**Spirit Walks with Gregory** Mick Avery, 2003 Christ, the Spirit, and Human Transformation in Gregory of Nyssa's in Canticum Canticorum Alexander L. Abecina, 2023-09-15 It is generally agreed that virg is Gregory of Nyssa's first written work composed sometime in the early 370s Recent scholarly interest in the text has tended to focus upon Gregory's alleged ranking of different forms of married and celibate life in relation to fourth century Christian asceticism Rarely however has the overtly ascetical subject matter of the work been studied with regard to one of the most pressing doctrinal debates of the 370s and 380s namely the dispute over the status of the Holy Spirit a matter which the Cappadocian Fathers took up with great force against the Macedonians who denied the Spirit's essential unity with the Father and the Son This chapter therefore investigates the role Gregory assigns to the Holy Spirit in the virgin's spiritual marriage or union with Christ I will show that Gregory stresses throughout the work that such union with Christ is in fact impossible for the naturally weak and fallen virgin unless it is actualised by the life giving power of the Holy Spirit who shares in the very attributes of purity incorruptibility and virginity that are proper to the Father and the Son This he expounds with direct reference to baptismal theology Thus read in light of the debates with the Macedonians in the 370s and 380s virg can be understood to prescribe a form of ascetical life which rests upon the characteristically anti Macedonian conviction that the Spirit who is received at baptism unites humanity to the Son and the Father because the Spirit is himself essentially united to the Son and the Father This analysis of pneumatology in virg is of central importance to my study of hom in Cant both works portray humanity s union with Christ under the metaphor of marriage That Gregory construes this nuptial union in thoroughly pneumatological and hence baptismal terms in his earliest work serves to attune my focus upon resonant pneumatological and baptismal themes that shed light on his exeges of the Song of Songs in his final written work

Teaching with Joy Sharon Shelton-Colangelo, Carolina Mancuso, Mimi Duvall, 2007 This edited collection addresses the growing need for ideas and methods conducive to holistic educational practices and aims to encourage more personal growth in students too often distracted by the background noise of war violence racism and environmental deterioration The contributors are working teachers and professors who have integrated a degree of spirituality into a wide range of classes in both urban and rural settings across the US This ground breaking collection will provide practical advice about how to implement an ethical and spiritual curriculum while avoiding religious dogmatism Ascetic Pneumatology from John Cassian to Gregory the Great Thomas L. Humphries Jr., 2013-10-24 Ascetic Pneumatology from John Cassian to Gregory the Great presents three interconnected arguments The first argument concerns scholarly readings of antiquity there are developments in 5th and 6th century Latin pneumatology which we have overlooked Theologians like John Cassian and Gregory the Great were engaged in a significant discussion of how the Holy Spirit works within Christian ascetics to reform their inner lives Other theologians like Leo the Great participate to a lesser extent in a similar project They applied

pneumatology to theological anthropology Thomas L Humphries Ir labels that development ascetic pneumatology and beings to track some of the late antique schools of thought about the Holy Spirit The second argument concerns the reception of Augustine in the two centuries immediately after his death different people read Augustine differently Augustine s theology was known and understood to varying degrees in various regions Humphries demonstrates significant engagements with Augustine's theology as it was relevant to Pelagianism evidenced in Prosper of Aguitaine as it was relevant to Gallic Arians evidenced with the L rinian theologians and as it was relevant to African Arians and certain questions posed of Nestorianism evidenced with Fulgentius of Ruspe Instead of attempting to rank various theologians as better and worse Augustinians Humphries argues that there were different kinds of Augustinianisms even in the years immediately after Augustine The third argument concerns Gregory the Great and his sources Once we see that ascetic pneumatology was a strain of thought in this era and see that there are different kinds of Augustinianisms we can see that Gregory depends on both Augustine and Cassian In the closing chapters Humphries argues that Gregory uses Cassian's ascetic pneumatology and this allows Gregory s synthesis of Cassian and Augustine to stand in greater relief than it has before The study begins with Cassian ends with Gregory and is attentive to Augustine throughout The Sacred Writings of Gregory Nazianzen Gregory Nazianzen, 2012 The Sacred Writings Of provides you with the essential works among the Early Christian writings The volumes cover the beginning of Christianity until before the promulgation of the Nicene Creed at the First Council of Nicaea This volume is accurately annotated including an extensive biography of the author and his life Gregory of Nazianzus c 329 January 25 389 or 390 also known as Gregory the Theologian or Gregory Nazianzen was a 4th century Archbishop of Constantinople He is widely considered the most accomplished rhetorical stylist of the patristic age As a classically trained orator and philosopher he infused Hellenism into the early church establishing the paradigm of Byzantine theologians and church officials courtesy of wikipedia com This edition comprises 24 of his orations as well as many letters Once-A-Day: Walk with Jesus Zondervan, 2012-01-03 The Once A Day Walk with Jesus Devotional introduces you to the New Testament of the Bible through 365 daily readings allowing you to read through the New Testament in one year Each devotion offers unique ways to center on God and strengthen your faith by reading a Scripture portion followed by an insight from a remarkable Christian writer of the past and ending with a timely personal application and worship portion to help focus your prayer and lead you into a time of reflection all centered on that day's particular focus. The quotes from past Christian writers include insights from such well known authors as John Calvin Dwight L Moody Hannah Whitall Smith Martin Luther Charles Spurgeon and many others **Gregory of Nyssa and the Concept of Divine Persons** Lucian Turcescu, 2005-02-17 The concept of personhood is central to a wide range of contemporary issues ranging from reproductive rights to the death penalty and euthanasia We may think that the concept of person is a modern development In fact however this idea does not originate with our discovery of human rights consciousness and individuality In this study Lucian Turcescu

shows that the fourth century theologian Gregory of Nyssa developed a very sophisticated concept of the person in the context of his attempts to clarify the paradox of the Trinity a single God comprising three distinct persons Turcescu offers the first in depth analysis of Gregory s writings about the divine persons He shows that Gregory understood personhood as characterized by uniqueness relationality and freedom He reasoned that the three persons of the Trinity have distinctive properties that make them individuals that is capable of being enumerated and circumscribed But this idea of individuation inherited from the neo Platonists falls short of expressing a clear notion of personal uniqueness By itself it would suggest that a person is merely a collection of properties Gregory's great contribution was to perceive the importance of relationality to personhood The three divine persons know and love each other are in communion with each other and freely act together in their common will This understanding argues Turcescu adds up to a concept of personal uniqueness much like our modern one Turcescu s work not only contributes to our knowledge of the history of Trinitarian theology but can be helpful to theologians who are dealing with issues in contemporary ethics **Walking Corpses** Timothy S. Miller, John W. Nesbitt, 2023-05-15 In Walking Corpses Timothy S Miller and John W Nesbitt contextualize reactions to leprosy in medieval Western Europe by tracing its history in Late Antique Byzantium which had been confronting leprosy and its effects for centuries Integrating developments in both the Latin West and the Greek East Walking Corpses challenges a number of misperceptions about attitudes toward the disease including that theologians branded leprosy as punishment for sin rather it was seen as a mark of God's favor that Christian teaching encouraged bans on the afflicted from society in actuality it was Germanic customary law or that leprosariums were prisons instead they were centers of care many of them self governing Informed by extensive archival research and recent bioarchaeology Walking Corpses also includes new translations of three Greek texts regarding leprosy while a new preface to the paperback edition updates the historiography on medieval perceptions and treatments of leprosy St. Gregory's Prayer Book, 2019-06-12 The St Gregory s Prayer Book is a beautifully produced leatherette prayer book compiled by the Ordinariates established by Pope Benedict XVI and drawing on the riches of the Anglican liturgical heritage and the exquisite Cranmerian language of the Book of Common Prayer to further enrich the panoply of Catholic liturgy and devotion The text includes ancient English collects introits and hymns available together for the first time for the whole Church as approved examples of Catholic liturgy In addition to the Liturgical texts classic translations of traditional prayers and devotions for use in the Church and in the home have been lovingly compiled and edited in St Gregory s Prayer Book This lovely book of prayers is user friendly and accessible to Catholic faithful with a love of beautiful language and in search for supplementary resources for their prayer life that are both new and at the same time respectful of Church tradition With gold blocking on cover and spine and a silk ribbon marker Contents 1 An Outline of Duties of the Christian Life 2 Common Forms of Prayer Professions of Faith 3 Various Prayers Intercessions 4 Devotions for Days of the Week Hours of the Day 5 Devotions for the Morning 6 Devotions for Midday 7

to be known as receptive ecumenism And nowhere is this question more pressing and pertinent than in women s experiences within the church Based on qualitative research from five focus groups For the Good of the Church expose the difficulties women face when they work in a church sexism unfulfilled vocation and abuse of power and privilege as well as the wide range of gifts and skills which women bring in light of these The second part of the book continues to draw on the particular wounds and gifts which arise in the focus groups Specific case studies are used to identify gifts of theology practice experience vocation and power Against negative prognoses of an ecumenical winter Gabrielle Thomas reveals how radically different theological and ecclesiological perspectives can be a space for learning and receiving gifts for the well being of the Gregory of Nyssa: Contra Eunomium III.
