

A full-length portrait of Sir William Hamilton, an 18th-century man, seated in a classical interior. He is dressed in a dark red velvet coat with a fur collar, a white cravat, and dark breeches. He holds a large, open book or map in his lap, looking upwards and to the right. The background features a large window with a view of a landscape, a classical column, and a table with a vase and other objects. The lighting is dramatic, highlighting the man and his attire.
