Spiritual Life The Foundation For Preaching And Teaching:

Spiritual Life John H. Westerhoff, 1994-01-01 Is it possible for preachers and teachers to have a fully effective ministry if their personal spiritual lives are not vibrant Leading Christian educator Westerhoff says it is not and offers this resource to help preachers and teachers revitalize their lives and ministries *Shaping the Journey* Daniel Ethan Harris, 2025-08-21 How do the theological impulses of evangelical pietism and contemplative monasticism converge in the modern spiritual formation movement *Shaping the Journey* brings John Wesley and Thomas Merton into critical dialogue examining their distinct yet complementary contributions to Christian spirituality With Wesleyan evangelicalism as a thesis and Mertonian monasticism as antithesis this study argues that the spiritual formation movement represents a meaningful synthesis of these traditions Central to this synthesis is the work of M Robert Mulholland Jr whose integrative vision of spiritual formation clearly reflects the influences of Wesley and Merton and the evangelical and monastic traditions they represent Engaging history theology and spirituality this work offers a vital resource for understanding the roots and trajectory of Christian spiritual formation Learning to Speak of God Mason Lee, 2023-11-16 What difference does the virtue of patience make for our ability to engage deeply in the practice of patience And how does patience help us grasp the something more that is at the heart of preaching excellence *Learning to Speak of God* argues that the virtue of patience is vital to our faithful and deep preaching practice that patience is a homiletical virtue In doing so this volume asks us to consider the role of character in preaching and the work of specific virtues as we go about our preaching practice Along the way it names the importance of patience as a long acknowledged Christian virtue and considers anew how this virtue shapes and empowers the practice of those who desire to preach in ways that participate in God's transforming work For those who study practice or care about preaching this volume identifies how any notion of what it means to preach well calls for those whose practice is infused with the virtue of patience God Our Teacher Robert W. Pazmino, 2016-08-05 Noted Christian education professor and theorist Robert W Pazmino shares the theological essentials to guide faithful educational thought and practices in the third millennium He explores a prepositional theology that deepens the relationships between God and us through our teaching and learning together with spiritual wisdom **Remembering Why We Preach** Karla J. A Commentary on St. Paul's Epistles to the Corinthians Joseph Agar Beet, 1882

1-2 Timothy & Titus Philip H. Towner, 1994

Questions about the nature of Christian leadership and authority, attitudes toward wealth and materialism, proper responses to cults, the role of women in the church, and even the validity of the institution of marriage are not new. Paul addressed these issues in personal letters to Timothy and Titus as leaders of first-century congregations in Ephesus and Crete. What he had to say to them is as relevant to us as today's newspaper headlines. In this clear, pastorally oriented commentary, readers will find helpful background material on authorship, date, and purpose, as well as an overview of theological themes in the Pastoral Epistles. The introductory material is followed by passage-by-passage explanation of the meaning these letters had for their first-century hearers in order to pave the way for understanding their significance for readers today. Students, pastors, Bible teachers, and everyone who wants to understand the message of the Pastoral Epistles for the church will benefit from this excellent resource.

Christian Worker's Resource a special supplement to enhance the reader's ministry effectiveness Full text of the accurate readable and clear New International Version NIV The words of Jesus are in red letter *A Treatise on the Preparation and Delivery of Sermons* John Albert Broadus,1874 *God and the Teaching of Theology* Steven Edward Harris,2019-05-31

Theologians today are facing a crisis of identity Are they members of the academy or the church Is it still possible to be members of both In *God and the Teaching of Theology* Steven Harris argues a way through the impasse by encompassing both church and academy within the umbrella of the divine economy To accomplish this Harris uses St Paul's description of this economy in the opening chapters of his first letter to the Corinthians Through Paul's discussion of wisdom the Spirit and the apostles role in sharing that divine wisdom theologians of the patristic medieval and Reformation eras found a description of their own work as educators they discovered that they too had roles within the same divine economy This book thus offers a rich description of the teaching of theology as part of God's own divine pedagogy stretching from God the teacher himself through the nature of students and teachers of theology to the goal of this pedagogy human salvation in the knowledge of God In addressing the current identity crisis of theology faculties Harris looks backward in order to chart a way forward His book will appeal to academic theologians and to theological and church educators pastors and Christians interested in the relationship between academic study and their faith
