This book investigates the connection between women s writing about WWI and the development of literary modernisms focusing on issues of gender which remain topical today Drawing on a wealth of unpublished diaries and letters the book examines the way in which the new roles undertaken by women triggered a search for new forms of expression Blending literary criticism and history the book contributes to the scholarship of women and expands our definition of modernisms

Women's Writing of the First World War Emma Liggins,Elizabeth Nolan,2019-04-10 The First World War was a transformative experience for women facilitating their entry into new spaces and alternative spheres of activity both on the home front and on the edges of danger zones in Europe and beyond The centenary of the conflict is an appropriate moment to reassess what we choose to remember about women s roles and responsibilities in this period and how women recorded their experiences It is timely to re consider the narratives of women s involvement not only as nurses VADs and mourning mothers but as pacifist campaigners poets war correspondents and contributors to developing genres of war writing This interdisciplinary volume examines women s representations of wartime experience across a wide range of genres including modernist fiction ghost stories utopia poetry life writing and journalism Contributors provide fresh perspectives on women s written responses to the conflict exploring women s war work constructions of femininity and the maternal in wartime and the relationship between feminism suffrage and pacifism The volume reinforces the importance of the retrieval of women s wartime experience urging us to rethink what we choose to commemorate and widening the presence of women in the expanding canon of war writing This book was originally published as a special issue of Women s Writing **War girls** Janet Lee,2017-10-03 War girls reveals the fascinating story of the British women who volunteered for service in the First Aid Nursing Yeomanry FANY during the Great War Examining their experiences on the Western Front with the Belgian British and French armies this book shows how the FANY worked as nurses and ambulance driver mechanics inspiring stories of female heroism and solidarity The FANY created skilled gendered performances against the cultural myths of the time and in concert with their emerging legend Coming from privileged backgrounds they drew upon and subverted traditional

arrangements crafting new and unconventional identities for themselves The author shares the stories of the FANY a fascinating quirky and audacious group of women and illustrates the ways the Great War subverted existing gender arrangements It will make fascinating reading for those working in the field of gender and war as well as those who wish to find out more about this remarkable group of women *Handbook of British Literature and Culture of the First World War* Ralf Schneider, Jane Potter, 2021-09-20 The First World War has given rise to a multifaceted cultural production like no other historical event This handbook surveys British literature and film about the war from 1914 until today The continuing interest in World War I highlights the interdependence of war experience the imaginative re creation of that experience in writing and individual as well as collective memory In the first part of the handbook the major genres of war writing and film are addressed including of course poetry and the novel but also the short story furthermore it is shown how our conception of the Great War is broadened when looked at from the perspective of gender studies and post colonial criticism The chapters in the second part present close readings of important contributions to the literary and filmic representation of World War I in Great Britain All in all the contributions demonstrate how the opposing forces of focusing and canon formation on the one hand and broadening and revision of the canon on the other have characterised British literature and culture of the First World War *Women of war* Juliette Pattinson, 2020-05-29 Women of war is an examination of gender modernity using the world s longest established women s military organisation the First Aid Nursing Yeomanry These New Women s adoption of martial uniform and military style training their inhabiting of public space their deployment of innovative new technologies such as the motor car the illustrated press advertisements and cinematic film and their proactive involvement in the First World War illustrate why the Corps and its socially elite members are a particularly revealing case study of gender modernity Bringing into dialogue both public and personal representations it makes a major contribution to the social and cultural history of Britain in the early twentieth century and will appeal to undergraduates postgraduates and scholars working in the fields of military history animal studies trans studies dress history sociology of the professions nursing history and transport history *After the Divorce* Grazia Deledda, 2019-11-27 Grazia Deledda s After the Divorce is a poignant exploration of post marital life set against the backdrop of early 20th century Sardinia Deledda employs a lyrical introspective style carefully weaving themes of identity societal expectation and the struggle for personal autonomy into her narrative The novel captures the complexities of emotional relationships reflecting the author s acute awareness of the cultural and social mores of her time which often placed women in restrictive roles With rich character development and vivid descriptions of Sardinian landscapes the story immerses readers in a world where internal conflict mirrors external societal pressures Deledda the first Italian woman to receive the Nobel Prize in Literature in 1926 was deeply influenced by her own experiences and the limitations imposed on women in her society Raised in a patriarchal environment her writing often challenged conventional gender norms and explored the nuances of female experience This background coupled with her desire to depict the
