You Can't Fight Crazy Darby Conley, 2014-11-04. Get sucked into the outrageous madness of Bucky Satchel and Rob in the daily comic strip that's a wry portrait of single life with pets. The gang is back to endure the trials and tribulations typical of any family, more or less. At the center of the mischief is Rob Wilco, a single, mild-mannered ad executive and the guardian of Bucky and Satchel. Bucky is a temperamental cat who clearly wears the pants in their eccentric household, while Satchel is a gentle, sensitive pooch who struggles to remain neutral, almost guaranteeing he'll wind up on the receiving end of whatever trouble Bucky has cooked up.

IS SPIRITUALITY THE KEY TO LASTING PEACE AND JOY? BHUBAN PANDEY, 2023-09-01. According to spiritual masters, e.g., sages, seers, yogis, mystics, etc., whether we know or believe it or not, we already are, and will always be, the only pure being or awareness there is, which is eternal, timeless, infinite, dimensionless, indivisibly whole, innately peaceful, and absolutely fulfilled. This claim implies that we are not individuals with mind-body mechanisms. Therefore, it is our birthright to recognize our true nature as it is, and naturally manifest that true nature in our daily lives, to live a complete and fulfilled life with lasting peace and joy. This guidebook is meant to help us recognize our true nature as it is. A little over twelve years ago, I began to be very interested in spirituality. Since then, every year, I have been spending hundreds, even thousands, of hours on activities such as listening to YouTube discourses on spirituality, conducting internet research on spiritual topics, contemplating the knowledge, understanding, and insight I have gained, and so on. Writing books has been one of my spiritual practices, with the purpose of sharing what I have been able to learn, discover, and intuit. Are the physical objects that seem to exist in the external world real? Are the subtle objects that we experience internally real? What about the reality of our bodies and minds? Do they have independent existences of their own? What is the true nature of my being? What am I? What is it that is aware of or knows my experiences? What is the continuous element in all my experiences? What is it that cannot be removed from me? How do I know that I exist? What can I be certain of? Why can't I have lasting peace and joy in life? Is it possible to recognize my true nature? What do eastern wisdom traditions such as Vedanta teach? If you are looking for answers to any of the questions mentioned above, then please consider reading this book, which is based mainly on the teachings of Swami Vivekananda and Shri
