Spirit of Numerology Joice Ashly, 1998 **Spirit of Numerology** Joice Ashly, 1996-12-01 The Complete Idiot's Guide to Communicating with Spirits Deb Baker, Rita Berkowitz, 2002-09-01 You're no idiot of course. You know life is a journey and that physical birth and death are its points of transition. Many people across cultures and faiths believe the spirit lives on and have experienced contact with the spirits of loved ones who have passed to the higher side. This contact is joyous, comforting and healing, but you wonder if it's really real and whether you can share in it too. Don't give up the spirit. The Complete Idiot's Guide to Communicating With Spirits will show you exactly how to uncover your own mediumistic capabilities and connect with those no longer on the earth plane. In this Complete Idiot's Guide you get Tips on how to connect with your personal divine energy through prayer, meditation and dreams. Information on the birth of the human soul as perceived through theological, metaphysical and spiritual viewpoints. Exercises to help you develop your mediumistic abilities. Tangible evidence of the continuity of life.

The Spirit of the Tarot Claudine Aegerter, Berenice Benjelloun, 2009-12-31 This is a new exploration of the Tarot which reveals the esoteric numerological links underlying this ancient system and connects the teaching of the Tarot to the initiatic journey of the Soul. If you are aspiring to connect with the mysteries of our life on this planet or you are already a disciple in some school of spiritual attainment, this is a book which will illuminate your way. As we explore beyond those physical, emotional and mental aspects that we call the personality, we find another energy that is not so easy to define and which seems to move us at a deeper level: this is the Soul. When we are receptive to the Soul's mystery, we can start to connect to the universal collective energy of the Spirit. The different stages in the fusion of personality and Soul and the unknown, unseen alchemy of transmutation from matter to Spirit are illustrated by the twenty-two cards of the Major Arcana. The symbols are explained and the deeper esoteric meaning of each card is explored with the help of numbers. This provides practical steps that can be applied to the everyday lives of those who seek greater consciousness. Claudine Aegerter started Transcendental Meditation in 1970, then joined the National Federation of Spiritual Healers where she realised her abilities to channel. She then started teaching and giving workshops in esoteric subjects. As a leader in her field, a counsellor and a healer, she founded the Connaissance School of Numerology in 1993, bringing unique insights into the initiation of consciousness to many around the world. Berenice Benjelloun has worked as a professional artist, Homeopath workshop leader and Numerologist. The inspiration and underlying energy behind all her occupations has always been the promotion of the expanding consciousness of mankind. She teaches at The Connaissance School of Numerology and is Vice Chair of the Association Internationale de Numerologues.

The Rapture Code Craig S. Luchin, 2010-03-03 Can there only be one Rapture The Rapture Code Part One of an Eight Book Coded Series This is the first book of an Eight Book Coded Series concerning Christian living I ve been a Christian for 34 yrs and for over 30 of those years I have tried to augment the Rapture of the Church with additional biblical evidence I started out all those years ago to accomplish this one task Well God has greatly blessed me in that I found not one code concerning the Rapture but a coded series of eight codes total Thus each one relating to the Christians walking out their salvation in one aspect or another Doctrinally this first book pertains to the Rapture of the Church in a Pre Millennial position that promotes as true The Seven year Tribulation the Millennial Reign of Jesus Christ here on earth the little season of Satan and then the New Heavens and Earth What I have uncovered is a deeper answer that gives good reasons for all three rapture positions which are Pre Mid and Post Tribulation being three different raptures all taking place during this 7 year time period Thus there being three separate raptures instead of just one I see there are three raptures of three different groups of peoples in the Tribulation Period Instead of the one group of the one Rapture of the Church in only one of the three rapture positions offered us Namely the rapture positions of Pre or Mid or Post Tribulation Thus again I see three different raptures taking place as follows Rapture of the Church Rapture of the Two Witnessess Rapture of the Elect of Israel Pre Tribulation Mid Tribulation Post Tribulation Israel is always the key to proper biblical prophecy Without Israel in existence today as a nation there would be no final End Times Israel and the Church are separate in the Scriptures and so it only makes sense especially after seeing the evidence that I have accumulated in this book that Israel would have it s OWN rapture Further Christians are making the same error of judgment pertaining to Christ s Rapture of the Church seeing only one rapture that Israel made concerning Christ s First Coming Israel perceived wrongly that there was only one Coming of Christ which they were sorely mistaken and we now know that there are two Comings of the LORD one 2 000 yrs ago and one in the near future But Christians are making the same error in thinking that there is only one rapture of one major group of people The Rapture of the Church When in fact there are two raptures of two major groups of peoples as noted above Note The Two Witnesses are not a group though I feel with some Scriptural evidence that the 144 000 may go up with the Witnesses In which the Left Behind notion will be proved wrong Also I have found a word pattern order exclusive to the KJB that shows forth this order in many OT verses as well as the NT I have found the threefold pattern of these three raptures in the Breastplate of the High Priest in the Seven Feasts of Israel in the books of Daniel and Revelation in the books of Matthew

Mark and Luke and in many other places In addition these truths will strengthen the Eternal Security of any Believer Finally I have discovered many new study aids for advance studies that only appear in the KJB which will strengthen the Christian for the ongoing battle for the Bible The King James Bible in which these study aids can and will be demonstrated throughout this Eight Book Coded Series by which these eight codes are based in Acts 3 The codes are there in this chapter four times in a four times over repeating order perfectly This co *The Power of I AM* Ashley Guillard, This is Edition 1 of The Power of I AM I AM the Creator And The Creator Is In Me The Heart of Wisdom Edition The Power of I AM reveals esoteric teachings to manifestation and elevation It debunks religious myths uncovers spiritual truths teaches how to communicate with the divine with numerology gematria and dreams and teaches the vessels of God on earth the keys to awakening their inner divine masculine and divine feminine spirits Some people will read The Power of I AM and get angry Some will be affirmed Most will be enlightened and positively changed forever I highly recommend it to everyone who comes across it This book entails 222 pages of esoteric knowledge hidden secrets and the keys to wisdom through which all the nations of the earth are blessed I was chosen by God to reveal these spiritual secrets to all who seek If you ve come across this book that means you I wish you more light and more life Ashley Guillard The Complete Guide to Manifesting with Crystals Marina Costelloe, 2007-06-01 Providing real life examples on how to live in a fruitful partnership with crystal energy this how to guide fully explains the power of crystals and how they can be utilized Crystals magnify the highest energy within and both the newly spiritually aware and the seasoned crystal worker can gain insight and focus into their lives when combining this energy with the suggested positive affirmations to elicit forces of attraction and confidence The book also taps into ancient and medieval cosmology to explain how crystals interact with the four elemental substances thought to constitute the physical universe earth fire water and air By applying the wealth of information and experiences the manual has to offer anything that can be visualized can also be fulfilled whether extending the journey of the soul or wishing to improving surrounding circumstances such as relationships health well being and career *Numbers Unveiled* Sam Choo, Step into the fascinating world of biblical numerology with Numbers Unveiled In this captivating exploration dive deep into the hidden realm of numbers and uncover the profound symbolism and spiritual meaning they hold within the sacred texts From the unity of one to the divine completeness of seven and beyond this book unlocks the secrets of numerology in the Bible offering profound insights into God s character His redemptive plan and the human experience Discover how numbers such as three twelve and forty shape the narratives teachings and prophecies of the Scriptures revealing divine patterns and unveiling hidden truths Drawing from a rich tapestry of biblical examples each chapter guides you through the significance of a specific number providing enlightening interpretations and practical applications for spiritual growth As you journey through these pages you will gain a deeper appreciation for the intricate design of God s Word and a fresh perspective on its timeless teachings
