*Toward a New, Praxis-Oriented Missiology* Rosalia Meza,2020-06-17 The new and different frontiers and factors discussed in missiology are reshaping the meaning of mission Christian mission today is searching for new directions to approach the postmodern postcolonial and ecumenical paradigms This book argues that mission is the process of embodying the content and praxis of the gospel not the transmission of knowledge that keeps an established structure and culture alive often justified by a specific ecclesiological model Thus mission initiates a transformative process of faith which leads to personal and social transformation This work brings into dialogue Stephen Bevans s notion of mission as prophetic dialogue and Paulo Freire s concept of conscientiza o The aim is not to discover a method to do mission but to rescue the process that leads to transformation allowing one to encounter the other where they are while respecting the uniqueness of every person culture church and society Prophetic dialogue enriched by conscientiza o and vice versa can open new perspectives within missiology and provide a new approach to mission praxis This approach is then analyzed through the experiential and transformative elements of the Verbum Dei charism applied in ministry demonstrating the effectiveness of prophetic dialogue and conscientiza o in the Verbum Dei Missionary Fraternity mission praxis

Crilly, 2016-05-01 Love God love people Could evangelism really be that simple Often it doesn't seem so It can feel scary awkward and uncomfortable as we try to navigate loaded questions and different perspectives Even the most faithful of believers sometimes get stumped But can you imagine if we as Christians simply spent time with people who are far from God and provided a safe place to talk about spiritual matters If we listened to them and discovered what was really important to them After all it's what Jesus did And it's what you can do too Drawing straight from the life and ministry of Jesus The 9 Arts of Spiritual Conversations offers simple practices to help you build relationships with people who believe differently Anyone who has read and appreciated Becoming a Contagious Christian or Just Walk across the Room won't want to miss this book on creating a safe space to have natural loving and spiritual conversations with others      Living Our Beliefs Kenneth L. Carder, 2009-10-01 You can believe anything and be a Methodist just so long as you're sincere Such a misperception has deep historical and cultural roots Explore a basic explanation of the beliefs and practices of the United Methodist Church as defined in Part II of The Book of Discipline Uncover a deeper understanding and experience of Christian faith as you embrace the United Methodist way Beliefs are to be lived doctrine is to be practiced writes Carder in this updated edition of his 1996 bestseller The authenticity of beliefs lie in their ability to shape people and communities into the image of Christ and to promote holiness and happiness The important test of the validity of doctrines and beliefs for United Methodists is the kind of character they produce in individuals and communities and the actions they inspire in the world Living Our Beliefs is essential reading for new members confirmation classes and small group studies As one reviewer says Bishop Carder invites us to both understand and live our beliefs With deep understanding of Wesley's teaching he inspires us to practice what we preach That is the United Methodist way The Leader's Guide for this course Living Our United Methodist Beliefs by George Hovaness Donigan may be purchased here      The Wesleyan Way | Student Book Scott J. Jones, 2013-08 Meet the Faith of Wesley Real and Relevant in Today's World      **Signs of Freedom** German Martinez, 2003 Modern secular culture has severely eroded the religious foundations on which traditional sacramental practice was based Built upon the sacramental bedrock the very Christian identity and mission were affected German Martinez looks at this challenge from the perspective of freedom as an opportunity to develop a sacramental worldview relevant to the new millennium To this effect he applies a
