unsearchable indescribable wisdom of God and the Everlasting Gospel of one s being in God They lead one to an understanding that is beyond understanding revealing the nature of one s transcendent being that comes to understand without understanding The reconciliation of all things unto the eternal Day of God is the reconciliation of an infinity of many unto the One for the one and the many are realized to be two parts of the same thing Now is the time to take responsibility for what you are in God for now we can see how that an infinity of many share that responsibility with us And in that sense the burden is considered to be light not heavy burden The return to the Garden of Eternity is the return to one s original starting point with the awareness of how one got there a conscious entry as it were back to the core of being from out of the realm of duality of separation      **Phonological Word and Grammatical Word** Alexandra Y.
