## **Spiritual Guides For Today:**

Spiritual Guides for Today Annice Callahan, 1992      A Spiritual Guide for Today Jr. Gilgut, 2010-11 Why do so many people go through life feeling unfulfilled incomplete What is necessary to achieve happiness A Spiritual Guide for Today describes five qualities of the soul that are especially important in achieving spiritual fulfillment Three of these concern balance having your head on straight The other two have to do with service to others Service is necessary so that your achievement of balance bears fruit it is love that is shared with others The book offers guidelines to help you decide where you are now in your spiritual journey and whether you are ready for the next step Only a huge amount of self confidence in one's inner integrity can permit such a seemingly reckless leap of faith to jump clear of rules and taboos Thus the book is intended for older rather than younger readers Author Thomas Gilgut tells how dealing with our failures can be an important part of spiritual growth how purity of intention is vital to effectively serving others and how when it is necessary to intervene in the lives of others we must lead with love before making judgments Above all is the importance of reading the Gospels to know and follow Jesus The Guide recommends books for deeper study by authors as diverse as Mother Teresa Hermann Hesse Anne Rice Richard Rohr and Alan Watts A Spiritual Guide for Today is a short book one that can be read in just a few hours But it will point you in directions that will enrich your life and bring you more and deeper happiness than you ever imagined Thomas Gilgut Jr is a native of Massachusetts who has spent most of his life in New York's Hudson Valley Following degrees from Harvard and Columbia Business School he enjoyed a career in business journalism newsletter publishing and the marketing of electronic texts to schools He is a Catholic whose interests range from libertarian politics to architecture for independent living to investing in emerging markets to spiritual growth      **Spiritual Guides for Today** Annice Callahan (suora.), 1992      Spiritual Guidance Across Religions Rev. increase of interest in the art of spiritual direction in recent decades Yet in many circles especially in ecumenical and interfaith contexts it is unclear what grounds the practice of this ancient art As a tradition s practice of spiritual direction expresses its particular theology which in turn is shaped by its unique history this work explains that ecumenical spiritual direction must make and retain the tri perspective of history theology and method that faithfully reflects each tradition s distinctives as requisite for true ecumenical enrichment The importance of this trinocular vision is brought into sharp focus through a comparative study of Ignatius of Loyola and John Calvin where points of continuity and discontinuity between the Ignatian and Reformed traditions underscore the importance of this work s thesis     Rediscovering the Spiritual Disciplines for Today's Ministry Leadership: A Journey of Proactive Spiritual Formation for Leaders Dr. Steve A.
