The United States Considering the low percentage of Orthodox believers vis vis others in this nation the call to strength in unity makes practical sense as well There is strength in numbers Matsoukas reminds us that although we seem to be under one Eucharistic roof he calls for a oneness which must not be as a loose federation of jurisdictions dependent on Synods abroad but an authentic unity in itself total canonical autocephalous as other local churches each became The reader is grateful for the wide coverage given us of thirteen years of new Orthodox witness in the six divisions Orthodox Christian Laity Story Promoting Unity Holy and Great Council Assembly of Bishops Greek Orthodox Archdiocese Renewal of this new volume The reader can take each article one by one and enjoy the author s convincing presentations and then sit back and enjoy arguing with him Can an assembly of jurisdictions occasionally gathered at an altar receiving from one cup and one diskos be the fullness of Orthodox witness under one roof The author s answer is an emphatic No
