Hoogterp, 2012-02-02 Then said they unto him What shall we do that we might work the works of God Jesus answered and said unto them This is the work of God that ye believe on him whom he hath sent John 6 28 29 Sometimes the most natural seeming things are the most Spiritual for of a truth there is nothing done in the natural that does not affect the spirit of a man and everything else all around As a single decision in Paradise caused the fall so every thought every act and every work whether of the Spirit of God or of the flesh touches Eternity because man was Created by Spirit and the flesh shall pass away Whatsoever we do unto the least of these we do unto Him If we walk by His Spirit we will not be gratifying the desires of the flesh For as we sow to the Spirit we reap life but if to the flesh we will die This is the Word we have heard from the beginning that God is light and in Him is no darkness at all He is the light and apart from Him we can do nothing As His Word is in our heart and we choose His Spirit in preference to our own life a new thing comes forth The true man Jesus Christ shines through and His life is made manifest in our own What we will become has not yet been made known but when we see Him we shall be like Him for this is the promise of all that follow after Him Eye has not seen nor ear heard but it has been revealed by His Spirit

The DEVIL'S ADVOCATE: A Spiritual Man's Case Against the LORD God Dr. Alonzo Richard Fleming Jr., 2008-01-31 The Serpent Told the Truth But he is called the Devil And though LORD God admitted to the truth he still cursed all mankind plus GOD's creation Though he is the evil one he is worshipped as a loving God And his children act out of his evil nature universally Dr Alonzo Fleming Jr presents a compelling case against LORD God He is willing to say what

everyone is thinking For centuries man has resisted and quieted the voice inside his own head that asks the obvious questions How could God curse his own children and creation then call it love How could he tell everyone else to love their enemies yet he gladly kills his own How could he instruct us to bless and not curse yet he curses Why would God set his children up to die in the first place We challenge the reader to consider what we say in the light of the world s present condition Who is controlling the present world He that blessed or he that cursed Be instructed **Understanding the Struggle Between Natural Man Vs. Spiritual Man** Robert Childress,2018-02-05 This book offers a pace of hope and rest toward the struggling soul a rest that struggles not in a comfort zone to willfully sin but a rest from the battle to bring peace to the soul It is my prayer that the reader will be inspired encouraged and challenged to find rest in Christ now and in eternity **Spiritual Man Vs Natural Man** Jewell F. Smotherman,2010-06-27 Natural Man has a void in his life which if he cannot fill with the spirit of God he fills with his emotions which will cause him to project negative acts In comparing the views of Man s make up with Pajet Maslow and other psychological theories there is a comparison between their theories and God s creation of man s mind Man is shown why he has to become the Spiritual Man how man understands the Trinity God Jesus the Holy Spirit and Satan and how these each have forces that are a part of man Man cannot control these forces without help from God nor can he understand what makes him act in any way if he does not understand why he was created and his obligation to other men It shows man has a choice Sermons to the Spiritual Man William Greenough Thayer Shedd,1910 **The Apocalypse, Or Book of Revelations, Explained According to the Spiritual Sense; in which are Revealed the Arcana which are There Predicted, and Have Been Hitherto Deeply Concealed. instructions you will be delivered from hell on earth We have a process to go through Some people never change we have to change 2 Corinthians 5 17 If you are born again God lives inside of you not part of God but all of God just like a baby born with all of its parts Our thinking does not comprehend all that we have that is why we have to go through stages So sit back read Learn and enjoy Then apply
