Spies In The Promised Land Isser Harel And The Israeli Secret Service:

Spies in the Promised Land: Isser Harel and the Israeli Secret Service Michael Bar-Zohar, 2024-02-13 For 15 years the name of Isser Harel the man in charge of all the intelligence branches of Israel was top secret in Israel Even when he resigned from office in March 1963 his name and picture remained undisclosed Only in 1965 when he was appointed special adviser on intelligence and security to Prime Minister Levi Eshkol were his name and picture revealed But most of his past feats were still kept secret even when stories about underground activities the capture of a spy or a mission abroad were disclosed Alan Dulles head of the CIA declared at the time the Israeli services are the best in the world For what operations did the Israeli services deserve such credit What was their modus operandi How had they been established and developed How did they conceive rules of ethics and morality These questions and many more are answered in this book which reveals the life story and operations of Isser Harel whom David Ben Gurion called the guardian of Israel s secrets and honor The French Secret Services Douglas Porch, 2003-11 Chronicles the development of the French secret services in the modern era asks some fundamental questions about what France expected and expects from them and offers a assessment of their role and influence in the state and the military Spies in the Promised Land Michael Bar-Zohar, 1972 Behind the scenes account of Israeli intelligence **The Nazi Hunters: How a Team of Spies and Survivors Captured the World's Most Notorious Nazi** Neal Bascomb, 2013-08-27 A thrilling spy mission a moving Holocaust story and a first class work of narrative nonfiction This Sydney Taylor Book Award and YALSA Excellence in Nonfiction Award winning story of Eichmann s capture is now a major motion picture starring Oscar Isaac and Ben Kingsley Operation Finale In 1945 at the end of World War II Adolf Eichmann the head of operations for the Nazis Final Solution walked into the mountains of Germany and vanished from view Sixteen years later an elite team of spies captured him at a bus stop in Argentina and smuggled him to Israel resulting in one of the century s most important trials one that cemented the Holocaust in the public imagination This is the thrilling and fascinating story of what happened between these two events Illustrated with powerful photos throughout impeccably researched and told with powerful precision THE NAZI HUNTERS is a can t miss work of narrative nonfiction for middle grade and YA readers *Historical Dictionary of Israeli Intelligence* Ephraim Kahana, 2006-04-19 For Israel more so than for any other state an effective Intelligence Community has been a matter of life and death Over the past half century or so Israel has created and refined what is broadly regarded as one of the best intelligence networks in the world It has repeatedly undone efforts by hostile Arab neighbors to defeat it in war foiled countless terrorist attacks contributed to military preparedness and armament production and helped millions of Jews to reach the Promised Land Unfortunately it has also committed some terrible mistakes and made blunders it can ill afford With all of this activity it is no wonder so much has been written about Israeli Intelligence However a handy reference work bringing the various strands together has been sorely needed yet unavailable until now The Historical Dictionary of Israeli Intelligence provides detailed information on the

various agencies operations important leaders and operatives and special aspects of tradecraft through a chronology an introduction a dictionary full of cross referenced entries and a bibliography suggesting further reading **The Mossad Exposed** Scott Barry,2020-02-16 This Book Lists common events of Israel in Detail while Exposing the Mossad as the same kind of Corrupt Cabal as the CIA J'ai Risqué Ma Vie. A History of Israel Howard M. Sachar,2013-07-31 First published in 1976 Howard M Sachar s A History of Israel From the Rise of Zionism to Our Time was regarded one of the most valuable works available detailing the history of this still relatively young country Decades later readers can again be immersed in this monumental work The second edition of this volume covers topics such as the first of the Aliyahs in the 1880s the rise of Jewish nationalism the beginning of the political Zionist movement and later how the movement changed after Theodor Herzl the Balfour Declaration the factors that led to the Arab Jewish confrontation Palestine and its role both during the Second World War and after the war of independence and the many wars that followed it over the next few decades and the development of the Israeli republic and the many challenges it faced both domestic and foreign and still faces today This is a truly enriching and exhaustive history of a nation that holds claim to one of the most complicated and controversial histories in the world **The Rise of Israel** Jonathan Adelman,2008-03-25 This book provides a general history of the rise of Israel since the early Zionist efforts at state building In particular it seeks to show how unlikely Israel s creation was and that it should best be understood as a series of revolutions **Lyndon Johnson and the Postwar Order in the Middle East, 1962-1967** Alexander M.

Shelby,2021-03-25 This book examines Cold War relations between Egypt and the United States The author argues that Nasser s responses to security and political threats in the Middle East and North Africa conflicted with America s postwar strategy in those regions The author focuses on how the failure of American Egyptian diplomacy endangered the Postwar Petroleum Order and facilitated the outbreak of the Six Day War *The Intelligence Revolution* Steven E. McDonald,2016-08-05 This book examines the normative debates around the American use of targeted killings It questions whether the Obama administration s defence of its use of targeted killings is cohesive or hypocritical In doing so the book departs from the disciplinary purpose of international law constitutional law and the just war tradition and instead examines discipline specific defences of targeted killings to identify their requisite normative principles in order to compare these norms across disciplines The methodology used in this book means that it argues that targeted killings are only defensible as acts of war but it also highlights the normative role of accountability and responsibility in this defence In doing so it offers an argument that the use of pattern of life killings by the CIA falls outside the defence offered by the Obama administration but

that this same type of targeting could be used by the military due to differing standards mechanisms of responsibility assignment in these organisations The book thus provides a way of investigating contemporary wars where the conduct of war lacks the traditional hallmarks of conventional warfare Furthermore by drawing attention to differing normative concepts that underpin competing interpretations of law and morality it provides a way of analysing contemporary political violence in an interdisciplinary fashion without seeking to displace single disciplinary study This book will be of much interest to students of military studies ethics of war foreign policy international security and IR *Middle East, the Strategic Hub, and North Africa* Army Library (U.S.),1973 **Bibliography of Intelligence Literature** Walter
