Split Second:

The Split Second M. R. D. Meek, 1987 *Split Second* David Baldacci, 2003 All it took was a split second for Secret Service Agent Sean King to avert his glance and leave an opening for an assassin's bullet. The result: presidential candidate Clyde Ritter was shot dead right beside him. *Split Second* Dennis McIntyre, 1984 *The Seems: The Split Second* John Hulme, Michael Wexler, 2009-09-01 Becker Drane, a Fixer in the parallel universe called the Seems, is called upon to repair the damage caused by a bomb planted in the Department of Time, an act of terrorism perpetrated by the evil members of the Tide.

Split Second, 1992 **Split Second** Alex Kava, 2006-03-01 FBI profiler Maggie O'Dell, star of Kava's first thriller, is back again in her second, but her return is not a happy one. From the very first scene in which serial killer Albert Stucky escapes from two pitifully inadequate prison guards through the inevitable and apparently endless escalation of brutality usually against women to the predictable ending, this is strictly a blender job: part Thomas Harris and part Patricia Cornwell with odd bones and scraps tossed in from other similarly grisly and more successful sources. O'Dell, who plays Clarice Starling to Stucky's Hannibal Lecter, is still physically and mentally scarred by the two years she spent on his case, and she's fighting to get back on it. She gets her wish. Before she can even unpack the boxes in her new home, one of her neighbors disappears, leaving behind a bloody mess, and another is found dead in a Dumpster. Soon Stucky strikes even closer to home. The supporting cast is full of cardboard cutouts unsuccessfully masquerading as characters, and since O'Dell herself is so miserable from the start, it's hard to care whether or not she and Stucky ever do make it to their final showdown, or for that matter, which of them survives. Kava's hackneyed prose doesn't help matters. Dear God, how much longer could she put up with the nightmares? Probably longer than a lot of readers will put up with this book. Aug. Forecast: Kava's first O'Dell vehicle, *A Perfect Evil*, was widely praised, and Mira is looking to build on that success with a national ad campaign, a teaser chapter in the *Perfect Evil* paperback, and a multicity author tour. Fans may go along for the ride, but Kava won't recruit many new readers with this one. **Split Second - Part 2** Sophie McKenzie, 2014-07-17 The tension mounts in part two of the action-packed thriller *Split Second*. Bound together by the devastating consequences of a terrorist attack on a London market, teenagers Charlotte, Charlie, and Nat appear at first to have much in common. But as Charlie gets closer to Nat, she begins to wonder: does he know more about the attack than he's let on? This is PART TWO of THREE of the heart-stopping thriller *Split Second* by bestselling and award-winning author Sophie McKenzie. It is not the whole book; PART THREE will be released on the 24th of July. However, if you cannot wait, THE WHOLE EBOOK IS ALSO AVAILABLE NOW. A terrifying, fast-paced thriller that you won't be able to put down. Teen Now four-star review: Wow, Sophie McKenzie knows how to get her readers right on the edge of their seats. *Split Second* is a rollercoaster of a read, full of twists and turns and betrayals. And the story will continue in *Every Second Counts*. I'll be watching this space for book two. With bated breath, The Book Bag. **Split Second** Douglas E. Richards, 2015-08-31 The breathtaking new thriller from the New York Times bestselling author of *WIRED*, who

has been called a worthy successor to Michael Crichton SF Book com What if you found a way to send something back in time But not millions of years back to the age of the dinosaur Not a day back Not even a minute back What if you could only send something back less than the blink of an eye Would this be of any use You wouldn't have nearly enough time to right a wrong change an event or win a lottery Nathan Wexler is a brilliant physicist who thinks he's found a way to send matter a split second back into the past But before he can even confirm his findings he and his wife to be Jenna Morrison find themselves in a battle for their very lives Because while time travel to an instant earlier seems useless Jenna comes to learn that no capability in history has ever been more profound or far reaching Now as Jenna fights to defeat the powerful forces arrayed against her nothing less than the fate of humanity hangs in the balance SPLIT SECOND is a roller coaster ride of a thriller one that will have readers pondering the nature of time and of reality long after they've read the last page Richards is a tremendous new talent Stephen Coonts who can keep you turning the pages all night long Douglas Preston
