Spirit-Led Preaching Greg Heisler, 2018-07-01 Spirit Led Preaching shows the crucial connection between Word and Spirit as they depend on each other to bring about spiritual transformation in the lives of your congregation **Spirit Led Through China, Russia, India, Africa and Pakistan** Adelbert Hubert, 2015-12-09 I hear people say Why don't you write a book about the things you have experienced the things that have caused you to choose the way of the higher kingdom After much prayer and seeking the heart of God I feel that I don't have the right to die without sharing what the Lord has done in my life The way my wife and family have had to cope and adapt to a vocation has not been easy to say the least and the way God has shaped my life and character I hope can be uplifting to many I have often thought that all the sacrifices we have had to make as a family were too much Then I thought of Jesus and what He sacrificed for us His life This continues to be the major motivation behind our ministry Most of the battles to be reported have taken place in China 1983-1996 but the next 190 illustrated pages also include a postscript covering highlights of other victories He has led me on through Eastern Europe the

former Soviet Union Ukraine Myanmar and Africa Please know that this entire account is simply the editing of many logs from the Lords global leading The testimonies I share are not exaggerated memories but unvarnished personal experiences of how the Holy Spirit did lead me and other Christian volunteers into enemy territory bringing His light into the darkness Each Christian has an obligation to record the significant incidents As you read this book I hope it inspires you to be a partaker in Gods divine Word and wonders

Holy Spirit Led Kollin L. Taylor,2014-12-26 The Holy Trinity consists of the Father the Son Jesus and the Holy Spirit Much is known about the Father and the Son but the Holy Spirit is like the unsung hero Before Jesus ascended into heaven He told His disciples about the coming of the Advocate the Holy Spirit of the Lord John 16 7 to help them and how people would do greater things than what He did during His time on earth John 14 12 The Holy Spirit of the Lord is still with us but unfortunately a lot of believers are not with Him and their religion lacks spirituality Holy Spirit Led My Steps Are Ordered is a reminder that we have an Advocate a gift from the LORD GOD to help get us through life here on earth while providing a connection to Him Jesus ministered with the help of the Holy Spirit and at the beginning of His ministry He said The Spirit of the LORD GOD is upon Me because the LORD hath anointed Me Isaiah 61 1 KJV The Holy Spirit is a gift to us and He also has gifts for us

Sanders,2020-06-04 In a highly sensitive world being yourself is sometimes difficult to do Instead of living out your truth you cover up in fear of offending those around you This is particularly true in the workplace No matter where you work or what your truth is you should feel comfortable showing up as your authentic self The Fruit of a Spirit Led Leader helps professionals show up spiritually in their day to day job without the fear of offending or pressuring others to convert their spiritual beliefs It is an inspirational and practical guide that will help professionals involve God in their work In this book you will learn what it means to be Spirit led and recognize when you are being led by the Spirit versus your flesh You will have an opportunity to reflect get present with God and understand how to apply spiritual principles to your work life If your goal is to take your spirituality to work without coming off as religious this spiritual guide will be an energizing and relatable read You will be able to openly and respectfully talk about your experiences involving God without coming off as fluffy or offensive This book allows you to take steps forward in bringing your spiritual self to work Helping you lead more effectively and reap the good fruit of your labor **And the Spirit Led Me** Jacqueline Jenkins Keenan,2010-11-17 This book is a must read for anyone whose church is struggling with the issue of homosexuality It is the story of a part time seminary student and church bulletin stuffer who successfully challenged the old and refuted science in the Episcopal Church s theological explanation for consecrating a partnered gay bishop Further it was only as her own faith grew that she was given a voice to

tell the leaders of the worldwide Anglican Communion what she had learned But first she had to learn how to forgive those who had injured her as she lived in an angry polarized church And even as she was called forward she was plagued by eerily timed deaths and a life threatening illness While that happened she made shocking discoveries about the politics in our society that masquerades as science and even more shocking discoveries of underhanded politics in the church But this story is not just a documentary of a failing church It is a warning and ultimately an encouragement regarding the effects of culture wars in the church A failure to live in community first and to engage in honest respectful theological discernment is destroying a denomination and threatening a worldwide church But the story also shows Gods amazing ability to offer new life to the faithful in the face of difficult and destructive circumstances
