**Splinters of Glass** James A. Dumke,2000-09 Conscious nightmares in regard to the chaotic spinning of our world beyond our capacity to control A hint of the world to come Exposing the soft flesh of inquiry This often hidden representation of the size and shape of the damage done by this absurd intellectual dialogue We these disillusioned heirs to a world unaware that it is unaware Lost in its certainty its reflection now an illusion seen through the shattered mirror of its Madison Avenue concept of self In search of manufactured meaning sought upon the alters of commerce With the end of this absurd conversation in sight desperation presents itself in the scientific journals of our illusion Fragmented glass scattered everywhere
