Spike And Co Do It A Cappella:

So You Want to Sing A Cappella Deke Sharon, 2017-11-03 From amateur collegiate a cappella groups to professional ensembles like Straight No Chaser and Pentatonix contemporary a cappella has exploded onto the world pop music scene In *So You Want to Sing A Cappella* Deke Sharon combines historical context and a comprehensive look at the a cappella community with a detailed discussion of vocal techniques rehearsal practices and live audio support needed to sing great a cappella Additional contributed chapters examine singing and voice science vocal health vocal percussion and audio technology The *So You Want to Sing* series is produced in partnership with the National Association of Teachers of Singing and each book features online supplemental material on the NATS website Please visit www.nats.org to access style specific exercises audio and video files and additional resources

Doo-Wop Acappella Lawrence Pitilli, 2016-08-02 In *Doo Wop Acappella A Story of Street Corners Echoes and Three Part Harmonies* scholar and musician Lawrence Pitilli details this too little explored area of 1950 s early 60 s American culture As Kenny Vance and the Planotones suggested in their classic song *Looking for an Echo* every doo wop acapella group s mission the search for a sound a place to be in harmony a place we almost found was more than the story of street kids seeking recording glory It is the tale of urban change mass migrations ethnic acculturation a changing radio and recording industry and the dynamics of cultural change in the sounds sonic and linguistic that every generation seeks to make and re make for itself In his study of this neglected period Pitilli uncovers a rich musical tradition practiced largely by amateurs in an almost mythologized urban America Although most of these practitioners were musically untrained their lack of formal music education and financial support neither diluted their passion for singing or their quest for possible fame and fortune In this engagingly written and celebratory work Pitilli further demonstrates that doo wop acappella was closely tied to broader issues including the self invented individual gender roles ethnicity race and class *Mother Jones Magazine* , 1990-04 *Mother Jones* is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues

Powerful Voices Joshua S Duchan, 2012-04-04 Collegiate a cappella part of a long tradition of unaccompanied singing is known to date back on American college campuses to at least the colonial era Considered in the context of college glee clubs barbershop quartets early twentieth century vocal pop groups doo wop groups and contemporary a cappella manifestations in pop music collegiate a cappella is an extension of a very old tradition of close harmony singing one that includes but also goes beyond the founding of the Yale Whiffenpoofs Yet despite this important history collegiate a cappella has until now never been the subject of scholarly examination In *Powerful Voices The Musical and Social World of Collegiate A Cappella* Joshua S Duchan offers the first thorough accounting of the music s history and reveals how the critical issues of sociability gender performance and technology affect its music and experience Just as importantly Duchan provides a vital contribution to music scholarship more broadly in several important ways by expanding the small body of literature on choruses and

amateur music by addressing musical and social processes in a field where the vast majority of scholarship focuses on individuals and their products and by highlighting a musical context long neglected by musicologists the college campus Ultimately Powerful Voices is a window on a world of amateur music that has begun to expand its reach internationally carrying this uniquely American musical form to new global audiences while playing an important role in the social cultural and musical education of countless singers over the last century

Mother Jones Magazine ,1990-04 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues

The African Diaspora Ingrid Monson,2018-07-17 The African Diaspora presents musical case studies from various regions of the African diaspora including Africa the Caribbean Latin America North America and Europe that engage with broader interdisciplinary discussions about race gender politics nationalism and music Featured here are jazz wassoulou music and popular and traditional musics of the Caribbean and Africa framed with attention to the reciprocal relationships of the local and the global

Spike Lee Laurie Lanzen Harris,2010-12-10 Spike Lee is the mastermind behind movies such as Malcolm X and Chi Raq His work often explores race identity culture and politics within the sphere of the black community This compelling biography profiles the life and career of Shelton Jackson Lee the most prominent African American filmmaker in the United States

Mother Jones Magazine ,1990-04 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues

Ebony ,1990-10 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine

Phantasmagoria Marina Warner,2006 With over thirty illustrations in color and black and white Phantasmagoria takes readers on an intellectually exhilarating tour of ideas of spirit and soul in the modern world illuminating key questions of imagination and cognition Warner tells the unexpected and often disturbing story about shifts in thought about consciousness and the individual person from the first public waxworks portraits at the end of the eighteenth century to stories of hauntings possession and loss of self in modern times She probes the perceived distinctions between fantasy and deception and uncovers a host of spirit forms angels ghosts fairies revenants and zombies that are still actively present in contemporary culture

Music, Modernity, and the Global Imagination Veit Erlmann,1999-06-03 How was Africa seen by the West during the colonial period How do Europeans and Americans conceive of Africa in today s postcolonial era Such questions have preoccupied anthropologists historians and literary scholars for years But few have asked the reverse how did and do Africans see Europe and the United States Fewer still have wondered how Western images of Africa and African representations of the West might mirror one another In a detailed study spanning from the late nineteenth century to the present renowned anthropologist and ethnomusicologist Veit Erlmann examines the very creation of a global imagination for black South Africans Europeans and African Americans To this end he explores two striking episodes in the history of black

South African music The first is a pair of tours made by two black South African choirs in England and America in the early 1890s the second is a series of engagements with the international music industry as experienced by the premier choral group Ladysmith Black Mambazo after the release of Paul Simon's celebrated Graceland album in 1986 Readers will find the cast of characters involved in these intertwined and international dramas at once telling and impressive Among the many players are African National Congress co-founder Saul Msane Queen Victoria African American musician and impresario Orpheus McAdoo Xhosa Christian prophet Ntsikana W E B Du Bois Michael Jackson and Spike Lee Music Modernity and the Global Imagination tells the story of how these artists activists and agents effectively invented each other in travel diaries religious hymns concert performances music videos Broadway plays and autobiographies Erlmann also argues that the resultant mixture of myths and fictions as distinctly imagined by these diverse historical actors entangled South Africa and the West in ways that often obscured the newly emergent global imbalances of power or else blurred the polarities of the colonial and postcolonial world Ultimately this book reports on a transatlantic dialogue that carries direct and profound implications for the world's arts and cultures It is the black diasporic discussion between South Africa and the West and it is a conversation about society music and Utopia that is still in progress **Great Performances** Jennifer Dunning, 1997

During the last 25 years public television's critically acclaimed series Great Performances has showcased 21 opera companies 25 dance companies and 30 theater companies and has won more than four dozen Emmys From Barishnikov dancing with Twyla Tharp to Pavarotti and Sutherland together in concert this lavishly illustrated volume revisits some of the finest dramatic musical operatic and dance performances ever televised 200 color photos New York Magazine, 1992-04-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Education, Music, and the Lives of Undergraduates Roger Mantie, Brent C. Talbot, 2020-12-10 The undergraduate years are a special time of life for many students They are a time for study yes but also a time for making independent decisions over what to do beyond formal education This book is based on a nine year study of collegiate a cappella a socio musical practice that has exploded on college campuses since the 1990s A defining feature of collegiate a cappella is that it is a student run leisure activity undertaken by undergraduate students at institutions both large and small prestigious and lower status With rare exceptions participants are not music majors yet many participants interviewed had previous musical experience both in and out of school settings Motivations for staying musically involved varied considerably from those who felt they could not imagine life without a musical outlet to those who joined on a whim Collegiate a cappella is about much more than singing cover songs It sustains multiple forms of inequality through its audition practices and its performative

enactment of gender and heteronormativity This book sheds light on how undergraduates conceptualize vocation and avocation within the context of formal education holding implications for educators at all levels

Love Don't Need a Reason Matthew J. Jones, 2020 From a stage erected in front of the US Capitol on April 25 1993 Michael Callen surveyed the throng an estimated one million people stretched across the National Mall in the largest public demonstration of queer political solidarity in history What a sight he told the crowd his earnest Midwestern twang reverberating through loudspeakers You're a sight for sore eyes Being gay is the greatest gift I have ever been given and I don't care who knows about it He then launched into a gorgeous rendition of Love Don't Need a Reason the AIDS anthem he composed with Marsha Malamet and the late Peter Allen As Callen finished singing people stood cheering and flashing the familiar American Sign Language symbol for I Love You For they knew the song's sentiment rang true for Callen who had recently announced his retirement from music and activism after a living for more than a decade with what was then called full-blown AIDS After the March on Washington Callen returned to his recently adopted West Coast home Los Angeles In the ensuing months his health rapidly declined and on 27 December 1993 Callen died of AIDS-related pulmonary Kaposi's sarcoma Love Don't Need a Reason focuses on Callen's most important and lasting legacy his music A witness to the overlooked last years of Gay Liberation and a major figure in the early years of the AIDS crisis Michael Callen chronicled these experiences in song A community organizer activist author and architect of the AIDS self-empowerment movement he literally changed the way we have sex in an epidemic when he co-authored one of the first safe sex guides in 1983 A gifted singer songwriter and performer he also made gay music for gay people and used music to educate and empower people with AIDS Listening again to his music allows us to hear the shifting dynamics of American families changing notions of masculinity gay migration to urban areas the sexual politics of Gay Liberation and HIV/AIDS activism Using extensive archival materials and newly conducted oral history interviews with Callen's friends family and fellow musicians Matthew J Jones reintroduces Callen to the history of LGBTQIA music and places Callen's music at the center of his important activist work

MusicHound Soundtracks Didier C. Deutsch, 2000 Offers reviews of more than three thousand albums of film television and stage music

New York Magazine, 1991-06-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award-winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

American Singing Groups Jay Warner, 2006-04 Offers a decade-by-decade history of American singing groups from the Ames and Mills Brothers to the Platters and the Beach Boys to Destiny's Child the Backstreet Boys N Sync and many others covering more than 380 artists and furnishing information on each group's career key members influences photos and discographies Original

American Music, 2007
