Bryce,2010-09-01 God is already at work in your life whether or not you recognize it Participants in this twelve week small group Bible study will experience the whole Bible as the story of God Plus they will become aware of God's story continued in everyday life as they practice listening to the stories of others and to life In Echoing the story Brady Bryce provides a simple way for people to tell the scattered stories of their lives and re imagine them in a bigger story His innovative narrative approach invites curious skeptics casual followers of God and committed disciples of Jesus into community through listening to shared stories Choosing the Best Matthew O. Sadiku,2012-03 Do you want your life to really count If so you must learn to make the right choices because the choices you make turn around to make you The way you choose has the potential of increasing or decreasing your joy in life Making a quality choice between several alternatives is tough To ease the path and alleviate the problem of making wrong choices this book presents twelve major criteria you should consider in making choices These criteria include The Greatest Tragedy The Greatest Mistake The Greatest Priority The Greatest Knowledge The Greatest Pursuit The Greatest Motive The Greatest Motivation The Greatest Influence The Greatest Enemy The Greatest Friend The Greatest Helper The Greatest Power These criteria affect our personal social and spiritual life Choosing the best involves making choices in view of the criteria It involves having priorities and being focused in life Choosing the best is knowing what God wants you to accomplish in life and investing your resources time talent and treasure on just that In short it is to live for the things that really matter in the long run Charismatic Glossolalia Mark J.
