The Hearts Shout:

Unknotting the Heart Jie Yang, 2015-11-25 Since the mid 1990s as China has downsized and privatized its state owned enterprises severe unemployment has created a new class of urban poor and widespread social and psychological disorders In *Unknotting the Heart* Jie Yang examines this understudied group of workers and their experiences of being laid off counseled and then reoriented to the market economy Using fieldwork from reemployment programs community psychosocial work and psychotherapy training sessions in Beijing between 2002 and 2013 Yang highlights the role of psychology in state led interventions to alleviate the effects of mass unemployment She pays particular attention to those programs that train laid off workers in basic psychology and then reemploy them as informal counselors in their capacity as housemaids and taxi drivers These laid off workers are filling a niche market created by both economic restructuring and the shortage of professional counselors in China helping the government to defuse intensified class tension and present itself as a nurturing and kindly power In reality Yang argues this process creates both new political complicity and new conflicts often along gender lines Women are forced to use the moral virtues and work ethics valued under the former socialist system as well as their experiences of overcoming depression and suffering as resources for their new psychological care work Yang focuses on how the emotions potentials and hearts of these women have become sites of regulation market expansion and political imagination **Shout** Billy Gibson, 2009-07 In *Shout* author and pastor Billy Gibson uses his own story along with substantial biblical research to give you the keys to understanding the power of the shout Readers will learn to shout and praise to bring prodigals home To bring healing and to defeat giants we must shout in faith Gibson also shares how Joshua obeyed God and the Israelites took their promise with a shout and the walls crumbled around their enemies Today God is calling His church to begin to shout unto God with a voice of triumph and His people need to continue to shout in celebration of God's victory for their lives **The Heart of Man** Jon Kalman Stefansson, 2015-12-22 After coming through the blizzard that almost cost them everything Jens and the boy are far from home in a fishing community at the edge of the world Taken in by the village doctor the boy once again has the sense of being brought back from the grave But this is a strange place with otherworldly inhabitants including flame haired lfhei ur who makes him wonder whether it is possible to love two women at once he had believed his heart was lost to Ragnhei ur the daughter of the wealthy merchant in the village to which he must now inexorably return Set in the awe inspiring wilderness of the extreme north *The Human Heart* is a profound exploration of life love and desire written with a sublime simplicity In this conclusion to an audacious trilogy Stefansson brings a poet's eye and a philosopher's insight to a tale worthy of the sagasmiths of old *Shouting: Genuine and Spurious, in All Ages of the Church, from the Birth of Creation, when the Sons of God Shouted for Joy, Until the Shout of the Arch-angel* George W. Hausmann,2019-08-26 It seems I am best at expressing my love for the Lord through music and poetry and so out of that longing came the desire to pen Poems for the Heart of God I wanted to share something that gave me great joy and encouragement with others I wanted to write something that would implant a seed and inspire communication with our Master especially as we begin our day Oh how important is a moment with Him before we step out into the fast paced world we live in today Poems for the Heart of God is a 366 day including leap year devotional with a scripture reading from His word accompanied by a six line poem for each day of the year It is written in a way to receive from Him through scripture and a way to give back to Him in a personal heartfelt way Each poem was written from my heart to His heart acknowledging His love and care as a Good Father every day of life Many like to look up their birthdays their anniversaries and other special days to see what God may have to say to them on that day It is a daily seed planter of encouragement for my family and me to help us get off to a good start for the day I pray it will be the same for you **Preces Gertrudianae** Anonymous,2022-06-25
