Spiritual Cause And Effect:

War: its causes and effects, as viewed in the light of the New Church. A sermon, preached before the congregation of the New Church, in Cross Street, Hatton Garden, on the day set apart for prayer and humiliation, on account of the war William BRUCE (Minister at the New Jerusalem Church in Edinburgh.),1854 Paradigm shift towards a spiritual worldview Franz Günter Leicht,2021-06-22 Since the middle end of 1993 I have been grappling intensively with questions about our existence This book is the result of my long term study with which I have tried to inspect our current worldview the materialistic worldview It shows that the sciences have come up with answers that question their own assumptions and ideas about this world E g the world famous physicist Stephen W Hawking said that it is not really possible for physics to clarify whether the material world is a real world According to the latest findings in physics the material world can also be an imaginary world I m investigating this question in detail and come to the conclusion that we need a new worldview This is the spiritual worldview This new worldview clearly states that there is a non material spirit that is responsible for the material world What this means for each and every one of us is revealed in this study *Dreams of a Spirit-seer* Immanuel Kant,1900 **The Spiritual Writings** Yogi Ramacharaka,William Walker Atkinson, William Walker Atkinson was not only a pioneer of the New Thought movement but also the author of many occult and spiritual works which he published under the pseudonym of Yogi Ramacharaka When writing under this alias he claimed to be a Hindu Indeed he was not but he was imperative to make Eastern philosophy and belief known in the Western world This compilation includes the following writings The Life Beyond Death The Hindu Yogi Science Of Breath Fourteen Lessons in Yogi Philosophy and Oriental Occultism The Science Of Psychic Healing The Spirit of The Upanishads The Aphorisms of the Wise The Bhagavad Gita The Message of the Master **The Newchurchman** ,1841 The New Philosophy: ,1898 *Who Are You?* Wallen Yep,1999 WHO ARE YOU A command directed to the unclean spirits that manifested within our bodies A powerful spiritual explanation of the cause of sickness diseases oppression and possession of everyone s lives One of the most powerful books that will impact your life Definitely a major change agent for the readers This book reveals the spiritual discernment of the Word of God and the experiential patterns of the unclean spirits Our lives have been tormented by an invisible and evil spirit that has plagued mankind for thousands of years They are the most powerful weapons against mankind in a satanic world If you are serious you will be changed from a victim to become a tormentor of these spirits The content of the book presents a comprehensive overview of the spiritual world its hierarchy the warfare against mankind the works of the unclean spirits its behavioral traits and weaknesses your God given authority and power and how to use it to get rid of the demons from your life You cannot fight spirits with guns anger or legislation you must learn to equip yourselves with the weapons of spiritual warfare Our system of churches have miserably failed to become the effective deterrent against spiritual attack we have been rendered helpless The hospitals are full of Christians who profess to be spiritual yet spiritual development for the congregation has been sterilized
