words can be healed the memories of past lives or present that affect the people these four words are i m sorry please forgive me thank you and I love you With those simple words we can work painful memories that affect to us in the health prosperity love and more Finally a system of self healing is approached received or canalized by the Dr Alex Loyd who along with the Dr Bend Johnson writes on the Healing Codes these codes help to eliminate stress that cause the ailments or diseases in the physical body the codes simply eliminate stress allowing the body traverse of the immune system to make the work for which it was programmed that is to cure itself Of simple form we will explain like being applied the codes himself with this technique I have seen heal to many people of an endless number of diseases In summary through the Law of Attraction we will learn to think in positive to attract positive things situations and people to our lives and thus to manage to obtain all the objectives drawn up and to be happy With the Ho ponopono we will be able to work the painful memories and negative thoughts that move away us of our goal of being happy and without by some reason after the two previous techniques we have some ailment or disease with the Healing Codes we can treat the stress that caused the ailment or disease to unblock to the immune system and to allow that the body cure itself
