Spell Of The Witch World:

Spell of the Witch World Andre Norton, 1977-01-01 Tells the stories of a brother and sister separated by the Alizon invasion a silversmith who discovers enchantment in his work and a young woman who learns the truth about her husband's dark secret

Spell of Witchworld Andre Norton, 1972-11 The A to Z of Fantasy Literature Brian Stableford, 2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites

Future and Fantastic Worlds Sheldon Jaffery, 1987-01-01 Future and Fantastic Worlds embodies an unusual approach to the field of bibliographic research including over 700 annotations of every DAW book published through mid 1987 with indexes by author artist and title providing a massive guide to modern SF writers and their works with much background data Interspersed throughout the book are numerous wry irreverent and amusing observations offered by the late and highly respected researcher in this extremely valuable genre tool

The Sword Is Drawn Andre Norton, 2014-07-01 Young Lorens van Norreys must save his family legacy from Nazi invasion in this thrilling series opener from the New York Times bestselling author The House of Norreys those merchants of gems for over three hundred years faces its greatest crisis ever the Nazi occupation of the Netherlands The old Jonkheer lay dying in his bed when he called his grandson to be with him in the last hours of his life and at this time young Lorens van Norreys is entrusted with the future of Norreys That future lies in the legendary Flower of Orange a priceless baroque necklace that the Nazi scavengers burn to possess It is up to Lorens to save the necklace and the House of Norreys With the first encounter with the Nazi invaders Lorens faces his challenge as *The Sword Is Drawn*

Bernard A. Drew, 1997-10-15 The book focuses on individuals writing in the 90s but also includes 12 classic authors e g Mark Twain Louisa May Alcott J R R Tolkien who are still widely read by teens It also covers some authors known primarily for adult literature e g Stephen King and some who write mainly for middle readers but are also popular among young adults e g Betsy Byars An affordable alternative to multivolume publications this book makes a great collection development tool and resource for author studies It will also help readers find other books by and about their favorite writers

Nature & Science on the Pacific Coast, 1915 Historical Dictionary of Fantasy Literature Allen Stroud, 2023-06-12 Fantasy is both old and new In the ancient past stories of magic where supernatural creatures existed the gods walked the earth and heroes saved their civilizations from the dark fate that awaited them were intermingled with history religion and fact It is only in the last few hundred years that a conscious suspension of disbelief has allowed us to return to fantasy the literature of the impossible and appreciate it for its craft and storytelling once more Historical Dictionary of Fantasy Literature Second Edition contains a chronology an introduction an extensive bibliography and cross referenced entries on more than 800 authors ranging across the entire historical spectrum More than 200 other entries describe the fantasy sub genres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies This book is an excellent resource for students researchers and anyone wanting to know more about fantasy literature

The American Ritual Tapestry Mary Jo Deegan, 1998-09-24

American rituals are vital to the creation and renewal of cultural meanings and rules for social interaction These rituals are rooted in tradition yet are rapidly changing a contradiction of hyper modern society This phenomenon was first explored by Professor Deegan in her 1989 study American Ritual Dramas The theory examines both participatory rituals and mass media rituals to show how everyday people become attached to and alienated from other rituals Elaborating on the critical dramaturgy theory the essays in this collection show how patterns can be changed to create a more emancipatory and celebratory society The topics covered in the collection include an analysis of Santa Claus skinheads hate crimes and strip dancing among other topics Each contributor has participated in these rituals and many examine related cultural artifacts such as music brochures and so forth As the essays show postmodern theory has greatly underestimated the power and coherence of these events An important study for scholars and other researchers involved with sociological theory social psychology and popular culture

Modern Fantasy: The 100 Best Novels David Pringle, 2014-09-30 Pringle presents his selections in chronological order and includes a synopsis of the story a discussion of the author s overall contribution to fantasy literature critical commentary on the title s significance and a brief publishing history An introductory essay tackles the difficulty of defining fantasy while a Brief Bibliography directs readers to other discussions of the genre By no means a definitive subject guide this entertaining volume should serve as a solid introduction to the elusive field of imaginative
