

HOW TO Make Spelling FUN!

- Look at the word, say the word, try to memorize the letters in the word, write the word from memory, and check to see if you are right.
- Use magnetic letters on a refrigerator or cake pan to spell words.
- Spell words with glue and sprinkle glitter on them or use glitter pens.
- Cut out letters from a newspaper or magazine to spell words.
- Make spelling flash cards – write words on index cards and cut the letters apart to spell.
- Call out spelling words in the car.
- Take a pre-test on Monday to see what words to work on. Don't forget to review the known words too thought!
- Mnemonic Devices – Come up with a saying to remember words – For example: tail – The apple is light.
- Use scrapbook foam letters as a fun tool to study with.
- Write spelling words in bubble letters or another fun way.
- Use ABC Cookie Cutters and play-dough to cut out letters to spell words
- Paint spelling words.
- Use shaving cream to write spelling words.
- Write words in sand.
- Use letter beads from a craft store to write your spelling words (You could even put them on a string, or a screw, which is a great motor skill!)
- Put letters on Legos, rocks, popsicle sticks, or bottle caps, and put them together to spell your words.
- Got a Magna Doodle? Write your spelling words on it!
- Use Scrabble tiles (add up the points for each word to practice math skills!)
- SpellingCity.com – This site has tons of fun games to play using spelling words.

Spelling P.a.c.t. Lynne Ecenbarger, 2005-12 We know more about the teaching of spelling than we ever have and we know it is not helpful for students to write a list of words several times over It actually becomes a rote activity perceived as busy work and will not help any child remember to spell those particular words in the long term That is why educators across the country myself included have embraced spelling instruction that reflects the interplay of sound pattern sight and meaning relationships By using effective methods and resources such as word sorts building words with letter cards or tiles word hunts environmental print and sentence dictation teachers are assisting today's spellers to accurately consistently and independently produce words in writing To provide additional practice time as homework the word sorts and letters from building words are often sent home on those days when they are used in class A set of instructions sometimes accompanies these words and letters In my early years of teaching I found that on those nights that I did not assign spelling homework parents would on their own resort to having their child do what was asked of them in their elementary school years the dreaded writing of each word three to five times Realizing how fortunate I was to have such strong parental support I couldn't tell the parents not to do that without providing them with alternative ideas that were engaging and had little to no cost The ideas in the Spelling P A C T book came from all the activities I used in my classroom to motivate students prior to using word sorts environmental print word hunts etc I hesitate to admit that in those days I did the fun activities at school while I assigned the five times each as homework Now that I've adopted the more meaningful approaches in my classroom which by the way students still consider fun I've turned over the former fun activities to the parents through this book Teachers simply need to send one

Why It's OK to Have Bad Spelling and Grammar Jessica Flanigan,2025-02-28 Grammatical errors and orthographic mishaps are often played for laughs but this subtle sanctioning by the sticklerocracy can have real social consequences too Attention to prescriptive spelling and grammar rules is insidious and harmful As Jessica Flanigan argues in Why It's OK to Have Bad Spelling and Grammar grammarianism often maintains hierarchies entrenches the advantages of privileged groups and imposes arbitrary barriers to knowledge production and innovation For example the stigmatization of bad spelling and grammar disadvantages linguistic minorities non native speakers and people with disabilities Spelling and grammar norms are also frequently arbitrary and unnecessary The petty grammandos among us who cling to pedantic linguistic conventions are standing in the way of innovative forms of communication and efficient speech such as the emoji For these reasons Flanigan argues that bad spelling and grammar are OK It's time to break free from the tyranny of the grammilitia in the name of comprehension and creativity As long as speakers and writers can effectively communicate to charitable listeners and readers people shouldn't care about bad spelling and grammar

Key Features Explains why spelling tests and spelling bees are counterproductive in achieving literacy and better communication Engages with the history of language policing and the brave anti grammarian resistance Describes some of the key benefits of linguistic liberalism Proposes a political agenda to resist the sticklerocracy and overthrow a world of word nerds

Spelling K-8 Diane Snowball, Faye Bolton, 1999. *Spelling K 8* meets the needs of schools and districts that want to put systematic teaching in place without compromising the principles of constructivist learning. Recognizing the professional expertise of classroom teachers, the authors consistently urge teachers to consider the suggested plan in relation to their children's spelling needs. Children are actively engaged in spelling explorations being guided by their teachers forming generalizations that reflect their current understanding about how written English works. Specific suggestions are also offered for children whose first language is not English. *Spelling K 8* addresses the issues that administrators and parents are concerned about, especially phonics and learning high frequency words and offers teachers a wealth of strategies and resources to draw on. *Spelling K 8* assists teachers in understanding current beliefs about teaching and learning and means of translating these into classroom practice, implementing specific types of spelling investigations such as sounds, spelling patterns or suffixes by clearly outlining the general process involved in spelling explorations, identifying the possible spelling focuses for children in each grade level, taking into consideration their needs and the explorations they have been introduced to in previous years, relating the teaching of spelling to reading and writing experiences in a variety of curriculum areas, knowing the generalizations children need to learn to enable them to understand how written English works. *Spelling K 8* will help you plan the teaching of spelling at a whole school level and at each grade level.
