attack the Ferrymen stronghold Though Glade is drawn to the brave leader of the Ferrymen Kupier she has older loyalties as well Her friend and mentor Dahn Enceladus is charismatic and ambitious but although Glade cares for him she can no longer trust him Her younger sisters are also in danger of facing Datapoint testing and now she is being forced into an upgrade she cannot refuse But help is about to arrive in an unlikely form a ghost from her distant past **Markham's farwell to**
