Transcendentalism Kurt Kawohl, 2002 One needs to keep an open mind and allow the spirit to absorb the logic of who what God is without being inhibited by what should be considered outdated religious dogma and

conditioning that has been a major contributing factor to the causes of terrorism Transcendentalism can influence the beginning of a new realization in many religions If humanity would ever accept a completely logical deity called God Allah etc all borders between opposing religious factions would be eliminated and peace thereafter could be a reality Most people have their own self attained or learned knowledge or deep religious convictions on spirituality Many books have been written on various religious beliefs There are many spiritual people who know that God is the rational Purity who that does not require servitude ritualistic prayers or a forced slavery in order for the soul to be a part of Purity for eternity ALL religions have the same goal A Transcendentalist is often a spiritually enlightened individual whose ultimate goal is to unite and strengthen communities or religious organization God is the enlightenment of ALL who sincerely seek him it *Words from Spirit* by Aleisha and Ishamcvan,2008-02-12 Aleisha is a medium and channel for the teaching guide Ishamcvan She takes dictation from this advanced spirit entity as he answers the questions put to him by many people from around the world on a wide variety of spiritual subjects As well he gives insights to endless aspects spirituality of the soul s passage through life its development and the ultimate lessons it must experience whilst here on earth This is a categorized record of some of those questions Nothing has been altered All answers are exactly as they were received What is the meaning of life How do you achieve true happiness Why do we have to suffer What happens when we die How do we define love These and hundreds more questions are answered with clarity and understanding by Ishamcvan this teacher of all things spiritual Unfold the mysteries of why we are living a life on earth Forget what you heard before and read the basics The answers are simple You will never wonder again **I Exist in All Planes at the Same Time** Alexander-Reindorf,2006-06-09 In ANTHOLOGY II Leader Olumba Olumba Obu s Teaching on Love the Holy Spirit His Mission His Characteristics Prayer Forgiveness and Mercy the Holy Spirit The Word Humility Baptism Brotherhood of the Cross and Star Holy Thursday and on the Trinity are recorded **One God for All** Dil R Banu,2014-05-29 In our times of strife and alienation the author presents a fresh argument for harmony and togetherness She has a deep understanding of the human mind through ages in which God eternally leaves His unifying marks Gods Omnipresence binds our ageless humanity on one hand and on the other it directs us to His singular message of Unity The author essentially focuses on the Unity of God and articulates its dimensions from the vantage point of her Islamic conviction In so doing she places other religions vis vis Islam and vice versa In keeping with the spirit of Islam she never indulges in the denigration of the other She does encounter anti Islamism that we see in vogue Her style is unapologetic and straight to the point She takes the antagonists to the task But her tone all throughout is one of reconciliation She seeks to make her audience understand her belief system i e Islam and in turn understand the misunderstanding of Islam by her audience Her audience obviously is Western if not exclusively and as such her arguments flourish in the Western context She does leave room for the watchful non Western Muslim and non Muslim readers to get hold of that context The book addressing timeless issues is quintessentially timely Muhammad Mashreque has been a

Muhammad Omar Mahmoud, 2008 The advent of the holy prophet Muhammad PBH was foretold in so many pages of all the previous scriptures He was finally unveiled by the Almighty God with a message to all the world the holy Quran The holy Quran as prophesied in the previous scriptures is the actual word of the Almighty God Allah It was revealed for the benefit of all mankind Blessed is He who sent down the criterion to His servant that it may be an admonition to all creatures Q 25 1 It is complete and comprehensive and in conformity with the prophecy in the previous scriptures The Almighty Allah says Nothing have we omitted from the Book Q 6 38 The message given to the holy prophet Muhammad PBH by the Almighty Allah for mankind thus contains a complete code which provides for all areas of life whether spiritual intellectual political social or economic It is a code which has no boundaries of time place or nation Before Islam religion was on the authority of its own leaders and was thus the avowed enemy of reason resulting in making theology to be based on intricate subtleties and credulous admiration of miracles The holy Quran came and took religion by a new road untrodden by the previous scriptures in fulfillment of Jesus prophecy It spoke to the rational mind and alerted the intelligence It sets out the order in the Universe the principles and certitudes within it and required a lively scrutiny of them that the mind might thus be sure of the validity of its claim and message Even in relation to the narratives of the past it proceeded on the conviction that the created order follows invariable laws as the holy Quran says Such was the way of God in days gone by and you will find that it does not change Q 48 23 And again God does not change people s case until they change their own disposition Q 13 11 Even in matters of morality the holy Quran relies on evidence Requite evil with good and your worst enemy will become your dearest friend Q 41 34 Thus for the first time in a revealed scripture reason finds its brotherly place and toleration made a corner stone of religion as the holy Quran says There is no compulsion in religion Q2 256 But warned that tyranny and injustice are the two enemies of social solidarity and inter social amity
