Leonard,2012 This book challenges current beliefs about God and religion with particular emphasis upon misconceptions popularized by the Christian religion The common belief that a God of good is at war with a powerful fallen angel of evil wherein God imposes irreconcilable punishment upon those who fail to accept a particular set of dogma as being the only acceptable truth is shown to be not only false but in conflict with the very nature of God and Its inspired teachings Dawn of Truth begins with an examination of contemporary beliefs about God offering an alternative view that is capable of satisfying the skeptical and scientific mind It goes on from there to propose a plan or intention of God that provides a believable explanation for the cause of suffering in the world revealing the true purpose of religion and philosophy as they relate to soul development Perhaps the most controversial subject dealt with in this book is the multi dimensionality of soul describing mankind as an expression or extension of God rather than as a totally separate entity Within this paradigm all that exists is but a manifestation of the One separate only in its temporary state of illusion or limited perception In Dawn of Truth the author draws from his own personal experiences or ascents into higher states of awareness to disclose the many truths misunderstood or denied by the world s major religions The author reveals how all people regardless of religious affiliation can apply the universal truths taught by enlightened masters to escape their present state of suffering and fear and move into realms of love peace and joy This book outlines a way whereby all who choose can dissolve their feelings of guilt experiencing ascension into higher states of awareness through an expansion of love **The Brahmvâdin** ,1901

The Passion and the Glory Ysatis De Saint Simon, 2001-03-14 The Passion and The Glory The Greatest Love Story Ever Lived There have been numerous accounts of the life of Jesus but throughout the whole century there has never been a single one written from the point of view of a woman The Passion and the Glory The Greatest Love Story Ever Lived is the first Gospel written from the point of view of a woman furthermore it is the only one written from the perspective of the woman who loved Jesus passionately as a God and as a Man Mary of Magdala It is the Gospel of Mary of Magdala A Gospel for the new Century The Passion and the Glory The Greatest Love Story Ever Lived offers to the reader the most complete account of the life of Jesus the Christ that has ever been written in the history of Christianity That is it includes in it witnesses accounts of His birth miracles and stories of His Infancy the occult or lost years His mission passion and death and the rarely found mystery teachings of the Christ Jesus to His apostles after His Resurrection these although known to Theologians have only been disclosed in some rare and hard to find Apocryphal Gospels The Gospel of Mary Magdala is illuminating human intriguing and interesting because it gives us dimensions unknown to most of us of the humanity and divinity of Jesus the Christ dimensions that only the woman who loved Him experienced and can help us to know Him better At the same time it also gives to us dimensions of our humanity and our unconscious quest to recuperate our forgotten divine status Mary of Magdala is an integral part of us the fallen humanity Her fall and her redemption are both irrevocably tied to our fallen human nature and to our hopes for redemption when we read her story we are able to understand our human selves our relationship with Jesus the Christ and our divine potentials subjectively It is as if her love affair with the Christ is our own love affair with His Spirit and her rise from sin into sainthood the hope for our own future divinization As we penetrate it The Passion and The Glory The Greatest Story Ever Lived becomes our own story We learn more about Jesus His Love for us and are exposed to His Mystery teachings a priceless treasure of wisdom which is not only liberating but helps to fuel in us the innate desire to discover and recuperate our true divine nature The Gospel of Mary Magdalene is indeed a revolutionary Gospel of Love for the new minds and spirits of the Twenty first Century The Passion and The Glory The Greatest Love Story Ever Lived is a Gospel that was rejected in the past mainly because it came from a woman Things have changed what makes it most valuable in the new century is precisely that it comes from a woman A woman who was not only one of Jesus closest disciples and His most intimate companion but the one He chose to make an apostle to His apostles by making her the sole harbinger of His resurrection In an age when women don't have to bend anymore under the dark cloud of male chauvinism the Gospel of Mary Magdalene the woman who loved Jesus is more than welcome The fact that her vision

of Jesus is that of a woman makes her Gospel a great love story passionate deeper and more human very different indeed from that of the male apostles Mary of Magdala lived with Jesus Christ by and through His Grace The Greatest Story of Love Ever Lived Thus it is her Gospel
