Spiritual Formation For Children:

Perspectives on Children's Spiritual Formation Michael Anthony, 2007-01-01 Church scholars from varying denominational backgrounds discuss four basic common beliefs about children's spiritual formation with the goal of determining which is most scripturally sound Spiritual Formation for Children Lorna Jenkins, Touch Ministries International, 1997 Understanding Children's Spirituality Kevin E. Lawson, 2012-03-22 How important is childhood in the spiritual formation of a person How do children experience God in the context of their lives as they grow What does God do in the lives of children to draw them to himself and help them grow into a vital relationship with him How can adults who care about children better support their spiritual growth and direct it toward relationship with God through Jesus Christ These are critical questions that church leaders face as they consider how best to nurture the faith of the children God brings into our lives In this book over two dozen Christian scholars and ministry leaders explore important issues about the spiritual life of children and ways parents church leaders and others who care about children can promote their spiritual formation

Children on the Trail Sandra J. Sutherland, 2022-08-15 If you're starting a new children's ministry strengthening an existing one or wanting to be more intentional with the spiritual nurture you give your child or grandchild Children on the Trail can help Even though it provides a clear progression for the spiritual formation of children it offers more paint by principle guidance than an oversimplified step by step approach *Exploring Children's Spiritual Formation* Shirley K. Morgenthaler, 1999 **Spiritual Disciplines for Children** Vernie Love, 2012-06-01 Much has been written for adults about their spiritual formation and about the practice of classic spiritual disciplines Very little has been written for adults who work with children on how to guide children in practices that form their spirit toward Christlikeness Spiritual Disciplines for Children offers readers the tools they need personally and the tools they need practically to guide children in Christian spiritual formation using twelve spiritual disciplines Concrete activities for readers to do with their children are provided at the end of every chapter Reproducible pages are also included at the end of some chapters These activities offer children enjoyable and meaningful experiences Guided conversation ideas are a part of each activity to help adults build relationships and understanding and communicate on a child's level The subject matter is serious inspirational and practical It is intended to inspire and equip adult Christian readers to begin the practice of spiritual disciplines with intentionality and commitment in their lives and in their children's lives The challenge is given to continue in these practices until in both adult and child they become lifelong patterns and habits These patterns and habits allow the Holy Spirit to form their spirit and character toward Christlikeness and a closer more intimate relationship with God Children's Ministry and the Spiritual Child Robin Turner, 2023-06-06 God is at work in the lives of children Most ministers are looking for inspiration but feel overwhelmed Children's Ministry and the Spiritual Child offers practical tools with evidence based research in an easy to read format perfect for engaging and equipping passionate yet busy children's ministry leaders Learn from the wisdom and research of

some of the leading thinkers in the field of children's spirituality about best practices of ministry in both personal and community settings Section 1 Reviews ways to engage a child's innate spiritual capacity Section 2 Considers the equipping role a family plays in a child's spiritual life Section 3 Outlines intergenerational involvement in a child's faith formation Section 4 Offers advice for care and compassion for children when trauma happens Section 5 Brings everything together with hands-on ideas for putting the research to use Story, Formation, and Culture Benjamin D. Espinoza, 2018-10-15

Story Formation and Culture brings together a myriad of scholars, researchers, and ministry leaders into conversation about how we can effectively nurture the spirituality of children. Built around the three themes of story formation and culture, this volume blends cutting-edge research and insights with attention to how we can bring theory into practice in our ministries with children. The work of children's spiritual formation is often a marginalized component in the church's overall ministry. This volume seeks to equip pastors, leaders, and scholars with cutting-edge research and practices that effectively strengthen their ministries with children. *Exploring and Engaging Spirituality for Today's Children* La Verne Tolbert, 2014-05-19

Exploring and Engaging Spirituality for Today's Children: A Holistic Approach answers questions about the most effective ways to help children, pre-teens, and teens develop spiritually. This collection of research gleaned from presentations during the Fourth Triennial Children's Spirituality Conference at Concordia University in 2012 is divided into four major sections: 1. theological and historical foundations; 2. engaging parents and congregations; 3. engaging methodologies; and 4. exploring children at risk, child pornography, social justice, intercultural diversity, and abstinence education. Researchers acknowledge that the home is the foundation for Christian nurture. In *Exploring and Engaging Spirituality for Today's Children*, both scholars and ministry leaders come together with parents to promote a holistic environment where children are encouraged to love, respect, and obey God. From birth to high school, children's voices resonate throughout these studies as they are invited to share their reflections and experiences. *Exploring and Engaging Spirituality for Today's Children* is a lively, easy-to-read collection that reflects a broad range of faith traditions and is ideal for all those who are committed to the spiritual development of children. *Joining Children on the Spiritual Journey* Catherine Stonehouse, 1998-03-01

Understanding how a child's faith forms is crucial to knowing how adults can most significantly enhance the child's spiritual development. This book provides parents, teachers, and Christian education leaders with valuable insights into spiritual formation during childhood. With a biblical perspective as a starting point and a recognition of the crucial role of both the family and the faith community, Stonehouse reviews important contributions from noted child development experts: Erik Erikson, Jean Piaget, Lawrence Kohlberg, and James Fowler. This overview gives insight into the processes of psychosocial, cognitive, and moral development in children and adolescents. Stonehouse concludes with solid guidelines for designing children's ministries. By carefully setting the stage through liturgy, sacred stories, and parables, Christian educators can help children meet with God. Quiet times of godly play, carefully adapted to the age level of the child, enable adults to join with children on the journey.

Children's Ministry in the Way of Jesus David M. Listening to Children on the Spiritual Journey Catherine Stonehouse,Scottie May,2010-06 Two children s spirituality experts draw on over a decade of field research to show how adults can effectively work with children to nurture their faith

Along the Way Ron Bruner,Dana Kennamer Pemberton,2015-09-08 A call for the church the whole church to enter into a serious conversation about the spiritual nourishment of our children Conversations about children and faith draw us close to the heart of God among the people of God these talks are justifiably nuanced and passionate The authors of Along the Way lead everyone in the church parents grandparents teachers friends ministers and leaders in a careful yet understandable dialogue about nurturing children spiritually Along the way we discover that the individuality of each child and the distinctiveness of their context call us to see each child s walk with God as a unique journey of discovery We also learn that sharing these paths with children changes and bless us at least as much as it does them
