The Healing Heart—Families Allison M. Cox, David H.

Albert, 2009-03-01 Stories and narratives aimed at helping families work through an array of subjects like health illness grief adoption sexual identity and school The Healing Heart provides powerful examples of the use of stories and storytelling in encouraging resiliency empathy respect and healing These engaging books contain stories and narratives about the use of the stories in activities with different populations children teens those with disabilities seniors inmates etc or which address specific social or community problems addictions poverty violence racism environmental degradation homelessness abuse The books are a collective effort containing the expertise of more than 60 storytellers and health professionals who illustrate the power of story in moving others to commitment and action in building self esteem and mutual respect The Healing Heart Families focuses on families dealing specifically with healing through story health promotion disease prevention early childhood intervention children with medical problems adopting families schools sexual identities grief and spiritual healing The Healing Heart Communities focuses on community building with sections on youth violence prevention poverty domestic violence substance abuse and addiction racism elders culture environmental protection homelessness and community development Praise for The Healing Heart Families Both children and adults sick or well need the embrace of soulful storytelling They need to witness and be witnessed for it is in this state that healing occurs If newscasters were to read aloud each night to their listeners for 1 001 nights one of the stories from this treasury we would all be healed and lose our fear recapturing real security in our homeland N Michael Murphy MD author of The Wisdom of Dying An extraordinary work Hit the bulls eye by providing both process and practice Thought provoking and insightful theory is intertwined with appropriate stories for direct application It makes clear that story can be a powerful catalyst for change giving eloquent voice to what many of us have known for some time but have been unable to express What a gift for those who work with families Elizabeth Ellis co author of Inviting the Wolf In Thinking about Difficult Stories **The Story Biz Handbook** Dianne de Las Casas, 2008-09-30 Beginning with wonderful tips and advice about the art and presentation of storytelling this is a complete resource about how to build a storytelling career Storytellers come to their careers centered on the stories they love and soon realize that in order to make a living at what they love they must build a business This in depth book tells them just how and what to do in every detail from choosing a sound system to building a website to using podcasts and setting up an office Resource lists and tried and true ideas abound as the author shares her marketing and business success story throughout Each chapter is a story in itself beginning and ending with different traditional folktale openings and closings There is even a chapter on how to plan for retirement **Surviving Parental Alienation** Amy J.L. Baker, PhD, Paul R. Fine, LCSW, 2014-04-04 Half of all marriages end and when they do most parents hope to achieve a good divorce in which they can amicably raise their children with their former spouse Unfortunately about 20% of divorces are high conflict involving

frequent visits to court allegations of abuse and chronic disagreements regarding parenting schedules In response to this conflict some children become aligned with one parent against the other even a parent who has done nothing to warrant the hostile rejection of their formerly loving children These targeted parents suffer from the loss of time with their children the pain of watching their children become distant even cruel and the uncertainty of not knowing if and when their children will come back to them These parents are on a painful journey with an uncertain outcome Surviving Parental Alienation fills the tremendous need for concrete help for these parents Too often parental alienation stories that are shared by word of mouth on the internet or in books depict unending pain and frightening outcomes Surviving Parental Alienation provides true stories and information about parents who have reconnected with their lost and stolen children and offers better insight and understanding into what exactly parental alienation is and how to handle it Targeted parents are desperate to be understood and to find cause for hope even as they search for answers Surviving Parental Alienation is where they can start to find this hope Awakening the Creative Spirit Christine Valters Paintner, Betsey Beckman, 2010-02 The resource is designed to help spiritual directors and others use expressive arts in the context of spiritual direction It is the latest book in the unique SDI series designed for professional spiritual directors but also useful for clergy therapists and Christian formation specialists The Spiritual Directors International Series This book is part of a special series produced by Morehouse Publishing in cooperation with Spiritual Directors International SDI a global network of some 6 000 spiritual directors and members

The Journey Through Grief and Loss Robert Zucker, 2009-08-18 When adults face a significant loss they must grapple with their own profound grief and they are often called upon to nurture and support their grieving children This is the first book to address this very common dual grieving challenge As a practicing psychotherapist for twenty nine years Robert Zucker can offer parents and other concerned readers important insights into managing their own grief while supporting their grieving children He offers Understanding how adults and children grieve differently Learning how to explain the meaning of death to children Knowing what to do when grief gets complicated Deciding when they and or their child need counseling Helping their family members stay connected with loved ones even after death For the countless parents who have tried blocking out their own grief in order to be available to their child Robert Zucker provides a measure of comfort This book will reassure readers that a grieving parent can still be an effective parent The Healing Heart for Communities Allison Cox, David Albert, 2009-03-01 The only book of its kind that demonstrates the power of storytelling to heal *More Tellable Cracker Tales* Annette J. Bruce, 2002 A collection of stories drawn from Florida history folklore and fiction

Teaching Death and Dying Christopher M. Moreman, 2008 The academic study of death rose to prominence during the 1960s Courses on some aspect of death and dying can now be found at most institutions of higher learning These courses tend to stress the psycho social aspects of grief and bereavement however ignoring the religious elements inherent to the subject This collection is the first to address the teaching of courses on death and dying from a religious studies perspective

The book is divided into seven sections The hope is that this volume will not only assist teachers in religious studies departments to prepare to teach unfamiliar and emotionally charged material but also help to unify a field that is now widely scattered across several disciplines

A Grief Like No Other Kathleen O'Hara,2006-04-20 A Grief Like No Other is the book no one wants to ever have to buy sadly many people continue to need it From 9 11 to Cindy Sheehan s son from mass tragedies like the recent London bombings to Law and Order type crimes that make the news only to be replaced by another name As such more people are left with the aftermath of dealing with the violent death of a loved one It brings its own special brand of grieving since victim s families can spend years dealing with legal ramifications guilt and a myriad of other circumstances that don t accompany normal deaths Kathleen O Hara knows both sides of this coin As a therapist she has counseled hundreds of people dealing with grief As a mother she saw her worst fears realized when her college aged son was brutally murdered in 1999 In the aftermath of Aaron s murder O Hara developed the seven stage journey that is at the heart of A Grief Like No Other Although this is a book for those left behind in the aftermath of violence it offers concrete and practical steps and stages allowing family and friends safe passage through this incredibly harrowing journey
