**The Hidden Story of Scientology** Omar V. Garrison,1974      *The hidden story of scientology* Omar V. Garrison,1970

**The Haunting of Twentieth-Century America** William J. Birnes,Joel Martin,2011-09-13 In this sequel to *The Haunting of America* national bestselling authors Joel Martin and William J Birnes bring up to the present the story of how paranormal events influenced and sometimes even drove political events In unearthing the roots of America s fascination with the ghosts goblins and demons that possess our imaginations and nightmares Martin and Birnes show how the paranormal has driven America s political public and military policies The authors examine the social history of the United States through the lens of the paranormal and investigate the spiritual events that inspired momentous national decisions UFOs that frightened the nation s military into launching nuclear bomber squadrons toward the Soviet Union out of body experiences used to gather sensitive intelligence on other countries and even spirits summoned to communicate with living politicians *The Haunting of Twentieth Century America* is a thrilling evidencebased exploration of the often unexpected influences of the paranormal on science medicine law the government the military psychology theology death and dying spirituality and pop culture At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied      **After the New Age** Steven H. Propp,2008-12-16 Its 1976 and Janet Tanhurst is a teenager who feels stifled by life with her strict mother and the authoritarian church she must attend Once out of high school however Janet is initiated into a fascinating new world of Astrology Tarot cards and Spirit Mediums Next she encounters the mysterious world of UFOs a bewildering and sometimes frightening realm encompassing ancient astronauts alien abductions and shadowy government conspiracies As the 1980s arrive the Christian dominated Piscean Age seems to be giving way to a long anticipated Aquarian Age with its hope for a coming revolution in higher consciousness There are new paradigms in philosophy and science promoting a holographic conception of the universe as engaged in a Cosmic Dance along with the emergence of an introspective type of instrumental music known as New Age With the help of bookstore owner Whisper Wynn Janet investigates subjects such as reincarnation quartz crystals chakras and the human aura in addition to an exciting new form of spiritual teaching called channeling Following movement leaders including Shirley MacLaine and Marianne Williamson studying enigmatic teachers like G I Gurdjieff and Carlos Castaneda and inspired by medical doctors such as Deepak Chopra and Andrew Weil she learns about Alternative Medicine and Holistic Health as well as traditional health practices from China Japan and India She assimilates wisdom from the ancient Celts along with rituals from contemporary Goddess worshippers in formulating her own unique concept of the Divine that is within us all      *The Haunting of Twenty-First-Century America* William J. Birnes,Joel Martin,2013-12-17 In this companion volume to *The Haunting of America* and *The Haunting of Twentieth Century America* national bestselling authors William J Birnes and Joel Martin explore today s intellectual and spiritual awakening one that is challenging traditional belief systems Birnes and Martin show that though many governments deny the importance of a

spiritual component to national policy even the most conservative governments have based social and financial policy decisions on a profound belief in the existence of the paranormal ghosts and spirits From using psychic spying programs to gather intelligence on enemy nations to investigating the use of mind control to impede the abilities of hostile troops the U S government has continuously developed paranormal weapons and tactics alongside their more mundane counterparts U S Presidents from Franklin Pierce through Ronald Reagan regularly relied on the paranormal using trance mediums channelers and astrologists to help plan agendas and travel schedules The Haunting of Twenty First Century America is unlike any American history you will ever read it posits that not only is the paranormal more normal than most people think but that it is driving current events to a new Fourth Culture of the twenty first century At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied Beyond Heaven and Earth Steven H Propp,2003-11-17 Have you ever wondered what happens to us when we die What if you really HAD to know When tragedy strikes the family of young Jobran Winter he is forced to confront these questions directly Undertaking a feverish Quest he explores various branches of Christianity Judaism Islam Hinduism Buddhism Sikhism as well as the religions of China and Japan His search encompasses the New Age Reincarnation Spiritism and Psychical Research Attending channeling sessions and sances investigating haunted houses and Near Death Experiences he examines spiritual traditions ranging from Swedenborg to Scientology from Jodo Shinshu to the Jehovah s Witnesses Finally the Quest brings him into direct contact with Hospice work physical disability child abandonment abortion suicide euthanasia and even cold blooded murder Encounter the doctrines of Purgatory Predestination Universalism Annihilationism as you journey in a novel that will make you reexamine your ideas about religion skepticism love death and LIFE **What The Cults Believe** Irvine Robertson,1991-01-09 An extensively researched guide to understanding the teachings of major cults and how they deviate from Christianity Especially helpful in grasping the challenge of the unorganized but pervasive New Age movement The New York Times Book Review ,1974-10

**New Religions and the Theological Imagination in America** Mary Farrell Bednarowski,1989-11-22 Bednarowski is especially good at elucidating the theological daring of these new American religions She demonstrates in a very few pages how theology and group adherence made the individual count a configuration simultaneously American un American and important Jon Butler The cultural confrontation with these new religions is very real and usually very misinformed Bednarowski has gone to great lengths to dispel the ignorance The Christian Century A groundbreaking study Syzygy Journal of Alternative Religion and Culture Organized as a series of theological conversations about ultimate questions this book offers a guide to the answers these six religions offer Drawing heavily on sources from the movements themselves it presents a balanced comparative account of the emerging theological systems of America s new religions **Portable Prose** Jarrad Cogle,N. Cyril Fischer,Lydia Saleh Rofail,Vanessa Smith,2018-11-09 Portable Prose The Novel and the Everyday examines the novel as a privileged site for representing the everyday as well as a physical object that occupies public and private space

This collection interrogates the relationships between these differing aspects of the novel's existence negotiating the boundaries between the material world subjective experience and strategies of representation This collection offers a wide array of innovative novelistic explorations with a focus ranging from nineteenth century fiction to contemporary literary theory and explores the portability of novels as both physical things and virtual hermeneutic devices While mimetic qualities of prose remain an integral consideration for literary interpretation this collection argues for more diverse frameworks ones that see aesthetic components of the novel in close connection with reading practices shared structures of feeling and the corporeal In this capacity this volume will argue for readings of texts that consider the capacity for literary culture to move through the world but also to make it or re make it new
