Jewell, 2011-08-15 Offering an inter disciplinary approach to spirituality and personhood in dementia care the contributors to this book are leading practitioners and researchers in the field They provide both a theoretical structure and a practical understanding of the essential role that spirituality can play in the affirmation of personhood and identity **Palliative**

**Care, Ageing and Spirituality** Elizabeth MacKinlay, 2012-02-15 This sensitive and compassionate book provides older people who are nearing the end of life and their loved ones as well as the professionals who work with them with a greater depth of understanding of spiritual issues surrounding death and dying **Ministering to Older Adults** Donald

Koepke, 2013-10-18 Learn how to focus your ministry s programs and services on the elderly By 2030 20% of the people living in the United States will be age 65 or older with unique spiritual needs that can affect their physical and mental well being Ministering to Older Adults answers the critical need for a ministry that doesn t center primarily on youth and families in its outreach instead presenting a step by step guide to developing a ministry for the aged that is focused on the needs and resources of each congregation This program has been used effectively with nearly 50 congregations both large and small to create a focused older adult ministry No two congregations are alike The resources perspectives and skills of each congregation are different as are the needs of its members Ministering to Older Adults provides a framework for use by planning groups within communities of any religious tradition The book presents a process that includes essential questions that allow planning groups to develop answers that fit the needs cultural history and structure of their individual congregations Ministering to Older Adults is divided into three sections The Fundamentals defining your audience your mission and the skills and existing programs that can be brought to the planning process Programming Possibilities spiritual needs based on the aging process continued learning for older adults opportunities to serve and be served providing quality pastoral care and community building Putting it All Together deciding on a direction using desired outcomes for evaluation

establishing target dates and ongoing evaluation Ministering to Older Adults also includes forms and charts to help in the planning process The book is an invaluable resource for clergy ministry committees and planning groups and staff persons responsible for older adult ministries *The Storied Self* Bruce A. Stevens,2018-10-15 We are multistoried each story contributing to who we are the storied self A number of undeveloped stories are identified in this book This includes the hidden story before language Others include the lazy story the trauma story the messy story the body story the problem story and the dark story The God story brings the spiritual realm into focus The challenge in spiritual care is to help people find an integrative deep story which can be re authored with new and exciting possibilities This book draws on the insights of narrative gerontology for a natural engaging and more comprehensive spiritual care of the aged one that results in psychological and spiritual growth This is a unique idea which will challenge the way we think about pastoral care

*Methods in Religion, Spirituality & Aging* James W. Ellor,2013-10-18 Since the 1971 White House Conference on Aging in the United States the need to move from religiosity into new areas such as Spiritual Assessment and Spirituality has emerged This movement has picked up momentum among scholars particularly in terms of research in the area of Spirituality While spirituality as a term is employed in many new studies this term continues to defy the quest for a single definition and method This book is divided into three sections In the first the authors reflect on the philosophical and theological issues presented by these terms from a variety of both cognate and practical methodological approaches The second section offers insights from the major professions of sociology psychology public health nursing and social work The final section offers insight and assistance to researchers and authors on specific religious traditions This book will be important for anyone working to develop such practical tools as spiritual assessment forms to those who engage in more formal scholarly investigation Spirituality and Hospice Social Work Ann M. Callahan,2017-02-07 Many hospice social workers must

address spiritual issues with their clients but do not feel competent to do so effectively This targeted volume draws upon multidisciplinary theory and research to advance a relational model of spiritually sensitive hospice care The book will help readers elevate their spiritual competence and foster a relationship with their clients that will enrich the experience for all involved Spirituality and Hospice Social Work helps practitioners understand various forms of spiritual assessment for use with their clients The book teaches practitioners to recognize a client's spiritual needs and resources as well as signs of spiritual suffering It also discusses religious and spiritual practices that clients may use to enhance their spiritual coping Spirituality and Hospice Social Work stresses the need for interdisciplinary collaboration with other members of the hospice team along with the value of maintaining professional ethical standards when addressing spiritual issues Throughout the importance of spiritual sensitivity and its effect upon client well being is emphasized **Dementia-Friendly Communities** Susan McFadden,2020-11-19 Creating dementia friendly communities can give people with dementia the chance to continue meaningful lives with reciprocal personal relationships Underpinning successful dementia friendly communities is an

awareness of people with dementia as active citizens and the importance of supporting engagement in community life This book offers an overview of the dementia friendly communities movement showing the many benefits of this approach It describes community initiatives from across the globe such as Dementia Friends memory cafes and creative engagement with the arts through organizations like TimeSlips This compassionate book tells another story about dementia away from negative stereotypes This alternative approach claims people can retain a sense of dignity hold onto hope sustain meaningful relationships and live with a sense of purpose with support from their communities
