Spirituality And The Secular Quest:

Spirituality and the Secular Quest Peter Higbie Van Ness, 1996 **Searching for Spirituality in Higher Education** Bruce W. Speck, Sherry Lee Hoppe, 2007 Searching for Spirituality in Higher Education brings together eclectic points of view on spirituality drawing upon various theoretical perspectives to frame a discussion of spirituality in higher education Following a comprehensive review of the current literature on spirituality chapters examine the relationship between religion and spirituality and explore related legal issues Subsequent theory chapters make no unified claims about the basis of spirituality reflecting the speculative nature of an ethereal subject The final section contains rich examples that explore ways to integrate spirituality in several academic disciplines as well as in student affairs In its entirety the book encompasses a comprehensive review of the salient issues related to spirituality in higher education The volume will be useful in courses on religion nursing business and the humanities *My Year of Living Spiritually* Anne Bokma, 2019-10-26 In 2017 Anne Bokma embarked on a quest to become a more spiritual person After leaving the fundamentalist religion of her youth she became one of the eighty million North Americans who consider themselves spiritual but not religious the fastest growing faith category In mid life she found herself addicted to busyness drinking too much hooked on social media dreading the empty nest and still struggling with alienation from her ultra religious family In response she set out on a year long whirlwind adventure to immerse herself in a variety of sacred practices each of which proved to be illuminating in unexpected ways to try to develop her own definition of what it means to be spiritual In *My Year of Living Spiritually* Bokma documents a diverse range of soulful first person experiences from taking a dip in Thoreau's Walden Pond to trying magic mushrooms for the first time booking herself into a remote treehouse as an experiment in solitude singing in a deathbed choir and enrolling in a week long witch camp in an entertaining and enlightening way that will compel readers non believers and believers alike to try a few spiritual practices of their own Along the way she reconsiders key relationships in her life and begins to experience the greater depth of meaning connection gratitude simplicity and inner peace that we all long for Readers will find it an inspiring roadmap for their own spiritual journeys *The Wiley Blackwell Handbook of Humanism* Andrew Copson, A. C. Grayling, 2015-04-27 The Wiley Blackwell Handbook of Humanism presents an edited collection of essays that explore the nature of Humanism as an approach to life and a philosophical analysis of the key humanist propositions from naturalism and science to morality and meaning Represents the first book of its kind to look at Humanism not just in terms of its theoretical underpinnings but also its consequences and its diverse manifestations Features contributions from international and emerging scholars plus renowned figures such as Stephen Law Charles Freeman and Jeaneane Fowler Presents Humanism as a positive alternative to theism Brings together the world's leading Humanist academics in one reference work **The Spirituality Revolution** David John Tacey, 2004 The Spirituality Revolution addresses the major social issue of spirituality which requires immediate attention if we are to creatively respond to

spiralling outbreaks of depression suicide addiction and psychological suffering *Pentecostal Preaching and Ministry in Multicultural and Post-Christian Canada* Steven M. Studebaker, 2019-11-07 Over the past forty years Canada has become an increasingly secular multicultural and religiously plural society Indeed the church in Canada and Pentecostals in particular face a challenging context for responding to the call to bear witness to Christ in the power of the Holy Spirit Like the disciples on the day of Pentecost however we need the Holy Spirit to come upon us and liberate us from our post Christian pessimism We need the Holy Spirit to enable us to proclaim the gospel to the nations people that are no longer at the ends of the earth but making their home in Canada This book engages this new context and considers and proposes ways that pentecostal Christians and churches can respond to the challenges of the increasingly post Christian multicultural secular and religiously plural context of Canadian society *Bringing Religion and Spirituality Into Therapy* Joseph A. Stewart-Sicking, Jesse Fox, Paul J. Deal, 2019-06-25 Bringing Religion and Spirituality into Therapy provides a comprehensive and timely model for spirituality integrated therapy which is truly pluralist and responsive to the ever evolving World of religion spirituality This book presents an algorithmic process based model for organizing the abundance of theoretical and practical literature around how psychology religion and spirituality interact in counseling Building on a tripartite framework the book discusses the practical implications of the model and shows how it can be used in the context of assessment and case formulation research clinical competence and education and the broad framework ties together many strands of scholarship into religion and spirituality in counseling across a number of disciplines Chapters address the concerns of groups such as the unaffiliated non theists and those with multiple spiritual influences This approachable book is aimed at mental health students practitioners and educators In it readers are challenged to develop richer ways of understanding being and intervening when religion and spirituality are brought into therapy Spirituality in the Selfie Culture of Instagram Petra P. Sebek, 2019-03-22 This explorative study of personal spiritual expressions on Instagram generated important data in relation to the emerging field of cyberspirituality and showed the need for further development and research The book reveals several forms of spirituality present on Instagram mainly belonging to secular spirituality Many spiritual practices emerged in posts from all over the world demonstrated through photography as spiritual practice The Internet and social media in particular present an opportunity for individuals and communities to develop spiritual narrative when communicating online especially with young people who are more likely to express themselves as spiritual but not religious Spiritual authenticity on social media as a part of building spiritual capital is an important step **Religion and Politics in the Contemporary United States** R. Marie Griffith, Melani McAlister, 2008-06-09 This collection of essays from a special issue of American Quarterly explores the complex and sometimes contradictory ways that religion matters in contemporary public life Religion and Politics in the Contemporary United States offers a groundbreaking cross disciplinary conversation between scholars in American studies and religious studies The contributors explore numerous modes through

which religious faith has mobilized political action They utilize a variety of definitions of politics ranging from lobbying by religious leaders to the political impact of popular culture Their work includes the political activities of a very diverse group of religious believers Christians Jews Muslims Hindus Buddhists and others In addition the book explores the meanings of religion for people who might contest the term those who are spiritual but not religious for example as well as activists who engage symbols of faith and community but who may not necessarily consider themselves members of a specific religion Several essays also examine the meanings of secular identity humanist politics and the complex evocations of civil religion in American life No other book on religion and politics includes anything like the diversity of religions ethnicities and topics that this one does from Mormon political mobilization to attempts at Americanizing Muslims in the post 9 11 United States from Cesar Chavez to James Dobson from interreligious cooperation and conflict over Darfur to the global politics surrounding the category of Hindus and South Asians in the United States Spirituality: Theory, Praxis and Pedagogy ,2020-04-28

Minding the Spirit Elizabeth A. Dreyer, Mark S. Burrows, 2005 Arranged under five broad headings these essays create an insightful dialogue on the questions methods and critical approaches implemented by the discipline's top scholars

Spirituality for Youth-Work Phil Daughtry, 2016-09-23 This book addresses a systemic gap in existing studies on human services and youth work While the notion of spirituality does make rare appearances in such literature it is often vaguely defined and underdeveloped both as a concept and as a mode of practice This ambiguity is symptomatic of the broader shift in the sociological context of Western and global societies that has been referred to variously as post modern late modern and post secular From the perspective of the relationship between human development and the spiritual theological we live in a time between times We have not yet worked out how to speak of spirit nor how to include its meanings in positive youth intervention and developments in our language for a public spiritual consciousness remain in a state of cultural flux This book offers a coherent vocabulary and narrative from which to construct a more explicit and deliberate practice of spiritual care education and professional identity for youth workers It speaks directly to youth work practitioners managers of youth services those providing youth work education and anyone with an interest in youth and spirituality research and practice

The Oxford Handbook of Secularism Phil Zuckerman, John R. Shook, 2017 The Oxford Handbook of Secularism offers a wide ranging examination of secularism on a global scale bringing together an international collection of views from prominent experts in a variety of fields This volume reflects the impressive level of academic attention now given to secularism across the humanities social sciences law and public policy and international relations Long reigning theories about the pace of secularization and ideal church state relations are here scrutinized by a new generation of scholars studying secularism with new questions better data and fresh perspectives **Renewing Theology** J. Matthew Ashley, 2022-07-15 This comprehensive study investigates the role that Ignatian spirituality has played in the renewal of academic theology using three prominent Jesuits as case studies Over several centuries spirituality has come to define a field

of concerns and themes increasingly treated separately from those of academic theology as if the latter had little relation to the former. This raises the question for us today: How is spirituality related to the practice of theology? In *Renewing Theology* J. Matthew Ashley provides an answer by turning to Ignatian spirituality and three prominent twentieth-century theologians who embraced its spiritual resources: Karl Rahner, Ignacio Ellacurá, and Jorge Mario Bergoglio (that is, Pope Francis). Ashley begins his investigation by considering the historical origins of the widening separation between spirituality and academic theology in the Christian West. He provides an initial overview of Ignatian spirituality focusing on the openness and multidimensionality of Ignatius of Loyola's Spiritual Exercises presented here as a text in which the conditions of modernity that defined its author's world are present at least incipiently. Ashley then offers three case studies in order to show how each Jesuit—Rahner, Ellacurá, and Pope Francis—responded to the challenges of modernity in a way that is uniquely nourished and illuminated by themes constitutive of Ignatian spirituality. Their theologies, Ashley suggests, evince a particular clarity and force when the Ignatian spirituality that animates them is foregrounded. Providing new and productive avenues into understanding the theologies of these three individuals, this sophisticated and enlightening book will interest scholars and students of systematic theology as well as readers who are interested in the future of theology and spirituality in a fragmented age.

And Jacob Digged a Well Theodore M. Snider, 2012-05. The subject of Christology has been a struggle for the church from the very beginning. It has resulted in divisions, crusades, inquisitions, persecutions, and a wide range of creeds. Each group claims it possesses the truth, a truth revealed to them; a particular turn of belief they alone rightly proclaim. In *And Jacob Digged a Well*, author Pastor Theodore M. Snider provides a commentary on religion where it's been, where it's headed, and how it fits in the modern world. He seeks to answer this question: why do we believe what we believe? Snider discusses how scientific and technological discoveries have changed not only our worldviews but also our Godviews, and how consciousness and brain research are altering the way we understand each other and how beliefs are formed. He compiles a diverse amount of information on topics relevant to both secular and religious audiences, including creationism, evolution, intelligent design, and artificial intelligence, through historical, scientific, cognitive, and psychological avenues. *And Jacob Digged a Well* reminds us that natural may not be as clear as we once thought. Faith in the twenty-first century needs to look quite different from the past century.

The Postsecular Sacred David Tacey, 2019-07-16. In *The Postsecular Sacred*, Jung Soul and Meaning in an Age of Change, David Tacey presents a unique psychological study of the postsecular, adding a Jungian perspective to a debate shaped by sociology, philosophy, and religious studies. In this interdisciplinary exploration, Tacey looks at the unexpected return of the sacred in Western societies and how the sacred is changing our understanding of humanity and culture. Beginning with Jung's belief that the psyche has never been secular, Tacey examines the new desire for spiritual experience and presents a logic of the unconscious to explain it. Tacey argues that what has fuelled the postsecular momentum is the awareness that something is missing and the idea that this could be buried in the unconscious is dawning.

on sociologists and philosophers While the instinct to connect to something greater is returning Tacey shows that this need not imply that we are regressing to superstitions that science has rejected The book explores indigenous spirituality in the context of the need to reanimate the world not by going back to the past but by being inspired by it There are chapters on ecopsychology and quantum physics and using Australia as a case study the book also examines the resistance of secular societies to becoming postsecular Approaching postsecularism through a Jungian perspective Tacey argues that we should understand God in a manner that accords with the time not go back to archaic rejected images of divinity The sacred is returning in an age of terrorism and this is not without significance in terms of the explosive impact of spirituality in our time Innovative and relevant to the world we live in this will be of great interest to academics and scholars of Jungian studies anthropology indigenous studies philosophy religious studies and sociology due to its transdisciplinary scope It would also be a useful resource for analytical psychologists Jungian analysts and psychotherapists

Present-Day Spiritualities, 2013-10-10 Many forms of present day Western spirituality contribute to people s well being whereas others have raised criticism The study of these different forms is however complicated by their continuously diverging practices and ideas By bringing to bear a multidisciplinary approach the ten specialists of this volume are able to analyze diverse new instances of spirituality e g in religious contexts Buddhism Christianity popular use organizations and enterprises alternative health service and works of art Most contributions also discuss methods and theories In their editorial chapters Elisabeth Hense Frans Jespers and Peter Nissen show the remarkable overlaps in the approaches definitions and evaluations of the contributions in this volume and provide a theoretical framework Both the fresh analyses and the theoretical reflections in this volume point the way to new approaches in this field of study Contributors include Jerry Biberman Mark Elliott Miguel Farias Johan Goud Paul Heelas Elisabeth Hense Frans Jespers Hubert Knoblauch Peter Nissen Paul van der Velde

Dark Religion Vladislav Šolc , George J. Didier, 2018-12-01 Jungian analysts Vlado Solc and George J Didier set out to explore the psychological dynamics and causes of religious fundamentalism and fanaticism The book offers an in depth psychological analysis of what happens when a person becomes possessed by the unconscious energies of the Self Dark Religion also reveals that spirituality is an inherent dimension of human life and one of its most essential needs It only becomes dark when it denies ignores or separates itself from its vital roots The authors coin the term dark religion to describe all forms of fanatical radical and extreme religions Their study shows how dark religion leads to profound conflicts on both the personal and cultural level including terrorism and wars surveys the vast contemporary cultural and religious landscapes All the while

web from the father of modern nautical fiction the legend of the flying dutchman goes back at least to medieval times and

probably earlier than that in its basic form it is about a ghost ship that can never go into port and is doomed to sail the

oceans forever indeed in marryat s day one would be hard pressed to find a ship on which at least one crewman
