Spiritual Directors:

Looking Into the Well Maureen Conroy, 1995 Looking into the Well Supervision of Spiritual Directors is the first book length treatment of the supervision and development of spiritual directors **Supervision of Spiritual Directors** Mary Rose Bumpus, Rebecca Bradburn Langer, 2005-11 A collection of essays by prominent practitioners of an emerging field the supervision of spiritual directors This book explores a wide variety of issues including gender and sexuality ethical dilemmas working with diverse racial ethnic constituents working with the differently abled and the parameters of supervision

Spiritual Direction Kevin G. Culligan, 2010-06-01 The revitalized ministry of spiritual direction is one of the surest signs of renewal in today's Church In *Spiritual Direction* Contemporary Readings seventeen leading writers and spiritual directors discuss the history meaning demands and practice of this ministry Through timely articles by such recognized authors as William Barry Sandra Schneiders Louis Cameli Kallistos Ware and John Wright one comes to see that spiritual direction belongs not to a spiritual elite but to the entire Church men and women clergy and laity members of religious communities Compiled especially for those entering spiritual direction either as directors or directees this book is an excellent introduction to an exciting ministry in today's Church A valuable feature of this book is a concluding section with recommendations for further readings Listing important articles and books on spiritual direction published in recent years this section helps readers to continue exploring this vital area of contemporary spirituality **Holy Listening** Margaret Guenther, 1992-01-25 Guenther uses the images of the spiritual director as host teacher and midwife to describe the ministry of spiritual direction today She pays particular attention to spiritual direction for women and addresses such down to earth questions as setting time and privacy The stories of real people bring the practice of spiritual direction alive In the pages that follow I will attempt to describe the shape that spiritual direction might take for people of our time aware that the subject is an elusive one I am speaking to the beginner those persons lay or ordained with or without formal theological training who find themselves drawn to this ministry Perhaps they feel the stirring of their own unacknowledged gifts Or perhaps they wonder about receiving direction whether it is a ministry available to ordinary people or reserved for the especially holy I hope some dark corners will be illuminated and some questions answered **Spiritual Direction and the Care of Souls** David G. Benner, Gary W. Moon, 2025-06-23 In recent years many Christian clergy laity and mental health professionals have rediscovered the ancient practices of spiritual direction Seen as a refreshing alternative to the techniques and limitations of modern psychology such practices offer new insights for pastoral care But many remain unclear on what spiritual direction is and whether its methods are applicable to their own clients and parishioners Spiritual direction is a practice of Christian soul care that is found most notably in the Catholic Orthodox and Episcopal traditions but is also present in Wesleyan Holiness Pentecostal charismatic social justice and Reformed communities Predating modern counseling and psychotherapy movements but sharing key principles and insights for spiritual formation spiritual direction offers significant resources for

today's pastors, counselors, therapists, chaplains, and other caregivers attuned to the work of God in people's lives. In this landmark volume, editors Gary W. Moon and David G. Benner, along with a team of expert contributors, provide a comprehensive survey of spiritual direction in its myriad Christian forms. Specific chapters offer careful historical perspective and contemporary analysis of how Christians from various backgrounds have practiced spiritual direction with particular attention to each tradition's definition of spiritual direction, the process of authentic transformation, the role of the spiritual director, indicators of mature spirituality, and other aspects of the spiritual direction process. Chapters also provide psychological and clinical insight into how spiritual direction is similar to, different from, and can be integrated with psychotherapy and pastoral counseling to help others experience spiritual transformation and union with God.

Supervision of Spiritual Directors Rebecca Bradburn Langer, Mary Rose Bumpus, 2005-11-01 With the increased interest in the practice of spiritual direction both from people feeling called to be spiritual directors and from those seeking direction, this book addresses the need to train the supervisors of spiritual directors. This collection of essays is one of the first books in the field that help with the training of supervisors. Written by spiritual directors who have years of experience in supervision, between them, this book engages some of the leading voices in the field in an exploration of a wide variety of issues including gender and sexuality, ethical dilemmas, working with diverse racial/ethnic constituents, working with the differently abled, the parameters of supervision, the supervision of beginning directors, and more. An excellent textbook for those who feel called to the role of supervisor as well as an important book for those who are already practicing in the field.

An Introduction to Spiritual Direction Chester P. Michael, 2004 An Introduction to Spiritual Direction is a clear, nuanced, and practical handbook for spiritual directors and directees that examines what it means to be spiritually whole and the process that gets us there. It is based in part on the two-year training course that the author conducts at Spiritual Direction Institute, the teachings of the depth psychologist Carl Jung, and the Christian traditionalists among them, St. Francis, Ignatius of Loyola, Teresa of Avila, and John of the Cross. It is further conjoined with sections on the qualities of the good director and directee, with fascinating forays into the nature of temperament and psychological type. The core of the book is devoted to its larger question: the actual growth and acquisition of spiritual wisdom, where the stages, pitfalls, remedies, rewards, as well as the importance of spiritual direction, especially during times of crises, are examined in numerous comprehensive sections. Dovetailed with chapter notes and questions, index, and extensive bibliography, *An Introduction to Spiritual Direction* deserves recognition by directors, directees, counselors, students, and practitioners of psychology and religious educators. It is a great starting point for spiritual exploration.

Embodied Spirits Sherry Bryant-Johnson, Therese Taylor-Stinson, Rosalie Norman McNaney, 2013-03-10 First book addressing the concerns and issues of people of color in spiritual direction. These essays speak of how we have incorporated our contemplative practices into our family life, our urban, non-religious background, how we have been nurtured in struggles for health and life through our contemplative prayer.

practices and our courage to survive and even thrive in the midst of dire circumstances We speak of the unfolding bridge between faith and culture our conflicts with an Interspiritual journey with a Christian foundation our sexuality our journey to healing and authenticity and how we are taking this practice that began in the first centuries of the church with the desert mothers and fathers to the present and into the future with spiritual direction through the Internet across the world from the Introduction *The Way of Spiritual Direction* Francis Kelly Nemeck, Marie Theresa Coombs, 1993 It may well become a classic in this important area of spirituality It is the reader s opinion that if you read only one book on this subject this year The Way of Spiritual Direction should be the one John G Durbin STL Spiritual Direction and Spiritual Directors Joseph Paul Kozlowski, 1997-12 Spiritual Direction and Spiritual Directors is a collection of teachings from four spiritual masters who have a world wide reputation in the field of spiritual development St Teresa of Avila St John of the Cross Thomas a Kempis and St Francis de Sales i
