

THE SPELT COOKBOOK

The story of spelt goes back over 5,000 years, but only recently has this ancient grain's unique nutlike taste been rediscovered. Why is spelt so special? First, spelt's versatility makes it a perfect ingredient for breads, cakes, cereals, side dishes, and much much more. Second, spelt provides the gluten sensitive person with a delicious, nutrient-rich alternative to wheat.

In *The Spelt Cookbook*, Helga Hughes has created an exciting collection of kitchen tested recipes that marry the rich taste of golden spelt with a variety of fresh and flavorful ingredients. The result is over 175 easy-to-prepare dishes that are sure to delight everyone, from the more demanding gourmet to the most health conscious vegetarian.

The author first introduces you to the many different spelt products, including spelt flour, spelt bulgur, ready-to-make spelt pasta, spelt cereal, and other products that will make it so easy to add spelt to your diet. The recipes then begin with nutritious breakfast and brunch dishes—from the World Famous Spelt Waffles to Flaxseed Granola. Following this is a complete section of soups and stews—from White Bean Chili with Olives, to Tomato Soup and Vegetable Soup. Other chapters present recipes for salads, rice and quinoa bowls, sandwiches, casseroles, chicken, seafood, vegetarian, and vegan entrees, pastas, side dishes, and desserts—all made flavorful and healthy with the goodness of spelt.

Rediscover the wonderful taste of spelt for yourself. Whether you are looking for a change of pace or you choose to use spelt as a wheat alternative, *The Spelt Cookbook* is the only guide you'll need to the delicious world of spelt cooking.

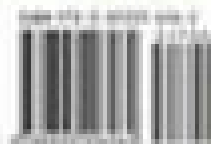

ABOUT THE AUTHOR

Helga Hughes is a successful physical education teacher, pilot, chef, and author. Helga was educated at the Macomber College in Rockham, Nevada, where she first experienced the joys of traditional spelt cooking. After moving to the United States in 1981, Helga taught at health spas and was the athletic director at a major fitness retirement community. She was the founder of the popular Mountain program of personal fitness, and author of the *Complete Personal Fitness Workbook*. In addition, Helga's cooking articles have appeared in numerous national newspapers and magazines. Helga is also the author of several cookbooks.

Vegetable Literacy Deborah Madison, 2013-03-12 In her latest cookbook, Deborah Madison, America's leading authority on vegetarian cooking and author of *Vegetarian Cooking for Everyone*, reveals the surprising relationships between vegetables, edible flowers, and herbs within the same botanical families and how understanding these connections can help home cooks see everyday vegetables in new light. For over three decades, Deborah Madison has been at the vanguard of the vegetarian cooking movement, authoring classic books on the subject and emboldening millions of readers to cook simple, elegant, plant-based food. This groundbreaking new cookbook is Madison's crowning achievement, a celebration of the diversity of the plant kingdom and an exploration of the fascinating relationships between vegetables, edible flowers, herbs, and familiar wild plants within the same botanical families. Destined to become the new standard reference for cooking vegetables, *Vegetable Literacy* shows cooks that because of their shared characteristics, vegetables within the same family can be used interchangeably in cooking. It presents an entirely new way of looking at vegetables, drawing on Madison's deep knowledge of cooking, gardening, and botany. For example, knowing that dill, chervil, cumin, parsley, coriander, anise, lovage, and caraway come from the umbellifer family makes it clear why they're such good matches for carrots, also a member of that

family With more than 300 classic and exquisitely simple recipes Madison brings this wealth of information together in dishes that highlight a world of complementary flavors Griddled Artichokes with Tarragon Mayonnaise Tomato Soup and Cilantro with Black Quinoa Tuscan Kale Salad with Slivered Brussels Sprouts and Sesame Dressing Kohlrabi Slaw with Frizzy Mustard Greens and Fresh Peas with Sage on Baked Ricotta showcase combinations that are simultaneously familiar and revelatory Inspiring improvisation in the kitchen and curiosity in the garden Vegetable Literacy an unparalleled look at culinary vegetables and plants will forever change the way we eat and cook [Recipe for Life 2](#) Dorothy

Edgelow,2008-08-13 Why would you want to make changes to your style of eating and cooking We need good reasons to make changes they can be upsetting to our usual routine and to other family members Changing this basic activity may be expensive and time consuming as well but the benefits can be long lasting Food is naturally associated with life and it is steadily being proven and accepted that it plays a part in how good that life is *Vegetarian Times* ,1990-03 To do what no other magazine does Deliver simple delicious food plus expert health and lifestyle information that s exclusively vegetarian but wrapped in a fresh stylish mainstream package that s inviting to all Because while vegetarians are a great vital passionate niche their healthy way of eating and the earth friendly values it inspires appeals to an increasingly large group of Americans VT s goal To embrace both **Paleo Diet, Paleo Cookbook and Vegan Living Made Easy: Paleo and**
