Spilsburys Coast:

Spilsbury's Coast Howard White, Jim Spilsbury, 1991-04 Spilsbury's Coast is that part of the Inside Passage between the Fraser River and the top end of Vancouver Island a place of small boats countless islands and whole towns on floats

Spilsbury's Album Jim Spilsbury, 1990 Spilsbury has a raconteur's eye for an anecdote a keen sense of history an earthy sense of humour and a genuine interest in the people who lived and worked on the coast BC Studies Deadlines Tom Hawthorn, 2015-06-15 For more than a decade the Globe and Mail has featured comprehensive obituaries of notable British Columbians by columnist Tom Hawthorn He recounts the lives of the recently departed in an engaging style finding anecdotes to illuminate personality giving voice to those who no longer have one These stories are not about death but about life in all its sad funny exhilarating complexity Gathered here are the best the funniest the most memorable of the passing parade of characters who make life in British Columbia so remarkable Here are athletes and authors warriors and scholars innovators and trailblazers You will meet the boxer Baby Face and a wrestler known as Mean Gene the yodeling cowboy singer Alberta Slim and a geologist called Professor Midas the last living member of the RCMP posse that tracked down the Mad Trapper of Rat River and a demon barber whose preferred murder weapon was alcohol You'll go tracking with the the Cougar Lady of Sechelt lift weights with the World's Strongest Man and wince from the blows of police truncheons used against labour leader Steve Brodie on Bloody Sunday much of the blood spilled that day his own You also will meet politicians of all stripes including prison stripes Hawthorn bids adieu to a panoply of characters in obits that are colourful and touching The exuberance of his writing makes this book one of the great nonfiction reads of the season Following the Curve of Time Cathy Converse, 2011-02-01 Cathy Converse has given us a welcome commentary on Capi Blanchet and her world one that enriches our understanding of both The Tyee A paperback edition of the BC Book Award nominated biography of Capi Blanchet the author of the BC coastal classic The Curve of Time After her husband died in 1926 from a suspected drowning Capi Blanchet spent every summer cruising BC's west coast with her five children and their dog in the family's 25 foot boat The Curve of Time is the book Capi wrote chronicling these adventures and it remains a bestseller and a classic in the annals of nautical literature But little is known about the rest of her life Cathy Converse found herself asking who was this skipper this mother this writer In this biography Converse offers insiders recollections of this enigmatic woman along with family photos and updated information about the villages inlets and islands described in The Curve of Time Following the Curve of Time is essential reading for anyone who has ever been captivated by the book the West Coast or Capi herself *Sheltering in the Backrush* Jeanette Taylor, 2023-04-22 Coastal historian Jeanette Taylor unveils the unique past of Twin Islands Twin Islands form part of the lacey fringe at the southern edge of the Discovery Islands archipelago where it meets the north Salish Sea This is the interface between wilderness and urban settlement To the north heavily treed slopes rise vertically from the sea and fast tides churn through the constricted passages of a maze of islands and inlets Navigating these waters is

a white knuckle challenge many recreational boaters avoid ending their travels to the east in Desolation Sound Marine Park To the south the topography relaxes into a more habitable environment of open waters villages towns and highways Those who do find their way to Twin are richly rewarded by a beautiful and tranquil destination with a fascinating past Discovery of a trove of sepia toned pictures of Twin Islands from the late 1930s drew Jeanette Taylor to research and document the history of the islands She found a live wire cast of characters typical of remote places including a one legged sheep farmer an aristocratic Irish priest who was the victim of an unsolved murder American tycoons fleeing Japan on the cusp of World War II German royalty and an anonymous heiress who rescued the islands from logging Through it all Taylor found a thread among Twin s people passed from one generation to the next like an invisible torch handed over with the deed a love of nature and the place Illustrated with historical photos and engagingly written *Sheltering in the Back Rush* is an important addition to Harbour Publishing s catalogue of coastal BC history **Upcoast Summers** Beth Hill, Francis Barrow, 1985 Francis and Amy Barrow spent the summers between 1933 and 1941 exploring the west coast in their little boat searching for and recording First Nations rock art and yarning with the homesteaders in remote bays and inlets **Freedom to Play** Norah L. Lewis, 2010-09-29 When we were children we made our own fun is a frequent comment from those who were children in pre television times But what games activities and amusements did children enjoy prior to the mid 1950s Recollections of older Canadians selections from writings by Canadian authors and letters written to the children s pages of agricultural publications indicate that for most children play was then as now an essential part of childhood Through play youngsters developed the physical mental and emotional skills that helped them cope with life and taught them to get along with other children In both rural and urban settings children were generally free to explore their environment They were sent outdoors to play by both parents and teachers Their games were generally self organized and physically active with domestic animals acting as important companions and playmates Children frequently made their own toys and equipment and since playing rather than winning was important most children were included in games Special days holidays and organizations for children and youth provided welcome breaks from daily routines Their lives were busy but there was always time for play always time for fun Norah Lewis has provided an entertaining view of the toys games and activities in Canada and pre confederate Newfoundland from approximately 1900 through 1955 Her book will be of interest to historians educators and sociologists as well as anyone who lived through or wants to know more about those early years in Canada and the games children used to play **Growing Up** Neil Sutherland, 1997-01-01 By laying out the structure of children s lives and their childhood experiences in such settings as the home the classroom the church and on streets and in the playground the author describes how English Canadian children grew up in modern Canada *Raincoast Chronicles* 23 Peter A. Robson, 2015-04-25 When the first edition of *Raincoast Chronicles* was produced by a couple of novice publishers in the unlikely location of Pender Harbour in 1972 it boldly announced that it was going to put BC character on the record Printed

in sepia ink and decorated with the rococo flourishes characteristic of that extravagant era the unclassifiable journal cum serial book about life on the BC coast struck a nerve and in time became something very close to what it set out to be a touchstone of British Columbia identity Soon the term Raincoast which had been coined by the editors was appearing on boats puppet theatres interior decorating firms and at least one other publishing enterprise Raincoast Chronicles also created another publishing enterprise Harbour Publishing Many of the stories that started out as articles in the Chronicles grew into books and so the White family was more or less forced to get into book publishing to deal with them That undertaking went on to publish some six hundred books and counting about every possible aspect of BC and in 2014 celebrated its fortieth anniversary in the biz To honour that occasion this special double issue of Raincoast Chronicles takes a tour down memory lane selecting a trove of the most outstanding stories in all those Harbour books and republishing them in one volume Here are some of Canada's most exciting and iconic writers Al Purdy Anne Cameron Edith Iglauer Patrick Lane and Grant Lawrence to start a long list Here also are stories of disasters at sea scarcely believable bush plane feats eerie events at coastal ghost towns and a First Nations elder who has seen so many sasquatches he finds them sort of boring Full of great drawings and photos this jumbo anniversary edition of Raincoast Chronicles is a feast of great Pacific Northwest storytelling

The Geographical Journal, 1899 Includes the Proceedings of the Royal geographical society formerly published separately *Ireland, Literature, and the Coast* Nicholas Allen, 2020-11-05 The island of Ireland is home to one of the world's great literary and artistic traditions This book reads Irish literature and art in context of the island's coastal and maritime cultures beginning with the late imperial experiences of Jack and William Butler Yeats and ending with the contemporary work of Anne Enright and Sinéad Morrissey It includes chapters on key historical texts such as Erskine Childers's *The Riddle of the Sands* and on contemporary writers including Eilís Ní Chuiléain and Kevin Barry It sets a diverse range of writing and visual art in a fluid panorama of liquid associations that connect Irish literature to an archipelago of other times and places Situated within contemporary conversations about the blue and the environmental humanities this book builds on the upsurge of interest in seas and coasts in literary studies presenting James Joyce Elizabeth Bowen John Banville and many others in new coastal and maritime contexts In doing so it creates a literary and visual narrative of Irish coastal cultures across a seaboard that extends to a planetary configuration of imagined islands

wild isolated Berber tribes who carved a harsh life out of Morocco's remotest regions. The result is a blend of two arts: the literary skill of a detached and humorous observer mixed with the drawings of one of the 20th century's most exciting and original artists.
