

A promotional image for Spindrift featuring two women, likely the twins from the movie 'Twins', sitting in the front of a car. They are both looking directly at the camera with neutral expressions. The woman on the left has blonde hair styled in a short, spiky cut and is wearing a dark, possibly black, top. The woman on the right has reddish-brown hair styled in a similar short, spiky cut and is wearing a white top. Both women have their hands raised in front of them, palms facing the camera, in a gesture that could be interpreted as 'stop' or 'peace'. The background is dark and out of focus, showing the interior of a car with some metallic structures and a bright light source on the right side, creating a high-contrast, dramatic effect.

The Canadian Experience of the Great War Brian Douglas Tennyson, 2013-05 Although the United States did not enter the First World War until April 1917 Canada enlisted the moment Great Britain engaged in the conflict in August 1914 The Canadian contribution was great as more than 600 000 men and women served in the war effort 400 000 of them overseas out of a population of 8 million More than 150 000 were wounded and nearly 67 000 gave their lives The war was a pivotal turning point in the history of the modern world and its mindless slaughter shattered a generation and destroyed seemingly secure values The literature that the First World War generated and continues to generate so many years later is enormous and addresses a multitude of cultural and social matters in the history of Canada and the war itself Although many scholars have brilliantly analyzed the literature of the war little has been done to catalog the writings of ordinary participants men and women who served in the war and wrote about it but are not included among well known poets novelists and memoirists Indeed we don't even know how many titles these people published nor do we know how many more titles were added later by relatives who considered the recollections or collected letters worthy of publication Brian Douglas Tennyson's *The Canadian Experience of the Great War A Guide to Memoirs* is the first attempt to identify all of the published accounts of First World War experiences by Canadian veterans *The Future of the Music Business* Steve Gordon, 2015-07-01 Music Pro Guide Books and the financial battles between the new digital music services copyright owners and artists Part IV discusses how to best use the new technologies to succeed The book contains URLs linking to 2 on line videos Fundamentals of Music Business and Law and Anatomy of a Copyright Infringement Case Attorneys can use a password to gain 2 CLE credits
