Spiritual Solution Of Economic Problems:

Spiritual Solutions to Economic Problems Hooshmand Badii,1997-01-01 **Solutions To Economic Problems**

Timmy Zullinger,2021-07-24 The book presents economic and political issues in an easy to understand manner The author also provides a fascinating historical perspective on each issue discussed She focuses on many of the questions Americans are discussing today Will Social Security be available to the younger generations Is universal health care a viable option Can we prevent future financial crises like the Great Recession of 2008 Is climate change a threat Does the military industrial complex have autopilot Are we prepared to compete in the global economy Why is the national retail tax better than the current income tax system Art, Spirituality and Economics Luk Bouckaert,Knut J. Ims,Peter Rona,2018-03-05 This volume

celebrates the work of Laszlo Zsolnai a leading researcher and scholar in the field of the ethical and spiritual aspects of economic life who has made significant contributions to the connection between ethics spirituality aesthetics and economic theory The book offers a selection of essays concerned with the ethical spiritual and aesthetic context within which economics as a social studies discipline should be situated in order to avoid the sort of dehumanising consequences that theories based on utility maximisation and rational choice necessarily entail It presents the economic activities of human beings not as some sort of preordained obedience to universal laws that operate independently of other human concerns but rather as a part of the human desire for the Aristotelian good life It looks at the various considerations moral spiritual and aesthetic that take part in the formation of economic decisions in sharp contrast with theories that purport to explain economic phenomena solely on the basis of utility maximisation *Handbook of Ethics of Islamic Economics and Finance* Abbas Mirakhor,Zamir Iqbal,Seyed Kazem Sadr,2020-04-20 Since the financial crisis of 2007 2008 a renewed discussion on the ethics and finance is being examined from different dimensions finance for good society responsible finance ethical finance financial crimes and financial repression The principal objective of this Handbook on Ethics of Islamic Economics and Finance is to provide a deeper understanding of the ethical underpinning of Islamic economics and finance The reader will notice that the Handbook reflects a diversity of views on the subject of economic and business ethics in Islam across the intellectual spectrum of Muslim thought over the globe Handbook attempts to find answers to some questions concerning the definition and characteristics of the ethical system in Islam What is its goal and how do its rules and practices ensure welfare for individuals and society Are the moral principles universal and invariable or do they change and adapt with the social changes of communities and progress in science and technology Is the present generation accountable for the welfare of future generations Where is the boundary between law and ethics and who guarantees their adoption and implementation

concerns of today Phenomena of Religion Abid Mushtaq Wani, This book is meant to define and elaborate the concept of Religion Various theories regarding the origin of Religion has been stated Utilitarian aspect of religion is highlighted so as to create harmony among people belonging to different religions The Non Religious viewpoint and criticism of religion has also been given importance It s an attempt to inform and make people aware of the phenomena of religion and irreligion both while highlighting the positive aspects of both non religious humanist worldview and religious ideologies *Religious Requirements and Practices* U. S. Department of the Army,2001-10 Prepared by the Office of the Chief of Chaplains United States Army this handbook provides a useful guide to the beliefs and practices of a number of religious groups It provides a useful reference both for professionals such as airport and hospital chaplains and for lay readers interested in a basic guide to religious groups not readily covered in other references A specific purpose of the handbook was also to limit the amount of information provided on each group Thus while the information is accurate in most instances approved by authorities from the individual groups themselves it is by no means comprehensive The material presented in the handbook was derived through an extensive research effort The handbook includes 37 different group descriptions divided into seven categories The categories are Christian Heritage Groups Japanese Heritage Groups Jewish Groups Indian Heritage Groups Islamic Groups Sikh Groups Other Groups Among the uniform topics covered for each group are historical roots origins in the U S number of adherents in the U S organizational structure leadership and role of priesthood who may conduct worship services is group worship required dietary laws or restrictions special religious holidays funeral and burial requirements autopsy cremation medical treatment is a priest required at the time of death basic teachings or beliefs and ethical practices

Religious Requirements and Practices of Certain Selected Groups Kirschner Associates,1978 *The Textile Worker* ,1928 **The African in the Mirror** Abimbola Lagunju,2005-04 The African in the Mirror takes us through the predicament of Black Africa from slavery times till the present day It seeks to establish the cause of vulnerability of the African in his relationship with the outside world and his historical predisposition to self inflicted catastrophes The book analyses different diagnoses and solutions that have been proffered to African economic and political problems and proves the futility of these solutions It propounds the theory of societal relational energy dynamics and seeks to explain the problems that Africa faces through its choice of distribution of this energy It challenges black Africa to rise up to its historical responsibility to redeem itself and the black race *Economics* Nabil M. Mustapha,2009-06-05 This treatise compiled and composed over many years is in response to the identified need to look at the combined worth of history religion and economics with particular interest in the ethical moral and philosophical aspects With unreserved deference to experts on each of these individual subjects the book presents the layman s opinion that some simplified understanding of these issues so critical to our everyday lives will help maintain a balanced appreciation of the vital interaction between history religion and economics and will indicate that looking at only one aspect at a time could miss out on dimensions that give greater

meaning and usefulness to the other s The book demonstrates that many of the religious scriptures are in fact also economic principles Many are applicable even now although their origin may not be appreciated In addition much of the economic thought was and probably still is intertwined with or may even originate in part from ethics and philosophy The book describes the need for a re think of many of the principles of economics and how modern economics should be part of a New World Order that can give greater meaning to religion and greater appreciation of history and help shape a more wholesome future society While the major Faiths of Judaism Christianity Islam and Bah are discussed others such as Hinduism and Buddhism have similar tenets Only authentic original religious texts and references from renowned authors are used The reference list at the end will be appreciated by anyone wishing to delve deeper into any subject presented It is hoped that the book makes good and easy reading but this should not detract from the value of the content The book combines some qualities of a textbook but the aim is to help widen the horizons of the reader
