The Music of the Heart is a collection of poetry written over a period of thirty years Many of them resulted from conversations I had with myself or surfaced during periods of relaxation and sleep Some were inspired by my granddaughters as I observed their young lives evolving Like a personal diary these poems serve as a reminder of my own identity and awareness The human mind is a powerful and amazing gift but it can easily be led astray from the truth without the proper guidance which must be centered in the heart Learning is a process which requires much discipline focus and trial and error It is with hope that some of the ideas conveyed in these poems will open other hearts and bring strength and encouragement
