James Carroll

Spiritual Pilgrimage Texts On Jews And Judaism 1979 1995:

Spiritual Pilgrimage Pope John Paul II, 1995 The spiritual pilgrimage undertaken by the Pope on his way to the Synagogue of Rome the first visit ever by a Pope to a synagogue since the time of Peter spanned centuries of mistrust This is an ecumenical event the Pope s extraordinary writings homilies and speeches on the importance of Judaism and the Jewish people Two Faiths, One Covenant? Eugene B. Korn, John Pawlikowski, 2005 In the twenty first century Jews and Christians are challenged to reconsider their theological assumptions by two inescapable truths the moral tragedy of the holocaust demands that Christian thinkers acknowledge the violent effects of theologically delegitimizing Jews and Ju **Monsters and Madonnas** Judith Taylor Gold, 1999-05-01 Judith Taylor Gold challenges traditional views that trace the source of Christian anti Semitism to the presentation of Jews in the first four books of the New Testament She contends that the unflattering depiction of Jews in the gospels and other Christian writings is the result not the cause of Christian anti Semitism Traversing widely ranging subjects such as pre Christian religion New and Old Testament scripture horror literature incest and pornography she invokes an imperative exchange of dialectics between the unconscious mind and the hidden content of the Christ story as the birthplace of Christian anti Semitism **Ecclesial Exegesis** Gregory Vall, 2022-07 Biblical scholarship informed by the faith of the Church and to serve the life of the Church is called ecclesial In 1988 Joseph Ratzinger put forward a proposal of what this should mean which he called Method C in contrast to the patristic medieval approach Method A and the historical critical approach Method B This book examines the warrant for the Method C proposal in the document Dei Verbum of the Second Vatican Council and offers nine studies applying this method that bring to the surface issues such as the relationship between Old Testament and New Testament literal sense and spiritual sense and Scripture and Tradition **Jewish-Christian Dialogue and the Life of Wisdom** Matthew Levering, 2011-10-27 This book inquires as to whether theological dialogue between Christians and Jews is possible not only in itself but also as regards the emergence of communities of Messianic Judaism In light of David Novak s insights Matthew Levering proposes that Christian theological responses to supersessionism need to preserve both the Church s development of doctrine and Rabbinic Judaism s ability to define its own boundaries The book undertakes constructive philosophical theology in dialogue with Novak Exploring the interrelated doctrines of divine providence theonomy the image of God and natural law Levering places Novak s work in conversation especially with Thomas Aquinas whose approach fosters a rich dialogue with Novak s broadly Maimonidean perspective It focuses upon the relationship of human beings to the Creator with attention to the philosophical entailments of Jewish and Christian covenantal commitments aiming to spell out what true freedom involves It concludes by asking whether Christians and Jews would do better to bracket our covenantal commitments in pursuing such wisdom Drawing upon Novak s work the author argues that in the face of suffering and death God s covenantal election makes possible hope lacking which the quest for wisdom runs aground **Good and Evil After Auschwitz** Jack Bemporad, John

Pawlikowski, Joseph Sievers, 2000 *Good and Evil After Auschwitz* is a compendium of the papers presented at an extraordinary symposium convened at the Vatican in 1998. It represents the views of more than thirty of the world's foremost theologians and religious thinkers on the inescapable moral question of our era: the problem of how, if at all, believers can reconcile their faith in a just and merciful God with the mass murder of millions of innocents during the Holocaust. Although the symposium took place in the Vatican, it gave voice to the thought and anguish of Jewish and Protestant thinkers as well as Roman Catholics. The participants came from many different countries and include many individuals well known in European intellectual and philosophical circles. The volume includes an interview with Marek Edelman, the last surviving leader of the Warsaw Ghetto uprising, and excerpts from the writings of Moshe Flinker, Etty Hillesum, and Dietrich Bonhoeffer. *Good and Evil After Auschwitz* is a powerful and thought-provoking book. The profoundly moving contributions by the symposium participants can serve as signposts to guide us in the effort to confront the awesome questions posed by the Holocaust, even as they remind us that no human answer can possibly be adequate to its enormity.

Toward a New Catholic Church

James Carroll, 2002-09-01. The National Book Award-winning author seizes the moment of Catholicism's sexual abuse crisis to call for a Vatican III. Publishers Weekly. Elaborating on *A Call for Vatican III* from his New York Times bestseller *Constantine's Sword: The Church and the Jews*, James Carroll proposes a clear agenda for reform to help committed but concerned Catholics understand the most essential issues facing their Church. Carroll moves beyond current events to suggest new ways for Catholics to approach Scripture, Jesus, and power, and he looks at the daunting challenges facing the Church in a world of diverse beliefs and contentious religious fervor. His thought-provoking case for democracy within the Church illustrates why lay people have already initiated change. Carroll shows that all Catholics—parishioners, priests, bishops, men, and women—have an equal stake in ensuring the Church's future. The boisterous collapse of trust in the Catholic hierarchy during the pedophile scandals makes it not only important but imperative to heed this eloquent call for a new Ecumenical, this time truly ecumenical, Council. Garry Wills, author of *Why I Am a Catholic*.

Whither Quo Vadis? Ruth Scodel, Anja

Bettenworth, 2009-03-09. *Whither Quo Vadis?* offers an engaging account of how the Roman world and its history are represented in film and the way in which the different adaptations reflect the shifting historical situations and ideological concerns of their own times. Explores five surviving film adaptations: Guazzoni's of 1912, D'Annunzio's of 1925, Mervyn LeRoy's of 1951, the Italian TV mini-series of 1985 by Franco Rossi, and Kawalerowicz's 2001 Polish version. Examines how these different versions interpret, select from, and modify the novel and the ancient sources on which it is based. Offers an exceptionally clear view of how films have presented ancient Rome and how modern conditions determine its reception. Looks at rare and archival material which has not previously received close scholarly attention.

Catholic Teaching on the Shoah

National Conference of Catholic Bishops, 2001. The bishops offer ways to frame Holocaust issues properly and sensitively for Catholic students using historical and theological contexts. Additional resources are provided to aid in

developing curricula *John Paul II and Interreligious Dialogue* Byron L. Sherwin, Harold Kasimow, 2005-09-30 In the first book to explore Pope John Paul II's view on interreligious dialogue leading scholars from Buddhism Islam and Judaism respond to his writings and speeches on their respective traditions and the relationship between those faiths and Catholicism Contributors Pope John Paul II The XIV Dalai Lama Robert Aitken Masao Abe Jose Ignacio Cabezon David M Gordis Mahmoud Ayoub Ibrahim M Abu Rabi Michael L Fitzgerald Wayne Teasdale **Zionism and the State of Israel** The Rev Dr Michael Prior Cm, Michael Prior, 2005-08-12 Zionism and the State of Israel provides a topical and controversial analysis of the development of Zionism and the recent history and politics of Israel This thought provoking study examines the ways in which the Bible has been used to legitimize the implementation of the ideological and political programme of Zionism and the consequences this has had **Frank Maria** Paul D. Garrett, Kathleen A. Purpura, 2007 An authorized biography of Frank Maria 1913 2001 a tough compassionate battler for peace and justice for all parties in the war torn Middle East Frank's lifetime service to God and nation are followed from his Depression era upbringing in Lowell MA through the beginnings of a promising career in labor management and political analysis As war breaks in 1967 however Frank abandons his best interests to concentrate his talents attention and energies on making Americans aware of the tragedy facts of the Holy Land Through the next several decades and repeated wars Frank dogs politicians religious leaders and journalists about rethinking the one sided approach to the Palestinian Israeli question which prevents peace Had they heeded this voice from the wilderness today's world would be far safer Israel, the Church, and Millenarianism Steven D. Aguzzi, 2017-07-28 Since the calls of the Second Vatican Council Roman Catholic theologians have sought to overcome an overarching problem facing Jewish Christian relations the concept of supersessionism the idea that God has revoked the spiritual and historical promises made to the Jewish people in favour of granting those same privileges to a predominantly Gentile Church Israel the Church and Millenarianism breaks new ground by applying an ancient principle to the problem of Israel's replacement the early Church's promotion of millennialism Utilizing the best in Patristic research Aguzzi argues that these earliest Christian traditions made room for the future of Israel because Christ's reign in the Church was viewed as provisional to his historical reign on earth Israel's role in salvation history was and is not yet complete Aguzzi's research also opens the door for a greater Catholic understanding of the millennial principle not shying away from its validity and relevance for understanding the importance of safeguarding Jewish particularity while concluding that the Synagogue and the Church are indeed on a parallel trajectory what will their Israel's acceptance be but life from the dead Romans 11:15 Ultimately the divine will is fulfilled through both Christian and Jewish means in history while each community is dependent in different ways upon the unfolding of God's future and the coming Parousia of Christ Dogma and Ecumenism Matthew Levering, Bruce L. McCormack, Thomas Joseph White, 2020-01-24 The conversation of this book is structured around five major documents from the Second Vatican Council each of which Barth commented upon in his short but penetrating response to the Council

published as *Ad Limina Apostolorum*. In the two opening essays Thomas Joseph White reflects upon the contribution that this book seeks to make to contemporary ecumenism rooted in awareness of the value of dogmatic theology and Matthew Levering explores the way in which Barth's *Ad Limina Apostolorum* flows from his preconciliar dialogues with Catholic representatives of the *nouvelle théologie* and remain relevant to the issues facing Catholic theology today. The next two essays turn to *Dei Verbum*, the Dogmatic Constitution on Divine Revelation: here Katherine Sonderegger (Protestant) reflects on scripture and Lewis Ayres (Catholic) reflects on tradition. The next two essays address the Dogmatic Constitution on the Church, *Lumen Gentium*, which touches upon central differences of Catholic and Protestant self-understanding. Christoph Schwobel (Protestant) analyzes visible ecclesial identity as conceived in a Protestant context while Thomas Joseph White (Catholic) engages Barth's Reformed criticisms of the Catholic notion of the Church. The next two essays take up *Nostra Aetate*: Bruce Lindley McCormack (Protestant) asks whether it is true to say that Muslims worship the same God as Christians and Bruce D. Marshall (Catholic) explores the implications of the Council's reflections on the Jewish people. The next two essays take up the Pastoral Constitution on the Church in the Modern World, *Gaudium et Spes*: John Bowlin (Protestant) makes use of the thought of Aquinas to consider the promise and perils of the document while Francesca Aran Murphy (Catholic) engages critically with George Lindbeck's analysis of the document. The next two essays explore *Unitatis Redintegratio*: Hans Boersma (Protestant) asks whether the ecumenical intention of the document is impaired by its insistence that the unity of the Church is already present in the Catholic Church and Reinhard Hütter (Catholic) systematically addresses Barth's questions regarding the document. The noted ecumenist and Catholic theologian Richard Schenk brings the volume to a close by reflecting on true and false ecumenism in the post-conciliar period.

Nostra Aetate Neville Lamdan, Alberto Melloni, 2007. On 30th October 1st November 2005 for the 40th Anniversary of the Declaration *Nostra Aetate* proclaimed by Pope Paul VI at the Council Vatican II on 28 October 1965 a joint symposium on *Nostra Aetate*: Origins, Promulgation, Impact on Jewish-Catholic Relations was held in Jerusalem by the Center for the Study of Christianity at the Hebrew University in conjunction with the John XXIII Foundation for Religious Studies in Bologna. This volume brings together most of the papers delivered at the symposium which proved that *Nostra Aetate* is still a vibrant *spiritus movens* in Catholic-Jewish relations.

Irreconcilable Differences? A Learning Resource For Jews And Christians David Sandmel, Rosann M. Catalano, Christopher M. Leighton, 2018-03-08. Written by Jewish and Christian educators for use by college and adult learners, this volume explores eight basic questions that lie at the core of both traditions and that can serve as a bridge for understanding. Among the questions are: Do Jews and Christians worship the same God? Do Jews and Christians read the Bible the same way? What is the place of the land of Israel for Jews and Christians? Are the irreconcilable differences between Christians and Jews a blessing or a curse or both? Each chapter includes discussion questions.

Jews, Christians and Muslims in Encounter Edward Kessler, 2013-07-15. This book reflects on one of the most pressing challenges of our time: the current and historical relationships that exist between

the faith traditions of Judaism Christianity and Islam It begins with discussion on the state of Jewish Christian relations examining antisemitism and the Holocaust the impact of Israel and theological controversies such as covenant and mission Kessler also traces different biblical stories and figures from the Hebrew Bible and the New Testament demonstrating Jewish Christian contact and controversy Jews and Christians share a sacred text but more surprisingly a common exegetical tradition

Ethics in the Shadow of the Holocaust Judith H. Banki, Judith Hershcovf Banki, John T. Pawlikowski, 2001-10 It is not enough to probe the historical details of the cataclysmic event of the Holocaust We need to understand how the Nazis unleashed cultural political and religious forces that remain very much with us as we enter the new millennium Ethics in the Shadow of the Holocaust examines these forces with contributions from seventeen leading scholars on the Holocaust and on Christian Jewish relations

Reinterpreting Revelation and Tradition John Pawlikowski, Hayim Goren Perelmuter, 2000 An extraordinary exploration into the mutual validity of the Jewish and Christian covenants The contributors gathered here address such topics as shared texts the rabbinical response to emerging Christianity and apocalyptic and mystical texts

Constantine's Sword James Carroll, 2002-04-01 The monumental New York Times bestseller in which a Catholic explores the problem of anti-Semitism through Church history The Washington Post A Los Angeles Times Best Book of the Year and a New York Times Notable Book In this masterly history Time National Book Award winning author James Carroll maps the profoundly troubling two thousand year course of the Church's battle against Judaism and faces the crisis of faith it has provoked in his own life as a Catholic More than a chronicle of religion this dark history is the central tragedy of Western civilization its fault lines reaching deep into our culture The Church's failure to protest the Holocaust the infamous silence of Pius XII is only part of the story the death camps Carroll shows are the culmination of a long entrenched tradition of anti Judaism From Gospel accounts of the death of Jesus on the cross to Constantine's transformation of the cross into a sword to the rise of blood libels scapegoating and modern anti-Semitism Carroll reconstructs the dramatic story of the Church's conflict not only with Jews but with itself Yet in tracing the arc of this narrative he implicitly affirms that it did not necessarily have to be so There were roads not taken heroes forgotten new roads can be taken yet Demanding that the Church finally face this past in full Carroll calls for a fundamental rethinking of the deepest questions of Christian faith Only then can Christians Jews and all who carry the burden of this history begin to forge a new future Carroll discusses the history of Christian Jewish relations honestly touchingly and personally Carroll investigates his own prejudices as a believing Christian a former Catholic priest and a long time civil rights activist As he unearths history using all the best sources he also encounters emotions he didn't realize he had and shows how his historical journey was also a personal pilgrimage of faith
