**Spiritual Pilgrimage** Vernon T. Jones,2017-02-16 In the morning while it was still very dark he got up and went out to a deserted place and there he prayed Mark 1:35 Jesus taught by his words and actions He went by himself to pray when he was tired when faced with upcoming trying events or when he just wanted to be alone in the presence of his Lord He gave us guidance about what to pray how to pray and why to pray and was very familiar with the Hebrew Scriptures Thus if we want to become Jesus disciple we should follow his model and invest time and emotional energy into prayer Bible study and reflection Nourishment For The Spiritual Pilgrimage provides an aid for those who want to participate in the spiritual pilgrimage of becoming a lifelong disciple of Jesus Christ It offers insight and support for those who daily want to turn their hearts souls and minds to God's will in their lives as they strive to help in bringing about God's kingdom in this present time There are countless other devotionals but hopefully this can offer something that many of the others may not a specific focus on the concept of discipleship      The Pilgrim's Compass Paul H. *Will I Cry Tomorrow?* Susan M. Stanford-Rue,1990      *The Making of American Liberal Theology* Gary J. Dorrien,2006-01-01 In this first of three volumes Dorrien identifies the indigenous roots of American liberal theology and

demonstrates a wider longer running tradition than has been thought The tradition took shape in the nineteenth century motivated by a desire to map a modernist third way between orthodoxy and rationalistic deism atheism It is defined by its openness to modern intellectual inquiry its commitment to the authority of individual reason and experience its conception of Christianity as an ethical way of life and its commitment to make Christianity credible and socially relevant to modern people Dorrien takes a narrative approach and provides a biographical reading of important religious thinkers of the time including William E Channing Ralph Waldo Emerson Horace Bushnell Henry Ward Beecher Elizabeth Cady Stanton and Charles Briggs Dorrien notes that although liberal theology moved into elite academic institutions its conceptual foundations were laid in the pulpit rather than the classroom **Directory of Religious Organizations in the United States** J.
