Monetary Incentives And Policy Reform In Criminal Courts : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Speedy Disposition Monetary Incentives And Policy Reform In Criminal Courts : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Speedy Disposition Monetary Incentives And Policy Reform In Criminal Courts Introduction

In today's digital age, the availability of Speedy Disposition Monetary Incentives And Policy Reform In Criminal Courts books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Speedy Disposition Monetary Incentives And Policy Reform In Criminal Courts books and manuals for download, along with some popular platforms that offer these

resources. One of the significant advantages of Speedy Disposition Monetary Incentives And Policy Reform In Criminal Courts books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Speedy Disposition Monetary Incentives And Policy Reform In Criminal Courts versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Speedy Disposition Monetary Incentives And Policy Reform In Criminal Courts books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Speedy Disposition Monetary Incentives And Policy Reform In Criminal Courts books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Speedy Disposition Monetary Incentives And Policy Reform In Criminal Courts books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Speedy Disposition Monetary Incentives And Policy Reform In Criminal Courts books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-

expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Speedy Disposition Monetary Incentives And Policy Reform In Criminal Courts books and manuals for download and embark on your journey of knowledge?
