The Hermaphrodite Album:

The Hermaphrodite Album Peter Redgrove, Penelope Shuttle, 1973 **The Hermaphrodite Album [by] Peter Redgrove [and] Penelope Shuttle** Peter Redgrove, 1973 **Sex Determination in Plants** CC Ainsworth, 2004-08-02

Indispensable for all plant biologists this is a fascinating and thorough examination of those factors which affect the sex determination of plant species describing all of the main classes of plant with unisexual flowers hermaphrodite monoecious and **Scientist of the Strange** Paul Bently, 2002-06 The present study uncovers the psychical stakes and dramas involved in Redgrove's practice and in turn relates these stakes and dramas to the marked element of cultural critique to be found in Redgrove's nonfiction but which is virtually absent from the poems BOOK JACKET **British Poetry from the 1950s to the 1990s** Gary Day, Brian Docherty, 1997-07-13 This collection looks at the developments in British poetry from the Movement until the present The introduction not only provides a context for these changes but also argues that poetry criticism has been debilitated by the quest for political respectability a trend which can only be reversed by reconsidering the idea of tradition The essays themselves focus on general themes or individual authors Written in a clear and informed manner they provoke the reader into a fresh awareness of the nature of poetry and its relation to society **Women Coauthors** Holly A. Laird, 2000 Until recently collaborative authorship has barely been considered by scholars when it has the focus has been on discovering who contributed what and who dominated whom in the relationship and in the writing In *Women Coauthors* Holly Laird reads coauthored texts as the realization of new kinds of relationship Through close scrutiny of literary collaborations in which women writers have played central roles *Women Coauthors* shows how partnerships in writing between two women or between a woman and a man provide a paradigm of literary creativity that complicates traditional views of both author and text and makes us revise old habits of thinking about writing Focusing on the social dynamics of literary production including the conversations that precede and surround collaborative writing *Women Coauthors* treats its coauthored texts as representations as well as acts of collaboration Holly A Laird discusses a wide array of partial and full coauthorships to reveal how these texts blur or remap often uncanny boundaries of self status race reason and culture that of the Delany sisters and Amy Hill Hearth on *Having Our Say* lesbian couples whose lives and writings were intertwined including Katherine Bradley and Edith Cooper Michael Field and Gertrude Stein and Alice B Toklas and the Native American wife and husband authors Louise Erdrich and Michael Dorris Framed in time by the feminist and abolitionist movements of the mid nineteenth century and the ongoing social struggles surrounding gender race and sexuality in the late twentieth century the partnerships and texts observed in *Women Coauthors* explore collaboration as a path toward equity both socioliterary and erotic For the authors here who collaborate most fully with each other two are much better than one

Collected Poems Peter Redgrove, 2012-01-31 Peter Redgrove who died in 2003 was one of the most prolific of post war poets and as this *Collected Poems* reveals one of the finest A friend and contemporary of Ted Hughes and Sylvia Plath in the

early 1950s Redgrove was regarded by many as their equal and his work has been championed by a wide variety of writers from Margaret Drabble to Colin Wilson Douglas Dunn to Seamus Heaney Ted Hughes once wrote warmly to Redgrove of how important you've been to me You've no idea how much right from the first time we met In this first Collected Poems Neil Roberts has gathered together the best poems from twenty six volumes of verse from *The Collector* 1959 to the three books published posthumously The result is an unearthed treasure trove poems that find new and thrilling ways of celebrating the natural world and the human condition poems that dazzle with their visual imagination poems that show the huge range and depth of the poet's art In Redgrove's poetry there is a unique melding of the erotic the terrifying the playful the strange and the strangely familiar his originality and energy is unparalleled in our time and his work was the work of a true visionary

CMJ New Music Monthly, 1995-02 CMJ New Music Monthly the first consumer magazine to include a bound in CD sampler is the leading publication for the emerging music enthusiast NMM is a monthly magazine with interviews reviews and special features Each magazine comes with a CD of 15-24 songs by well established bands unsigned bands and everything in between It is published by CMJ Network Inc *The Lover, the Dreamer & the World* Neil Roberts, 1994

Sources and Methods in the History of Sexuality Anna Clark, Elizabeth W. Williams, 2024-09-12 Sources and Methods in the History of Sexuality outlines some of the challenges of retracing sexual acts identities and desires in the past and shows how historians have responded to these methodological challenges with ingenuity and creativity The volume acknowledges that the history of sexuality poses particularly interesting challenges in relation to sources due to the peculiar nature of sexuality On one hand sexuality is frequently hidden and private its practices often unknown denied and evaded its desires fleeting or obsessive its reality confused or illuminated by fantasy yet on the other sexuality consistently breaks into the public sphere through moral panics waves of persecution taxonomizing projects and medical juridical interventions With vivid case studies from renowned contributors the chapters provide different theoretical approaches along with more practical examples of how to study the history of sexuality The volume has a broad chronology from the ancient world to the present an extensive geography covering not only Europe and the Americas but also Latin America and Africa and also includes a variety of gender and sexual expressions The book also privileges texts that offer an intersectional approach asking how sex and sexualities were constructed alongside against other categories of difference With accessible writing this volume encourages the reader to think creatively about how to find evidence of sex sexuality in the past and will be of value to students as well as scholars interested in the history of sexuality Genetic Studies in Dioecious Melandrium Gerrit Van Nigtevecht, 2013-12-01 *Collected Reprints* George Harrison Shull, 1902 *Prince* Matt Thorne, 2023-08-22 The newest most updated book on Prince available today now updated with information about the afterlife of his work following his untimely death Famously reticent and perennially controversial Prince was one of the few music superstars who remained largely an enigma even up to his premature death on April 21 2016 A fixture of the pop canon Prince is widely held to be the

greatest musician of his generation and will undoubtedly remain an inspiring and singular talent This revised and updated second edition of this meticulously researched biography is the most comprehensive work on Prince yet published Unlike other Prince books this one eschews speculation into the artist's highly guarded private life and instead focuses deep and sustained attention exactly where it should be on his work Acclaimed British novelist and critic Matt Thorne draws on years of research and dozens of interviews with Prince's intimate associates many of whom have never spoken on record before to examine every phase of the musician's 35 year career including nearly every song released and unreleased that Prince has recorded Originally released in the UK in 2012 this revised and updated second US edition of Prince includes updated content regarding work released and made available after the artist's death This astonishingly rich almost encyclopedic biography is a must have for any serious fan of Prince

Opuscula George Harrison Shull, 1911

A Sulfur Anthology Clayton Eshleman, 2016-01-29 From 1981 to 2000 Sulfur magazine presented an American and international overview of innovative writing across forty six issues totaling some 11 000 pages and featuring over eight hundred writers and artists including Norman O Brown Jorie Graham James Hillman Mina Loy Ron Padgett Octavio Paz Ezra Pound Adrienne Rich Rainer Maria Rilke and William Carlos Williams Each issue featured a diverse offering of poetry translations previously unpublished archival material visual art essays and reviews Sulfur was a hotbed for critical thinking and commentary and also provided a home for the work of unknown and younger poets In the course of its twenty year run Sulfur maintained a reputation as the premier publication of alternative and experimental writing This was due in no small measure to its impressive masthead of contributing editors and correspondents Marjorie Perloff James Clifford Rachel Blau DuPlessis Keith Tuma Allen Weiss Jed Rasula Charles Bernstein Michael Palmer Clark Coolidge Jayne Cortez Marjorie Welish Jerome Rothenberg Eliot Weinberger managing editor Caryl Eshleman and founding editor Clayton Eshleman A Sulfur Anthology offers readers an expanded view of artistic activity at the century's end It's also a luminous document of international poetic vision Many of the contributions have never been published outside of Sulfur making this an indispensable collection of poetry in translation and poetry in the world Publication of this book is funded by the Beatrice Fox Auerbach Foundation Fund at the Hartford Foundation for Public Giving

Witch Daze Patricia Della-Piana, 2010

Peter Redgrove Jeremy Robinson, 2008 A full length journey through the erotic and magical underworld of one of Britain's best poets Peter Redgrove Packed with quotes from Redgrove's most powerful pieces

A Dictionary of Writers and their Works Christopher Riches, Michael Cox, 2015-01-29 Over 3 200 entries An essential guide to authors and their works that focuses on the general canon of British literature from the fifteenth century to the present There is also some coverage of non fiction such as biographies memoirs and science as well as inclusion of major American and Commonwealth writers This online exclusive new edition adds 60 000 new words including over 50 new entries dealing with authors who have risen to prominence in the last five years as well as fully updating the entries that currently exist Each entry provides details of a writer's nationality and birth death dates followed by a listing of

their titles arranged chronologically by date of publication A Concise Companion to Postwar British and Irish Poetry
Nigel Alderman, C. D. Blanton, 2014-02-03 This volume introduces students to the most important figures movements and trends in post war British and Irish poetry An historical overview and critical introduction to the poetry published in Britain and Ireland over the last half century Introduces students to figures including Philip Larkin Ted Hughes Seamus Heaney and Andrew Motion Takes an integrative approach emphasizing the complex negotiations between the British and Irish poetic traditions and pulling together competing tendencies and positions Written by critics from Britain Ireland and the United States Includes suggestions for further reading and a chronology detailing the most important writers volumes and events

Encyclopedia of British Poetry, 1900 to the Present James Persoon, 2015-04-22 Presents a comprehensive A to Z reference with approximately 450 entries providing facts about contemporary British poets including their major works of poetry concepts and movements
