The reason for the title Foundations is it represents the two type of faith that every human being is standing on which is either Jesus Christ or the devil Jesus teaches about the two types of faith foundation in the gospel of St Luke by saying Everyone who comes to Me Jesus Christ and hears My words and acts on them I will show you whom he is like 48 he is like a man building a house who dug deep and laid a foundation on the rock and when a flood occurred the torrent burst against that house and could not shake it because it had been well built 49 But the one who has heard and has not acted accordingly is like a man who built a house on the ground without any foundation and the torrent burst against it and immediately it collapsed and the ruin of that house was great Luke 6 46 49 NASV

American Book Publishing Record, 2006 **Christian, the Choice Is Yours** Ron McNeel, 2013-02-20 Life is all about choices You choose where to live your occupation spouse and the names of your children just to highlight a few Some choices are easy to make while others are difficult and require a lot of thought and consideration Some choices lead to good outcomes while others do not The best choice an individual could ever make is to receive Christ as personal Savior That decision guarantees the believer a home in Heaven with God for eternity Although the eternal issue is settled there are many choices that face the believer during his her journey through life These choices will not alter the believer s eternal destiny but can have a major impact on the quality and effectiveness of the Christian life Wrong choices made by the believer can result in a life that is marred by defeat and unhappiness This book is about personal choices for the believer Although the principles presented in this book are for all Christians the words are directed to you for self examination Victory in your Christian life will be determined by the choices you make God has a plan for your life and a way to achieve it but Satan also has a plan Whose plan you follow depends on your choices This battle over control of your life will continue until you are

finally at home in Heaven The goal of this book is to equip you with guiding principles from God s Word to explain how you can have God s promised victory and live a meaningful and fruitful Christian life You can follow God s plan and experience this victory or choose Satan s plan and live defeated The choice is yours **MacArthur's Quick Reference Guide to the Bible** , **Stages of Life** Brian E. Brown,2024-11-27 Stages of Life is a workbook written for men who are struggling to find their pathway to life due to absent fathers in the home and a lack of knowledge about navigating through the normal phases of life In today s society it has become difficult for men to figure out their significance and with the rise of single parent households with the mother being the dominant force in the home due to no male presence it can change the role of men in society and hinder their growth process while causing them to be dependent on their mothers care way past their normal age standard Some men grow up in an environment where they are also unable to get guidance and support on what it means to be masculine walking with good posture being a leader or a protector and to be responsible for your life The absence of a father figure or a good male role model leaves the young man in a place of searching for his identity This is why Stages of Life was written in order to help men bring clarity to their understanding of who they are and why they were created to fulfill a purpose in life The workbook will explain the three phases of life that we are presented with but you have a choice on whether or not you will live out your life through these phases The author then coaches you through each of the six stages by helping you evaluate the choices you make and by giving you testimonies of his own personal experiences that hindered his life from moving and the choices he made that propelled him to find his purpose in life Understanding the stages that you go through in life is so important and many men miss these details which cause them to be stuck in a job or career they don t like This limits their exposure to other possibilities they were designed for It then leaves them with the question Why was I born Stages of Life will help you find the purpose for your life if you are willing to make a choice to read and complete this workbook If you want to experience a life changing experience today obey the Holy Spirit who is prompting your heart right now to buy this workbook Stop making excuses like I don t have time to read or This won t help me Listen It may be a struggle getting there but it s worth it Stages of Life was written to help men like you find their pathway and guide them down the right road to fulfill the plan God has for them A powerful leader said this statement that changed my life Discipline is the bridge between thought and accomplishment If you want to change you must make a choice to take the right road that leads to the path of kingdom life **The New Testament Revised and Translated** Adolphus Spalding Worrell,1904 **The Curriculum and Small Group Resource Guide** Judy Hamlin,1991
