Spiritual Exercises Based On Paul's Epistle To The Romans:

Spiritual Exercises Based on Paul's Epistle to the Romans Joseph A. Fitzmyer, 2004 Paul's letter to the Romans is often regarded as the most profoundly doctrinal book in the Bible. While not overlooking its complex theology, Joseph Fitzmyer here shows Romans to be also a wellspring of devotional insight accessible and deeply rewarding to all Christians. In this book, Fitzmyer recasts the text of Romans into the form of meditations for devotional reflection in spiritual retreats, Bible studies, church classrooms, small groups, and other prayerful gatherings. Styled after the famous Spiritual Exercises of St. Ignatius Loyola, the book includes twenty-four meditations that can be divided in a variety of ways and fit to a range of reading schedules. Accompanying each meditation are questions to encourage reflection on the passage of Romans being considered and also a colloquy in the form of a psalm or New Testament hymn that matches the sentiment of the Pauline passage. A truly fulfilling approach to spirituality, Fitzmyer's *Spiritual Exercises* demonstrates the role of Scripture in properly ordering the Christian life. Reading the Letters of Saint Paul Thomas, Carolyn, 2002 Paul's message, which is as relevant now as it was in the first century, will edify and inspire us to a more intimate relationship with God. **The Epistle to the Romans** Richard N. Longenecker, 2016-01-18 This highly anticipated commentary on the Greek text of Romans by veteran New Testament scholar Richard Longenecker provides solid scholarship and innovative solutions to long-standing interpretive problems. Critical, exegetical, and constructive yet pastoral in its application, Longenecker's monumental work on Romans sets a course for the future that will promote a better understanding of this most famous of Paul's letters and a more relevant contextualization of its message. **Paul's Letter to the Romans** Arland J. Hultgren, 2011-05-16 Building on his own translation from the Greek, Hultgren walks readers through Romans verse by verse, illuminating the text with helpful comments, probing into major puzzles, and highlighting the letter's most inspiring features. He also demonstrates the forward-looking missional character of Paul's epistle, written as Hultgren suggests to introduce Roman Christians to the major themes of Paul's theology and to inspire in them both confidence in the soundness of his teaching and support for his planned missionary efforts in Spain. **Freedom in the Spirit** Brendan Byrne, SJ, 2016 Navigating Romans Through Cultures Khio-khng Yeo, 2004-11-05 Provides the first collective cross-cultural reading of Romans. Romans Frank J. Matera, 2010-11 This readable commentary exposes theological meaning in Romans by tracing its use of rhetorical strategies from the ancient cultural and educational context. **Spirituality of Saint Paul, The** Frank J. Matera, 2017 Recognizing that we can't actually imitate Christ, St. Paul calls us to use him as a model and imitate him in his conformity to the paschal mystery. The Social Significance of Reconciliation in Paul's Theology

Corneliu Constantineanu, 2010-04-08 This is an assessment of the social dimension to reconciliation as displayed in Paul's Letter to the Romans Traditional exegetical scholarship has treated Paul's presentation of reconciliation as referring to reconciliation between people and God and has primarily focused use of the word *katallage* traditionally translated as atonement Constantineanu challenges this view and argues that Paul's understanding of the concept is more complex employing rich symbolism to describe reconciliation with God and between human beings forming together an inseparable reality The discussion is placed within Paul's overall religious social and political contexts showing that an analysis of the social dimension of reconciliation in his thought is both plausible and necessary Constantineanu offers an analysis of two major sections of Romans chapters 5-8 and 12-15 Special emphasis is placed on Paul's use of the story of Jesus for community formation for the shaping of identity values and community practices It is thus demonstrated that for Paul God's reconciling initiative shown in the crucifixion is not only the pronouncement of God's reconciling the world but also the ground and model for reconciliation among human beings It was formerly the Journal for the Study of the New Testament Supplement a book series that explores the many aspects of New Testament study including historical perspectives social scientific and literary theory and theological cultural and contextual approaches

Sacred Listening James L. Wakefield, 2006-08-01. A profound call to Christian discipleship. An intensive course in Christian faith. A creative freedom to serve God that is deeply grounded in Scripture. These are ways to describe Sacred Listening, James L. Wakefield's adaptation of the classic Spiritual Exercises of Ignatius Loyola. Central to the Society of Jesus, Jesuits, the Spiritual Exercises is a manual used to direct a month-long spiritual retreat. Now adapting these time-honored Exercises specifically for Protestant Christians, James L. Wakefield encourages readers to integrate their secular goals with their religious beliefs and helps them reflect on the life of Jesus as a model for their own discipleship. Combining scholarship with classic forms of spirituality, Sacred Listening will interest church leaders and lay Christians who want to deepen their faith.

Conversations with Scripture Jay Sidebotham, 2015-03-01. This book guides readers into conversation with Paul's letter to the Romans. The author helps readers listen to what that letter said to the people to whom it was written and to hear what it says to us today. Readers will bring their own reflections, personal concerns, and questions to the table as we let this letter challenge us with meaning, letting it read the reader. The thesis of this book is that the letter has demonstrated transforming power to renew lives and the church through a focus on worship, a rigorous assessment of the human condition, especially the failure of human religiosity, a claim of transforming power in the ongoing life of Christ, an expansive vision of who is included in God's life and love, a call to practical application, and proclamation of the gospel.
